Windsor Fastpitch Softball Hall of Fame:

On behalf of the City of Windsor, I would like to congratulate those responsible for the founding of the Windsor Fastpitch Softball Hall of Fame (WFSHOF). Windsor and Essex County has been home to fastpitch softball since the 1930s. While the game we know and love today was much different back then, fastpitch softball has been a mainstay in our community for decades and I thank your Hall of Fame for the work you have done in keeping it an important part of Windsor-Essex.

Newly formed in 2020, WFSHOF is a non-profit community-based sports heritage organization, striving to preserve the legacy the game. Your group acknowledges the accomplishments of male and female individuals, teams, and sponsors associated with the sport locally. Team sports do so much good for everyone involved and your Hall of Fame provides an avenue for those key members to be recognized. None of what the Hall of Fame has accomplished could have been achieved without the hard work of countless organizers and volunteers. I personally look forward to the positive impact your group will have in our community for years to come.

Windsor is a city of champions, and acknowledging them matters. Thanks to your Hall of Fame for recognizing the many in our community who have had success and joy in playing the game. Thank you for your tremendous efforts, and to the countless number of coaches, founders, league executives, and umpires that contribute to the WFSHOF. Congratulations, also, to the sponsors and committees within your group for creating this wonderful non-profit organization!

Sincerely,

Drew Dilkens
