

# For Mailmen

Windsor Post Office League, a new softball organization for letter-carriers, will make its bow here this year. Play was to have begun last night but the opening game was postponed because of bad weather.

There are three teams. They bear the surname of the managers, Ernie Marentette, Bob Lawrenson and Jimmy South. Games will be played every Monday, at Jackson Park.

Louis Pageau is chief umpire and Tom Bunyan and Charles Bryan his assistants. Frank Woods is official scorer.

# Bankers Softball Loop Opens Sked Tuesday

Windsor's biggest softball league—at least so far as the number of teams go—gets its 1938 season underway tomorrow. It is the Bankers League.

Oddly, this thriving loop now includes only one team made up of bank employes, whereas it was for them exclusively when it was first organized. It has grown by leaps and bounds, however, and with 10 teams on their toes, ready for this year's inaugural tilt, seems headed for its biggest and best season.

Only one game—between Alpha Kai Omega fraternity and Maroons, at Mitchell Park—is on the first evening's program, but a total of seven games are carded for the first week.

Alpha Kai Omega is the defending champion, and a worthy one, but if the history of the past three seasons repeats itself, Marc Wood and his men are going to be dethroned. In each of those years it has been a new entry that won the title—Canadian Pacific Telegraphs in 1935, Silverwoods in 1936 and A.K.O. in 1937. Thus, even before the season opens, the teams new to the league this year—four in number—have something to encourage them. Incidentally, those new teams are Bayer Manufacturing, Windsor Gas, Alpha Beta Theta and Ottawa Street Merchants.

There are two teams that are much the same as two that were in the league last year, but have changed their names. One is Chrysler's, known last year as Driving Park but called Chrysler Office in 1936; the other is Smith Cleaners, which played both in 1936 and '37 as Silverwoods, winning

the title in the former year and finishing runner up in both league and playoffs last season.

Familiar names again on the schedule are Banks, Maroons and Moose, all strengthened and ready for a real shot at the laurels.

Players who have performed with some of the outstanding teams in the city in recent years are on Bankers League rosters this year, including Basil Curley, Harold Bullard, Jack Heydon, Bill Hudson, Harry House, Joe Grondin, Paul Laforet, George Weese, Bon Stinchcombe, Jimmy Hogan, Red Curran, Clarence Bruggeman, Red McCall, Crawford Stewart, Carl Sheffield, Jack Dawson, Chuck Lee, Bill Ryall, Bussy Dufour, Whitey Cummings, Les Hadley, Cliff Graber, Jack Blair, Colin Miles and Clarence Drouillard, popular ex-professional hockey player, to name only a few.

Other games on the first week's program, besides tomorrow's A.K.O.-Maroons tilt, are:

Wednesday—Alpha Beta Theta vs. Bayer, at Wilson Park; Chrysler's vs. Windsor Gas, at Mitchell Park.

Thursday—Bayer vs. Smith Cleaners, at Canadian Bridge Park; Ottawa Street Merchants vs. Alpha Beta Theta, at King Edward School; Moose vs. Banks, at Mitchell Park.

Friday—Banks vs. Chrysler's, at Stodgell Park, No. 1.

All start at 6:15 o'clock.

# Gas Nine In Debut

**BEATS CHRYSLERS 8-2;  
BAYER, A.B.T. TIE**

Windsor Gas signalled its entry into the Bankers' Softball League with an 8-2 victory over Chrysler's at Mitchell Park last night. It was the opening night of the season in the Bankers' loop, the official opening on Tuesday night having been rained out. Jimmy Hogan, on the mound for the Gas Company had little trouble with the Chrysler bats, allowing six hits. Meanwhile his teammates collected nine blows off Basil and Gerry Curley, Nethercote, Em Malott and Archie Malott hit homeruns for the winners. Harid Bullard led the Chrysler attack, with two hits in four times at bat.

Two other new Bankers' League clubs, Bayer Aspirin and Alpha Beta Theta Fraternity played to a 7-7 tie at Wilson Park last night. A. B. T. took a fancy to Don Dewelska's offerings in the third and fourth innings to take a 7-2 lead and appeared headed for a victory, until Hillier homered with two on in the fifth to put Bayer back in the running, to which they added another two runs in the seventh to tie the score.

# With Border Softballers

Windsor Boys Work Board softball had its 1938 inaugural Monday evening, when eight Tuxis teams played. There are 10 in all.

Tonight the 'Trail Rangers' schedule begins, with all six teams slated for action.

Opening Tuxis games saw All Saints defeat Central United, 9-7, and Optimists defeat Giles Christian, 9-8, in the Tuxis A League and St. Mark's thump Walker Road, 19-5, and All Peoples grub DeMolay, 17-9, in the Tuxis B League.

Russell and Upham each had two hits in two official times at bat for All Saints in its victory over Central at Jackson Park. Rounding and Beattie had two in four for Central. O. Emith of Central and Russell hit homeruns. Walker, who lasted five innings, was the winning pitcher.

Central United	160	131	1-7	8	3
All Saints	211	221	x-9	8	6

Morrow and Rounding; Walker, Genga and Mayers.

Optimists scored twice in the seventh and last inning to edge out Giles Christian at Wilson Park. Auterson and Lavers had perfect days at bat for the winners, with four and three hits respectively, and McArthur and Hobbs hit homeruns. Warner led Giles Christian, with two singles in three chances.

St. Mark's scored in every inning but the fifth in smothering Walker Road, at Stodgell Park. Leading a 19-hit attack were Cox, with a triple and four singles in five times at bat, and Tiler, with a double, triple and homerun in five. Walker got only three hits, all singles. Lambden, a pinch-hitter, got one and Minnis and Ross the others. Minnis was the losing pitcher and Murphy the winner. Price of St. Mark's hit a pinch triple.

All Peoples vent St. Mark's one better, scoring in every inning of its tilt with DeMolay, at Prince Edward School. The finishing touch was an eight-run splurge in the last turn at bat. All Peoples got only eight hits, all singles, but DeMolay's Pitcher McGee issued nine passes and his mates made nine errors, four of them by Centrefielder Kerr. Woschenaki got three of the winners' eight hits, in five attempts, while Stillman, Higgins, Hillis and McGee of DeMolay each got two in four. A homerun by Stillman and a double by Higgins were the only extra-base hits.

