Women Social Golfers – If you are the captain (first name in the 4-some) of your team, you are responsible for setting up the tee times and courses for that month. You will probably use the lottery request to do this process.

Lottery request process:

Sign in to your SCW account. Click on lottery request – that will bring up Request Tee Time. Select the date you need. Next, pick your priority – course or time, # of groups, desired time, earliest time, and latest time. Below that, you select the course(s) your team would like to play – You can pick any course if there is no preference. WSG golfers typically play Executive courses. Next you will fill in your players. Have each of their Rec Card #s ready before you start this process. You can fill names but using their rec card numbers assures you get the correct person. Once you have completed the names, verify the names and enter. You will get a completion confirmation number and everyone will get an email if you selected send an email to all.

MEMBER TEE TIMES: use for 9 hole requests & for 9 & 18 hole requests within 7 days of your desired tee time

First sign in to your SCW account. Select member tee times – this will give you what tee times by course that are available over the next 7-day period. Select the date you want and see what courses and times and number of players are open. Scroll down and see if there is a course or time/course you want. Pay attention to the number of players that are available. If it says 2-2, that means there is a 2-some already booked and 2-player openings available. If it says 2-3, there are 3 openings, 2-4, there are 4 openings. Select the course, time & number of players and book.

MY ITINERARY OR MY ACCOUNT – in my itinerary, you will see all current golf dates, courses, time, and players that include your rec card. If the screen comes up with “My Account” in it, then open my account and you will see “my itinerary”.
