

AWARDS TIMLOG - SEPTEMBER 25, 1975

The camp banquet is not only a time for farewells but also for the recognition of the many achievements of the campers. The Donald Candlyn Memorial Trophy is the most highly regarded and prized of all achievements as it is awarded to a camper in each division who best exemplifies the spirit of friendliness, cooperation, sportsmanship, and effort; it recognizes those campers whose all round behavior and character has contributed to the betterment of and especially have set a shining example for the Camp Timlo community. This year the Donald Candlyn Memorial Trophy went to John DeHoust, with Matt Scott and Javier Rojo. John has completed his sixth year at Camp Timlo and seems to be following in the footsteps of his brother Buddy who also attended Timlo as a camper and counsellor for more than a ten-year period and himself earned the Candlyn Trophy. Matt Scott is completing his second year at camp along with his brother John. They come to camp from the farthest point of anyone, Sao Paulo, Brazil. It is interesting to note that John and Matt's father, John Scott, attended Camp Timlo in 1946 and 1947. Javier Rojo is also finishing his second year at camp with his brothers Eduardo, and Francisco, and they have just moved from Puerto Rico to Costa Rica. We would like to congratulate these young men and all the rest of you who worked hard to earn awards in all areas.

SERVICE AWARD

At this year's camp banquet, we presented a special award for service to Mike Coster. Mike has been at camp for four years, was last year's Candlyn Award winner, and this year's head waiter. In past years the job of head waiter was recognized as being the one most demanding in leadership and responsibility. Although in recent years the duties attached to this job have declined, this year we felt it was beneficial to resume our traditional approach to this important area. We were very grateful that Mike accepted the responsibilities of being head waiter and we feel that he did an excellent job in making sure that the waiters fulfilled their duties. It is a testimony to Mike's personal character that throughout camp he did his job without ever losing the respect and admiration of his fellow campers and the counsellors. With all this Mike also found time to be on nine different camp teams. We were very happy and proud to present Mike with this award for service to Camp Timlo.