## Giles Christian Rallies to Win

Down 5-0 at the end of the first inning, Giles Christian came from behind with a rush in the third and fourth frames to defeat All Saints 10-7 in their Tuxis A League softball game last night.

Byrnes, Vickers and Ostrander each had two hits in four times at bat for the winners. For the losers Upham had a home run and double in four and Russell two timely doubles in three. Those four All Saints blows were the only ones of the game's 20 that went for extra bases.

# BRIDGEMEN WIN OPENER

## G. M. FINISHES POORLY IN 14-5 DEFEAT

After pitching grand ball for seven innings against as formidable a gang of hitters as he will face in league competition all season, Pitcher Les Green of General Motors weakened last night and the Motors wound up on the short end of a 14-5 count in an Industrial Softball League opener with Canadian Bridge, at King George School.

The Bridgemen scored seven runs in a big eighth inning, with Green giving way to Bill Tidman with two men out. Green's collapse, however, was not as bad as the figures indicate. He walked just two men, allowed 10 hits and fanned one. It was his misfortune to tire just when his mates began to get wobbly in the field. Tidman, his successor, showed a fastball but six of the winners got bases on balls out of him and three others hit when he put the ball in there.

Meanwhile Pitcher Hebert of Canadian Bridge went along steadily, home runs by Schwab and Gibson, each with one on base, accounting for four of the five General Motors runs.

Buzz Nolan hit two singles, a triple and a homerun in six times at bat for Canadian Bridge to lead both teams at the plate. Gibson had two singles in addition to his homer in four trips to the plate and Schwab one single in addition to his homer in four. Joe Perrault of the Bridge got two singles and a double in six.

Can. Bridge	000	030	074	-14	13	2
General Motors	001	020	002	-5	12	4

Hebert and Neskas; Green, Tidman and Schwab.

# Banks, Moose Play 3-3 Tie

Errors cost the Banks a victory last night at Mitchell Park, and then darkness stepped in and gave Moose a 3-3 tie in their Bankers Softball League fixture. It was the second tie in the league's four scheduled contests played to date.

Moose were trailing 3-1 when they came to bat in the last inning and with Ken Kersey hurling effectively it looked like a Bank victory. But two in-field errors, a muff in the outfield of a fly ball and a hit gave Moose two runs to tie the score. Then Banks were unable to do anything with Mouse Trombley when he came in to pitch for Moose in the last half of the inning.

Both Bussy Dufour and Kersey pitched good ball, Dufour allowing only four hits and Kersey five.

Moose	000	100	2-3	5 1
Banks	000	300	0-3	4 4

Dufour, Trombley and V. Dunn; Kersey and Ripley.

# Chrysler Office Victorious 7-1

Two innings, the first and sixth, accounted for all Chrysler Office's runs as they defeated Banks 7-1 in a Bankers Softball League game at Stodgell Park last night. Ed Saby and Basil Curley divided the pitching duties for Chryslers, it being the first start in this league for Saby. Cummings hurled the entire game for Banks. Basil Curley hit the only home run of the game, in the sixth inning.

Banks	001	000	0-1	6 4
Chryslers	400	003	x-7	8 0

Cummings and Ripley; Saby, B. Curley and Armstrong.

# SPECIALTIES WIN AGAIN

One big inning, in which Auto Specialties put on a six-run splurge sending John Sapergo to the showers, sent Motor Products down to a hard luck 11-6 defeat at King Edward School last night in Industrial League softball. Specialties, however, deserved their win, for they were steadier. It was the Specialties' second win in as many starts and put them on top of the league.

Chuck King went all the way for Specialties, struck out four men and walked three. Sapergo lasted six and one-third inning, struck out three and walked five. Bondy, who finished, had neither a walk nor a strikeout. Batting leaders were Millard Keith and Charley Penahuna of Products, and Jack Hood and Harold Wilson of Specialties. Keith had a double and two singles in four tries, Hood a double and single in four and Penahuna and Wilson each hit a homerun.

Auto Specialties	010	020	620	-11	12 2
Motor Products	100	022	010	-6	11 5

King and Urbanski; Sapergo, Bondy and Dowdell.

# Kelsey Easy For Chrysler

With Leo Lamoureux pitching five-hit ball and his mates fielding errorlessly, Chrysler Painters whipped Kelsey Wheel 13-4 in their Industrial Softball League game at Chrysler Diamond last night. In contrast to Chrysler's defensive play was that of Kelsey. Not only was Paul Laforet reached for 12 hits but his team committed eight errors.

Doug Sabine was almost the entire Kelsey offensive. He had a sensational night with the stick, banging out two homeruns and a single in four official tries. Unfortunately, he marred that fine batting by making four costly errors.

Claire LePaige led the winners at the plate, with three safeties in five tries.

Kelsey Wheel	030	100	000	-4	5 8
Chrysler	020	116	03x	-13	12 0

# Walkers Trimmed Distillers Win, 4-0

## SARGENT STRIKES OUT 17 BUT LOSES

Michigan Motor Club spread a 5-0 coat of whitewash over Hiram Walkers in their Detroit Triple A League tilt softball game at Kinnedy Stadium last night.

Freddy Sargent, Walkers' hard-luck pitcher, was the loser. He struck out 17 men and did not walk a man but the cross-river team bunched its hits and the Canadians made four errors. Of course, since Fox of Michigan Motor Club pitched shutout ball, Sargent did not deserve to win, but neither did he deserve to lose by so much. He struck out seven of the first eight men to face him.

Fox was very steady, allowed only six hits, fanned 16 and walked four.

## FRED BOLTER BLANKS DETROIT TEN

Fred Bolter pitched Hiram Walkers to a four-hit shutout over Emericks at Mack Park last night in a Detroit Triple A League softball fixture. The score was 3-0. The Canadians sewed up the game in the first inning by pushing over two runs on a base on balls to Elmer Bauer and single by Nerts Parent and Pip Weaver. Jack Smith accounted for two of the other three markers by hitting for the circuit after Parent had doubled in the sixth.

