TEE TIMES;

There are 3 ways to make a tee time.

1. Call Golf Pro Shop at the course directly.
2. Login to golf portal at: <https://suncitywest.totaleintegrated.com/> Sign in to your account and use the lottery requests to request a tee time for 18 holes up to 14 days before you want to play. 7 days before you want to play you must use Member tee times under your account.
3. Sign in to your account on the portal and use Member tee times to find a 9 hole tee time and within 7 days of when you want to play, you must use this method for an 18 hole request as well.

MIXERS:

Mixers play 9 holes then socialize on the course patio after play. Sign up at the monthly meeting to play on either the first Monday, the first Thursday or both days if you would like. Tee times are reserved by Golf Ops once names are submitted to them by WSG. Once made, Golf Ops will forward a confirmation email to all players.

Mardi Allen and Eileen Duransky, Internet Coordinators, will email members approximately 6 days prior to the play dates advising the play sheets have been posted on our website

([http:// womenssocialgolf.com](http://womenssocialgolf.com)). Select Team Play and Mixers. The play sheets will show foursomes, tee times, course and Monitor's name and phone number. THERE IS NO CAPTAIN of the foursomes for the Mixers.

There are Mixers Monitor is the "Captain" for both the first Monday and first Thursday play. All communications including player cancellations **MUST** go through the Monitor. **DO NOT CALL THE COURSE DIRECTLY TO CANCEL OR CHANGE TEE TIME. It is the Monitor's responsibility to call the pro shop.**

TEAM PLAY:

Team Play is held on the remaining Mondays and Thursdays of the month. Players may play 9 or 18 holes on Monday's, Thursday's or both days. Sign up is at the prior month's meeting. For example, sign up at the September meeting for October play. When you complete the Sign-Up Sheet, whomever signs on the #1 line in the block of 4 is the Captain for that month. The Captain will make the tee time and course of her choosing and communicate the time/course to the foursome.

Mardi Allen and Eileen Duransky are the Internet Coordinators. You will receive an email from the Coordinators approximately 6 days prior to the first date of play advising the teams for Monday, Thursday and Mixers. It will direct you to the website, ([http:// womenssocialgolf.com](http://womenssocialgolf.com)), for your review. Once logged on the website, select Team Play and Mixers. There it will indicate the foursomes, tee times, course and the Captain for the month.
