

Mixers & Team Play

MIXERS:

Mixers only play 9 holes and then socialize on the course patio . You sign up to play either the first Monday or first Thursday of the month or both Monday and Thursday. Golf Ops makes all the tee times and sends a confirmation to all players.

Our Internet Coordinators, Chris Gampe and Susan Paul-Souza, will email our members approximately 6 days prior to the play dates that the playsheets had been posted on our website. The playsheets will show foursomes, tee times, course, and Monitor's name and phone number.

THERE IS NO CAPTAIN FOR THE MIXERS.

The monitor is the "Captain" for both the first Monday and first Thursday. All communications including player cancellations **must** go to the Monitor. **It's the Monitor's responsibility to call the pro shop to cancel or change any player's tee time.**

TEAM PLAY:

Team Play is the remaining Mondays and Thursdays of the month. Players may play 9 or 18 holes Mondays or Thursdays or both. You sign up on a sheet of paper with four line block increments. Whoever signs the top line in a block is the Captain. The Captain makes the tee times and communicates the tee times to her foursome.

Our Internet Coordinators, Chris Gampe and Susan Paul-Souza, will email all members approximately 6 days prior to the play date that the playsheets for the month had been posted on our website. The playsheets will show foursomes, tee times, course, and the Captain.

All communications including player cancellations **must** go to the Captain. **It's the Captain's responsibility to call the pro shop to cancel any player's tee time. The Captain will also try to find a substitute from the Substitute List which will also be on the playsheet.**

ROSTER:

Members contact information will be on our Roster which is emailed to all members monthly.