## Bridge Bows To Chryslers

Buzz Nolan lost sight of the plate in the seventh inning and Chrysler Painters put on a three-run rally to score an 11-9 victory over Canadian Bridge at Walkerville Collegiate last night for a winning debut in the Industrial Softball League. Nolan issued three bases on balls and made a wild pitch in the disastrous seventh, and two singles and a passed ball completed the assortment.

While Nolan and his mates were performing somewhat erratically, Chow Thorne and Joe King combined for a three-hit effort for Chryslers. Joe Perrault, George Chapman and Bert Wilson getting one safety apiece. Pitcher led Chryslers at the plate, with three knocks in five tries.

## Slugfest Won By Gas Nine

Scoring 11 runs in the first three innings was enough to give Windsor Gas a 13-8 victory over Banks, in a Bankers League fixture at Stodgell Park last night. Roy and McMillan were the starting hurlers but both were removed before the finish. Jimmy Hogan relieved Roy and pitched the final inning, while Whitey Cummings relieved McMillan for the Banks in the fourth and showed good form during the remainder of the game. A six-run rally by the Gasmen in the third inning was the turning point.

Windsor Gas	236	200	x	—13	14	3

Roy, Hogan and Fletcher; McMillan, Cummings and Lanspeary.

## First Win For General Motors

Easy to solve in three frames, Bill Tidman went to the other extreme in the remaining six, made Bendix accept half a dozen goose eggs and finished with a 12-9 advantage as General Motors scored its first Industrial League victory of the new softball season last night, at Vocational School.

Margin of victory was gained in the seventh inning, but it was a margin that was decidedly tainted. Two two-base errors and two-base hit were good for three runs.

Schwab hit a homerun for General Motors, in the first inning with one man on base.

Gen. Motors	404	100	300	—12	13	3
Bendix	220	000	050	—9	12	3

## Team To Chatham

Chatham softball fans get their first 1938 taste of intercity competition tonight, an exhibition game between two girls' teams, Chatham Silverwoods and Windsor Silverwoods. They will play at Tecumseh Park, at 8:30.

The two outfits are rivals of several years' standing, and while tonight's tilt may be nothing more than exhibition the Maple City girls are a determined gang. Reason for their eagerness to win is that their Windsor namesakes were responsible for their elimination from the Ontario Women's Softball Union playdowns both in 1937 and 1936.

Hank Wackley, Jack Smith and Clarence Albrough, the three-man "brain-trust" that runs the local team, have four pitchers from which to choose—Winnie Furlonger, Dorothy Ellis, Amy DeLuca and Tena Sapergo.

# DAIRY MAIDS REPEAT WIN

## SAPERGO'S FIRST 1938 START THREE-HITTER

Windsor Silverwoods won over Detroit Holzbaughs for a second successive time last night in International Girls League softball at Mack Park across the river. Teno Sapergo of Silverwoods, pitching her first game of the season, gave up only three hits and one base on balls.

Willia Hyttenrauch, Silverwood catcher, came out of a prolonged batting slump to connect for two singles in four chances, her first hits of the season.

Jennie Golab kicked in with a couple of spectacular plays at second base in support of Sapergo.

# BRIDGE NINE FALLS APART

One would hardly think it possible that a softball team could do such a complete about-face as the Canadian Bridge outfit of the Windsor Industrial League did last night at Vocational School against L. A. Young. With four and a half innings gone the Bridgemen were enjoying a 6-0 lead and it looked like a breeze. Came the revolution. The Young batters started teeing off and Pitcher Hebert and his fellow-Bridgemen collapsed simultaneously. Youngs scored two runs in the fifth, three in the sixth, really went to work in the seventh to score eight and through three more in for good measure in the eighth. Meanwhile Pitcher Slim Patrick strung together a row of five goose-eggs before the Bridge got their last two runs, in the ninth.

A homerun by Hodare with one on opened Youngs' scoring account. Nolan hit a homer for the Bridge and also a double and triple. Davies of Youngs drew four bases on balls.

Hiram Walkers and Riverside, Windsor City Baseball League senior teams, will play a practice game tomorrow evening, at George Avenue Park at 5:30.

# WALKERSIDE IN 8-5 WIN

## ONE BIG FRAME BEATS MOTOR PRODUCTS

One big inning, in which they scored seven runs on two triples, a double, four singles, a base on balls and two errors, gave Walkerside Dairy's softballers an 8-5 win over Motor Products in their Industrial League game at King Edward School last night. Eleven of the game's 13 runs were scored in the fifth and sixth session. Up to that time Sapergo and Dumcah had waged a surprisingly light pitching duel in which both looked good.

# Pitchers In Great Form

Tom Dowdell and Ted Dewelska waged a classic pitching battle at Wilson Park last night in a Bankers League game between Ottawa A. C. and Sterling Products, with the east side club winning a close 2-0 victory. Both pitchers were decidedly hot, young Dowdell striking out 14 batters, while Dewelska whiffed 11. Each pitcher issued three bases on balls and allowed but four hits apiece, while their team-mates afforded them errorless support.

# Walker Edges Out DeMolay

De Molay and Walker Road, two of the lesser regarded Tuxis Softball League teams, put on a fine game last night, with Walker Road winning out, 6-5. Only one run was scored in the last four and a half innings and none at all in the last three and a half as McGhee and Minnin showed high-class pitching. Only 12 hits were made during the entire game and not one of them went for extra bases. Antonik of De Molay and Cunningham of Walker were the only players to hit twice. Each had two in three. The game was played at Jackson Park.

# Sudden Rally By Optimists

Down 2-1 after five innings, Optimists put on a six-run splurge in the first of the sixth to break up a swell Tuxis League softball game with Central United at Patterson Collegiate last night. Nebbitt pitched five-hit ball for Optimists and also got a home run and single in four tries with the stick. Broadwell also homered for Optimists and singled on his other two official trips to the platter for a perfect night. G. Smith homered for Central and B. Smith was the only loser to hit more than once, getting a double and single in four attempts.

