

TIMLOG

September 1976

It doesn't seem possible that almost two months have passed since the Banquet was held. Two weeks of that time, of course, were consumed by a successful and very interesting thirteen-day clinic-camp where boys from Timlo and girls from Pine Log concentrated in water skiing, sailing, and tennis during this period. Considering that during the regular season we had more rain than we probably had in the past five years put together, you'll be glad to know that most of the days of the Clinics consisted of beautiful summer weather. This reminds us that we have some interesting pictures taken during the season, at the Banquet, and during the Clinics. The remainder of the time between the beginning of September and now has been consumed by continuing to do additional work on the tennis courts and work in other areas of both camps. We'll report any significant information at a later date when we shall describe what you can look forward to in '77, our 43rd season. There are a number of interesting and informative articles written by the heads of the major activity departments which will appear in Timlogs coming to you in the near future. Remember, news of your activities and any other comments you care to make to us are always welcome for inclusion in newsletters for your friends, or the comments which may be of use to us.

AWARDS BANQUET

The annual Awards Banquet, which is a highlight of each camping season, was held on Sunday evening, August 15. The Lodge was decorated with pines and banners, adding a special touch to this festive occasion. Chef Tim Clark did himself proud with a fine menu that consisted of relish tray and fruit cup, roast beef with gravy, baked potato, French green beans, salad with dressing, and all topped off with "Ice Cream Supreme". The CITs acted as waiters and did a fine job of serving all of the campers and staff.

Following dinner there were remarks by Head Counsellor Dan Koenig and the singing of camp songs led by Mark Smith. The highlight of the evening was the presentation of awards -- everything from the Timlo "T" which every camper received, to the more specialized and significant awards. Those which were presented at the Banquet were as follows:

WILLIAM G. MORRIS AWARD - Bob Schlegel

It was most appropriate that Bob Schlegel receive this award since he did a fine job as a counsellor in his cabin and on the rifle range, and always set a good example for all campers to follow. Bob was a camper for many years, was a part of the CIT program, and as a second-year staff member he did an outstanding job in every respect.

CITIZENSHIP AWARDS

Junior Division - David Rosenberg
Intermediate Division - Jeff Healion
Senior Division - David Hunt

The Senior Citizenship Award is also accompanied by the Donald M. Candlyn Memorial Trophy and certificate, which is an annual award given in memory of a former camper of the 1940s. Don Candlyn was an exemplary camper and staff member who lost his life in the waning days of World War II. David Hunt is the youngest camper ever to receive this fine award.

ACHIEVEMENT AWARDS

Junior Division - No. 1 David Rosenberg
No. 2 Marc Weiss
No. 3 Allen Caldwell

Intermediate Division - No. 1 Jeff Healion
No. 2 Matt Scott
No. 3 (tie) Mike Dobbs & Bob Tull