# Last Inning Win For Sacred Heart

The Tuxis Softball League's champion Sacred Heart team pushed over a run in the last half of the seventh and last inning to edge out All Saints 10-9 at Wilson Park last night. Kennedy, Sacred Heart pitcher, and Upham of All Saints hit home runs. Dunlop of All Saints and Brannagan of Sacred Heart, with two hits apiece, were the only players to connect more than once. The winning run scored on two bases on balls and a single, with nobody out.

None of the Giles batters connected more than once and none of them for anything bigger than a single.

# Strong Finish

Westminster put on a strong finish to beat All Peoples 9-5 in their Tuxis Softball League game at Kennedy Collegiate last night. The winners scored eight of their nine runs in their last three turns at bat, with a five-run outburst in the sixth as a winning climax. The teams made just 11 hits between them. Miro of All Peoples, and C. Dakin of Westminster dividing four of them. One of Miro's was the game's only homerun and one of Dakin's a double. Gardner, Westminster pitcher, struck out 10. Keczem, All Peoples starter, worked five innings and gave up only three hits. Patrick was the losing pitcher.

# Rainbow Girls Here

Rainbow Recreation girls and Detroit Emericks senior men will be the visitors at Kennedy Stadium tonight, for the weekly international softball doubleheader. Rainbow will play Windsor Silverwoods at 7:30 in an International Girls' League game, with Emericks taking the field at 9:00 for a Detroit Triple A League tilt with Windsor's Hiram Walkers.

Silverwoods and Rainbow have met once before. The Canadian girls had to come from behind to win out 8 to 5, but because of marked improvement at bat and afield since that time they expect to score a much more convincing victory in this return fixture. Winnie Purlonger, listed as No. 1 pitcher on the staff, is slated to be tonight's starter for Windsor.

Emericks and Walkers will be meeting for the second time this week. They played Wednesday, in Detroit, with Walkers winning 5-0 behind Fred Bolter's pitching. Tonight the Windsor hurler will be Fred (Hard Luck) Sargent.

# Easy Debut

Smith Cleaners made their debut in the Bankers' Softball League with a 19-1 romp at the expense of Alpha Beta Theta on King George School diamond last night. Bob Stinchcomb, making his bow in this league, did not allow a hit until the sixth inning, when McKee and Jack Dawson singled, and the only run made off him was unearned, coming in on an error by Burns. Meanwhile, A. B. T. was suffering from a bad case of stage fright and, while Dawson and Maitland were hit hard, many balls that fell for hits should have been caught by the outfielders. Stinchcombe shone at bat as well as on the hill, with three safeties in four tries, and Jim Cipparone had four in five. Pete Bullard and Clarence Drouillard hit home runs.

# Lodgemen Lose To Lodge Team

Al Lodge's Chryslers won a close game from Moose Lodge by a 7-5 score in Bankers League softball at Stodgell Park last night. The game was by no means an airtight exhibition, the Moose team being charged with four errors and Chryslers with three. Bussey Dufour, on the mound for Moose, gave up eight bases on balls, which helped the Chrysler cause. Lloyd Brooker and Harold Bullard homered for the winners.

# Gas Upset By Young Maroons

Bob Boycott's youthful Maroons won their first start of the year in the Bankers Softball League last night by trimming the vaunted Windsor Gas nine 7-4 at Mitchell Park in a game that furnished plenty of excitement for the largest crowd of the season. It was the first defeat in three starts for the Gasmen.

Johnny Wallace, new to the league this year, got off to a bad start when Em Mallott tripled with the bases loaded in the first inning but he went great from there on. Scotty Miles duplicated Mallott's feat for Maroons in the second and Nutsom homered in the sixth, with one on.

## SILVERWOODS TIED UP BY TURNER

Windsor Silverwoods made seven hits off Helen Turner while Rainbow Recreation made just four off Winnie Furlonger in their International Girls' League softball game at Kennedy Stadium last night, but Turner was better in the pinches, so the Detroiters won. The score was 1 to 0 and an extra inning had to be tacked onto the regular seven before the issue was settled.

With one out in the first of the eighth, Pearl Gerber singled and Margaret Marrow then brought her home with a long three-base hit to right-centre field. Incidentally, it was Marrow's second hit of the game. She was the only player on either side to connect more than once.

It looked like Silverwoods had the game won in the seventh. With one out, Ada Althrough slapped a long hit to right field. It looked like a home-run, but fast fielding by Brockett and sticky basepaths held it to a triple. Turner then showed her mettle by retiring both Jenny Golab and Helen Bell, dangerous hitters, on pop flies to the infield.

# WALKERS IN REPEAT WIN

## EMERICK TEN HELD BY BOLTER TO TWO HITS

Hiram Walkers, Windsor senior men's softball team, scored their second victory of the week over Detroit Emericks last night, under Kennedy Stadium floodlights here, and again it was by a shutout. This time the score was 2-0. The teams are members of the Detroit Triple A League.

Each side got only two hits last night. Both of Walkers' were doubles, by Parent and Cox. Fred Bolter, the Windsor pitcher, struck out 15 men.

Both runs were scored in the fourth inning, after Bolter, first man up, had been retired. Elmer Bauer walked and Nerts Parent doubled to left. Bauer reached third on the hit and completed the circuit on the throw-in. Parent took third on the same throw and when the throw proved to be bad, going over the heads of the players into the crowd, he also scored. Simkie, centre-fielder, was the player who made the error.

The result was the Specialties' fourth win in four starts and Walkerside's first defeat in three. The score was 7-3. Harold Wilson homered for Specialties with two aboard in the first inning. # NO-HIT GAME PITCHED HERE

## Earl Meloche of Kelsey Great in Industrial Softball Effort

Earl Meloche, young left-handed pitcher for Kelsey Wheel, turned in easily the best individual performance to date in the 1938 season of the Windsor Industrial Softball League last night, holding the slugging and previously undefeated Auto Specialties team hitless.

### HE HANDS THEM A RUN

Usually when a pitcher just fails to gain admittance to the mythical Hall of Fame, it is because he is reached for a lone hit. With Meloche it was the other way round. The opposition got a run. The game ended 9-1.

It is unfortunate the boy did not get a no-hit, no-run game, but Meloche not only put the run-scorer on base himself but let him go all the way round.

First of all, John Sadal reached base on an error by the Kelsey flinger. He took second and third on wild pitches. Meloche steadied then and got both Chuck King and Bill Williamson on pop flies. But Ray Urbanski, Specialties playing-manager, topped a pitch and sent it rolling slowly to Meloche. Over-anxious, Earl again fumbled and then fell over backwards in his effort to capture the now elusive sphere. Urbanski reached first and Sadal, of course, had already dashed home. It all happened in the fifth inning.

### KING ALSO SPARKLES

Meloche's achievement would have been noteworthy under any circumstances but it was particularly so for several reasons. Earl is something of an in-and-outter, very wild at times. He walked only three men yesterday. Furthermore, the Specialties batters can really clout that apple. And the Specialties had won their first four starts in great style. Meloche was never in serious trouble, however, and got good backing in the field.

Meloche helped his own cause with a double and single in four times at bat.

Kelsey made 16 hits, but became almost helpless at bat as Specialties once Chuck King replaced Bill Parker as the bases' pitcher. King hurled splendid relief ball. He did not walk a man, gave up only four hits in six innings and struck out seven, as many as Meloche struck out during the full game.

The game was played at Auto Specialties diamond.

### CHRYSLERS GO TO TOP

Altogether, it was an eventful evening for the league. L. A. Young also was beaten for the first time and Chrysler Painters climbed past both Youngs and Specialties into first place in the South Division by scoring their third win in three starts.

Kelser's victory pulled it out of the South Division cellar, with General Motors dropping to the bottom.

Standing in the North Division remained unchanged.

Chryslers coasted to a 19-10 win over Motor Products at Chrysler diamond and after scoring 11 runs in the second inning, Joe King hit three singles and two doubles in six times at bat to lead a 19-hit Chrysler attack and George Souchuk hit a triple and two

singles in four. Joe Dowdell connected on three of five tries for the Products. Chrysler, 9 11 2 401 100—19 19 2. Motor Prod., 1 0 4 000 000—10 8 4.

Thorne, King and Dunn, Doughty; Ruddy, Sapergo and Farron, Dowdell.

### DAIRY STOPS YOUNGS

Youngs bowed to Walkerside Dairy, 16-12, in a wild affair at King George School. Domesch of Walkerside outlasted three L. A. Young men in the pitcher's box but he proved much better with the bat than with the ball. He hit two home runs and two singles in six trips to the plate, one homer with two on and the other with one on. Shelley got four singles in five trips. Percy Logan led Youngs, when he, too, got four singles. He was up six times.

### TOUGH ON BENDIX

Bendix gave the champion Chemicals a great battle at Shore Acres, only to suffer a heart-rending defeat in the ninth inning, 6-3. After earning a run in their half to even the count at five-all, Bendix saw the winning run cross the plate on the second out of the final frame. Facher Hughes, who had doubled home Keenan to cause the 3-5 deadlock, dug his own grave when he walked Cadmore and then made a two-base error when Doran hit to the box. Morgan popped to Catcher Spencer, but Ted Costigan fled to left field and it was far enough out for Cadmore to scurry home after the catch.

None of the losers hit safely more than once but Morneau had a double and triple in five chances for Chemicals. Bill Cullen.

Bendix, 012 010 001—5 7 2. Chemicals, 000 101 301—6 9 2. Bedesrick, Hughes and Spencer; Taylor, Cullen and Morgan.

### WILD ONE TO BRIDGE

Canadian Bridge took the measure of General Motors, 15-9, in a wild affair at Walkerville Collegiate. Buzz Nolan, Bridge pitcher, struck out 13 men but walked seven. He and his mates meantime made 14 hits off Bill Tidman, who could get the ball neither over the plate nor past the batters. He was reached for eight bases on balls as well as 14 hits.

Neskas and Chapman each had three hits in five tries for the Bridge, while Desjarlais and Trogand had three in four for G.M. Neskas included a home run in his collection.

# Moose Wins Over A. B. T. With the Tuxis Leaguers

Tied in one game and beaten by one run in another, Alpha Beta Theta lost another tough one in the Bankers Softball League last night when they went down 5-2 before Percy Trombley's snappy young Moose Lodge team, at Dugal diamond. The teams got only five hits between them as Eddie Macdonald and Maitland hurled splendidly. Vince Dunn of Moose hit a homerun.

## Pitchers' Battle?

Welfare Department defeated Lions Club in an exhibition softball tilt at Mitchell Park last evening, 21-19. Most of the hitting was done in the first five innings; by the end of that time the players were so tired circling the bases that hitting became almost an effort. Leon Campeau of Welfare hit two homeruns. Sullivan, Campeau and Holland pitched for Welfare, with Porter catching. Aiken and Matthews pitched to Hubbard for Lions.

First defeat of the champion Sacred Heart team was the high spot of last night's Tuxis Softball League entertainment. Also worthy of special note is the fact that Central United scored its first victory.

Optimists were the lads who upset the titleholders. Their margin was 11 to 8. They got it by timely hitting and steady fielding. McMahon led a 10-hit attack with three singles in four tries. Only Kennedy connected more than once for the losers, getting two singles in three. Lesky, of Sacred Heart, and Auttersen, of Optimists, hit home runs. The game was played in Lanspeary Park.

It was a rather loose game that brought Central its first win, but a victory is a victory. The losing team was Giles Christian and the score, 13-10. They met on Jackson Park No. 2 diamond. Pitcher Lawson hit a home run for Central and Green, G. Smith and R. Smith each connected for two safeties. Only Cray hit more than once for Giles. He had three for four.

St. Mark's smothered DeMolay 24-4 at Wilson Park No. 1. Hodgins hit two doubles and three singles in five

times at bat for the winners. Pitcher Murphy a home run and four singles in five, and Tiller a home run and two doubles in five. Meanwhile Murphy held DeMolay to seven hits. Antonik, with two singles in four, being the only loser to connect more than once.

All People's defeated All Saints' at Stodgell Park No. 4, 9-5. Good pitching kept the score down despite bad fielding. None of the losers hit more than once but Rubinski had two singles in three and Woschenski two singles in four for the winners, and Mero hit a home run.

Walker Road showed up at Stodgell Park No. 1, only to find Westminster did not have a team on hand, so the Walker lads took the game by default, 9-0.

## Home Bow Hits Snag

Opening of Canadian Bridge's new softball diamond, at Walker road and Seminole street, was a huge success except for one thing—the Bridge team lost the game. Opposing the Bridgemen last night, in an Industrial League fixture, was a Motor Products squad that had dropped its first three starts, but the Products came out on top this time, 13-8.

The Bridgemen had themselves to blame. They had a fat total of 14 hits, including a home run, by Bucheski, and seven doubles. But they committed eight errors. Meanwhile John Sapergo pitched far from brilliantly but steadily, and got steady support.

George Weese, with a double and single in four tries, led the winners' attack. Eddie Wright hit two singles in three. George Chapman poked out three doubles and a single in five trips to the plate for the Bridge and George Tapak two doubles and two singles in four.

Darkness ended the affair at the end of seven innings.

# A. K. O. Away In High Gear

Alpha Kai Omega Fraternity, last season's Bankers Softball League champions, got off to a successful start last night by defeating Chryslers 15-0, at Mitchell Park. However, the game was not nearly as one-sided as the score indicates. Ed Saby started on the mound for Chryslers but was lifted in the first inning, which saw A. K. O. score eight runs. Three disastrous errors in centrefield also helped the winners' cause. Making his debut in this league, Bill Hudson looked after the pitching chores for A.K.O. by allowing only three hits. Harry Heydon of A. K. O. hit the only home run.

Shelley hit three doubles and a single to lead a 16-hit Walkerside attack and Long homered with two on, but chief trouble of the Bendix pitchers was wildness. Keenan and C. Mephan each hit twice in four attempts for Bendix.

The affair was called after seven innings because of darkness.

Jack Heydon and Don Dewelska were the starting pitchers and hurled good ball for five innings. Holding a 3-3 lead, Dewelska developed a wild streak in the fifth, when A. K. O. scored twice as a result of bases on balls. Heydon also weakened in the fifth when Sterling Products scored another run to regain the lead, and when the sixth opened Ted Dewelska was pitching for Sterling Products and Bill Hudson for A. K. O.

Bettermades won, 2 to 0. The teams are in the Major League of the Detroit Softball Association.

Levine also gave the Detroiters one of their two runs when his throw hit Fritz as he attempted to steal second in the fifth frame. The other tally, however, was earned, on a single by Maluchnik and a double by Bartus.

## SILVERWOOD GIRLS NIP RAINBOW 5 TO 3

Windsor Silverwoods defeated Rainbow Recreation 5-3 in a Girls Division game at the Detroit Softball Association at Mack Park last night. It was a rather unusual contest, all the runs being scored in the first inning and a half. Despite the score, it was a loosely played affair.

Three hits, two bases on balls, two stolen bases and an error gave the winners four runs in the first half of the first. The Detroiters came back with three in their half, on a walk, an error and two of the three hits they made during the entire game.

The game was held up by rain for 20 minutes with two out in the last inning.

# Moffat Shows Way to G. M.

After keeping him on the bench for three games, in each of which they were soundly trounced, General Motors finally decided to use Bill Moffat last night, when they met Kelsey Wheel in an Industrial League softball fixture at King George School. Young Moffat promptly pitched them to their first victory of the campaign, holding the heavy-hitting Wheelmen to nine hits and four bases on balls to win out 19-8. He had only one bad inning. He struck out seven men.

General Motors pounded Paul Laforet out of the box in two and two-thirds innings but slowed down when faced by Earl Meloche, who pitched a no-hit game his last time out.

Gibson led a 15-hit G.M. attack with a homer and two singles in five times at bat and Desjarlais hit two singles and a double in four. Sabine, with two doubles and a single in five, was best for Kelsey.

# Youngs Profit By Darkness

Chemicals tied up their Industrial League softball game with L. A. Young at 13-all with one out in the first half of the ninth inning at Vocational School last night but at that point Umpire Fred Hall called the game because of darkness. The score consequently reverted to the eighth inning, and Youngs are today credited with a 13-11 win while the champions are pondering their second successive defeat.

Bill Cullen, who was charged with six of the Young runs after relieving Amlin in the fifth, was the losing pitcher.

Tom Paterson hit safely three times, once for the circuit, for Chemicals, in five trips to the plate. Percy Logan connected four times in five for Youngs.

# Brothers As Mound Rivals

Chryslers made it four wins in four attempts in Industrial League softball last night, whipping Auto Specialties 11-10 at Chrysler Diamond. It was the second straight defeat for Specialties after they had started the season with four straight wins.

The rival pitchers last night were brothers, Joe King for Chrysler and Chuck King for Specialties. Joe had the better of the argument, but largely because of his stickwork, rather than his hurling. He hit a double and a single in five tries. Neither he nor Chuck were exceptional as pitchers, though Joe started like a house afire by retiring the first 10 men to face him. Chuck had better control and more strikeouts. He whiffed five.

Mouse Trombley wielded a big bat for the winners, slamming two home runs and a single in five chances. Guatto, George Williamson and Wilson each connected for two hits in five tries for Chrysler.

## STERLING PRODUCTS A.B.T. TRIUMPH

Sterling Products won its first game of the season in the Bankers Softball League, defeating the luckless Banks 14-11, at Mitchell Park last night. The Banks started out in a run-scoring mood by scoring nine runs in the first inning, one of the biggest sprees they have ever gone on, but Sterling kept hammering away at Ken Kersey's offerings to score four runs in the third inning and four more in the fifth, and another four in the sixth off Whitey Cummings. Ted Dwelska started on the mound for the winners but was relieved by brother Don in the third inning when he suddenly lost control.

Alpha Beta Theta Fraternity also broke into the win column for the first time in the Bankers League by sending the heretofore unbeaten Maroons to an 11-7 defeat, at King Edward School. A. B. T. pounded Jack Lumb for 11 hits, including homeruns by Dawson and Lee. The Maroons also gave an erratic display in the field and had seven errors charged against them. Lee held the Maroons well in check except for the fourth inning, when they scored five runs. Newitt and Dawson had three hits apiece for A. B. T.

Windsor Gas, with Jimmy Hogan pitching two-hit ball, won a close game from Ottawa A. C. by a 5-4 score, at King George School, in the third Bankers League game played last night. It was the fourth victory of the season for the Gasmen against one defeat. The Ottawans were unable to do much with Hogan and 13 were retired via the strikeout route.

# Dawson Douses Firemen's Smoke

Norm Dawson's aggravating style of pitching was too much for Firemen last night in their Civic Softball League game with Board of Education, at Huron Diamond. Dawson took plenty of time between pitches, and got the Smoke-eaters impatient and held them to four hits while his mates pounded out 14 for a 13-3 win. Ten errors didn't help the Firemen any, either.

Stars at bat were Fletcher and Tuck of Board of Education and Glen Dawson of Fire Department. Fletcher hit a homerun, double and two singles. Tuck hit three singles and Dawson hit two singles.

# Thompson Star Of Smith Win

Smith Cleaners moved half a game in front of the field in the Bankers Softball League last night by outscoring Chrysler 11-5 at Stodgell Park for their third win in three starts. Features were the all-round play of Jack Thompson, Smith, and the hitting of Lloyd Brooker, Chrysler.

Thompson poled out two homeruns, the first with two men aboard and second a terrific clout with the bases empty, and played a bang-up game at third base. He also got a single in four times at bat. Brooker also slugged two homeruns, in successive trips to the plate. Only other loser to connect twice was Leo Fitzpatrick, with two singles in three chances. Only young Abby Bullard, playing his first Bankers League game, failed to get at least one hit for the Cleaners. Bob Stinchcombe drove in three runs.

Making his debut in the Bankers' League, Cliff Head pitched steady ball and received snappy support.

## Girls, Men In Benefit Softball

WINDSOR'S first Saturday night softball game of the current season will be played tomorrow, at Kennedy Stadium, and it should be a classic—of sorts. Opposing teams will be Silverwoods, of the Girls' Division of the Detroit Softball Association, and a team of local insurance men. Proceeds will go to the Sightseeing Clinic of Windsor Lions Club.

The affair will begin at 8 o'clock.

# With the Tuxis Leaguers

Optimists defeated Westminster 15-10 in the feature of last night's five-game Tuxis Softball League program. They met at Kennedy Collegiate. Broderick was the winning pitcher, but he was fortunate. He was hit hard in the four innings he worked. Nebbitt, his successor, was good, allowing just one hit. McMahon and McArthur each hit safely three times in four tries for Optimists, and each hit a homerun. Cutting also homered for the winners. Scott and Holden each had two singles in four to lead Westminster.

All Saints smothered Giles Christian 17-1, at Patterson Collegiate. Dunlop banged out a homerun, triple and single in four times at bat to lead a 15-hit attack by the winners. Raymond and E. Carter also homered. The losers got only three safeties off Walker, no more than one to any one batter. Walker did not walk a single man.

St. Marks went on two six-run sprees to Wallop Walker Road 12-4 at Wilson Park. Trailing 3-0 going into the last half of the fourth inning, St. Marks scored their first half-dozen in that session and added another half-dozen in the fifth before Walker Road recovered from the shock. Boris, who went five and two-thirds innings, was the losing pitcher. Powers and Fox each hit two singles in three tries to lead St. Marks at the plate. Walker Road got only three hits, divided among as many players. Nine

of the losers struck out. Chappell of St. Marks and T. Gelnas of Walker Road hit for the circuit.

Sacred Heart resumed its winning ways with a 17-6 defeat of Central United at Jackson Park. The champions made 12 hits, including a homerun by Tommy Brannagan and three singles in three attempts by Joe Lesky. They went on an eight-run rampage in the very first inning to drive Langdon to cover. Meanwhile Central collected only five hits, all singles, and no more than one to any player.

## Webster-Labadie, Wilkinsons Score

Webster Brothers-Labadie thumped C. H. Smith 22-8 and George H. Wilkinson defeated Calhouns 12-8 in Merchants League softball games.

Webster-Labadie made 30 hits off Plevin. Smiths made 14 off Kipper and Cross. Lawrence and Kipper hit homeruns for the winners.

Wilkinsons outhit Calhouns 16-11. Each team made five errors. Wyzinski pitched for Wilkinsons, and struck out 10 men. Dennis was Calhouns' hurler. Gough of Calhouns and Wyzinski homered.

# Bridge Finds Bendix Easy

Canadian Bridge easily defeated Bendix in another wild Industrial League softball game last night, at Vocational School. The score was 24 to 9. Canadian Bridge made 20 hits, including two homeruns and eight doubles. Pooch Bucheski banged out one of the homers, one of the doubles and a single in five official tries. Bobby Neskas hit two doubles and three singles in seven. Pete Laliberty hit the other homer.

The game was a disastrous debut for young Jack Heydon, who was playing his first game for Bendix. Largely responsible for the fact that the now defunct Parke Davis club won the championship of one of the league's groups last year, Heydon was scored on six times in the very first inning.

# ROUND-TRIP BLOWS DECIDE BOTH GAMES

## Silverwoods Lose, 3-1, But Walkers Click Behind Bolter

Something decidedly out of the ordinary occurred at last night's international softball doubleheader at Kennedy Stadium. One game was won 3-1 and the other 3-0, and in both cases all of the winning team's tallies were accounted for by homeruns.

### CO-EDS WIN AGAIN

In the first game, a Girls Division tilt of the Detroit Softball Association, Windsor Silverwoods dropped a 3-1 verdict to their jinx team, the undefeated Detroit Co-Eds, when Pitcher Miller hit for the circuit with the bases empty in the second inning and Stefani connected in like style with one aboard in the sixth.

### HUDSON BLASTS ONE

Household batters hit only two balls to the outfield as the local Hiram Walkers team gave the cross-river outfit a 3-0 beating in a Detroit Softball Association Major League fixture. Fred Bolter was Walkers' pitcher, and he had a no-hit game until the fifth frame. He allowed only one other hit, and that did not come until the ninth. One of the balls hit to the outfield was caught, the other muffed.

Swirski was a worthy opponent for Bolter except that he twice made the mistake of pitching a homerun ball. As it was, he lost the game as early as the first inning, when Bill Hudson slammed one for four bases to deep centre, Jack Ward smacked the other homer, following a walk to Jack Smith.

# G. M. Pushover SOFTBALL For Walkerside

Biggest rout to date in the Windsor Industrial Softball League this year came last night when General Motors stepped out on King George diamond to try conclusions with Walkerside Dairy. Walkerside won 22-1, pounding the offerings of Bill Tidman, Bill Moffat, Tidman again and LaBute from start to finish.

All but one of the winners made two hits apiece, Bruce Long leading the parade with a homerun, double and single in five chances. Meanwhile G. M. got but three hits off Dumeah, a double by Schwab and singles by Tidman and LaBute.

Walkerside margin would have been still greater had not Youngston made a fine catch to rob Reddick of a homer and darkness halted the slaughter after seven innings. Walkerside had just scored eight times in their half of the seventh.

# CHRYSLER IN FIRST LOSS

## LITTLE, MELOCHE GIVE KELSEY UPSET WIN

In direct contrast to the usual custom, which sees pitchers knocked out of the box on their first start following a no-hit game, Earl Meloche last night pitched Kelsey Wheel to a fine 10-8 win over Chrysler, in Industrial League softball. It was Chrysler's first defeat of the season, four games having been won.

Though he pitched well, Meloche was not the hero of the contest. That honor fell to Bill Little, who was substituted in right-field midway through the game. He pounded out a homerun with one man on base and two out in the last half of the last inning to break an 8-8 tie that had existed since the first of the fifth.

Lefty Trudell hit a homerun for Chrysler and a single in his five tries to the plate. Only Doug Sabine, with two doubles in five tries, connected more than once for the winners, who were out-hit 10-7.

Leo Lamoureux had the misfortune to be the losing pitcher, although he did fine relief work after relieving Thorne after three frames.

# Costigan Stars In C.I.L. Win

Bill Cullen got off to a wobbly start out once he settled down Chemsals went on to an easy 15-4 win over the fast-fading Auto Specialties outfit in their Industrial Softball League fixture at Auto Specialties diamond last night.

Ted Costigan went on a one-man batting spree to lead an 18-hit C.I.L. attack by poling out a homerun, double and three singles in five chances. Ralph Cudmore had a double and three singles in six and Tom Paterson a homerun. Besides starring with the bat, Costigan also looked good on defense, with some nice plays at second base.

Only John Saidai, with two one-baggers in four tries, connected more than once for Specialties, who underwent their third straight loss after starting the campaign with four wins.

Cullen struck out 10 men, walked four.

# L. A. Young Edges Out Products Club

Motor Products bowed to L. A. Young in softball last night, losing 8-6 in an Industrial League fixture at Shore Acres.

The teams totalled 28 hits. Boots Gibbs got three singles in four times at bat for Youngs and Merv Cady three singles in five. Jack McCann had a big night with the stick for Products, with a single, double and triple in five, and Bernard Farron had three singles in five.

Neither starting pitcher finished. Blair lasted just three innings for Youngs and Bondy of Products was derrickd after six and one-third.

# Girls Rout Men, 19-4 GOOD START TELLS TALE SPECIALTIES DEFEAT G. M.

Practice makes perfect, 'tis said. Windsor Silverwoods weren't perfect in their benefit softball game at Kennedy on Saturday night, but having been in action steadily for several summers they were far too good for a squad of local London Life insurance-men who had not played the game seriously for years. The girls won 19 to 4. The men made 16 errors.

Three London Life men tried pitching and were combed for 18 hits, including a double and three singles by Hales in six attempts. Winnie Furlonger held the men to 10, including two doubles and a single in four tries by Gould and a double and single in two by Hartford. Nine men struck out, but only two girls went down that way.

Proceeds went to the Sightseeing Clinic of Windsor Lions Club.

L. A. Young softballers got off to a good start against Canadian Bridge on the Bridge diamond last night and it carried them through to an 11-7 Industrial League victory.

Merv Cady, with a double and homerun in two official trips to the plate, and Slim Patrick, with a homerun and two singles in four, led the winners' attack. Coke Maisonville, with a homer and single in three, and George Chapman, with a single and two doubles in four, were best for the Bridge.

Rhibany, Bridge hurler, issued 10 bases on balls in addition to allowing 12 hits in the seven innings played before rain ended the affair.

Auto Specialties' Industrial Softball League team snapped its string of losses at three games yesterday by outscoring the hapless General Motors team 12-7 at Auto Specialties Diamond.

A big fourth inning in which they scored seven times on two singles, a double, a triple, a homerun, two bases on balls and a fielder's choice furnished Specialties with the tallies that settled the game but the Motors were never really in the picture. Specialties had completed their scoring before the opposition finally escaped a white-washing.

Despite the defeat, the G.M. crew played one of its best games of the season, a highlight being a snappy double play, Desjarlais to Dafeo to Trojand.

Specialties' George Williamson was the game's offensive star, with a double, three singles and a walk in five journeys to the plate.

# Taylor Shows Fine Hurling

Chemsals trimmed Kelsey Wheel 12-3 in Industrial League softball last night behind fine pitching by Stan Taylor. Taylor had a shutout until the ninth inning, when the Wheelmen put together four of their eight hits, including homeruns by Bob Butterfield and Doug Sabine. Butterfield also got one of the earlier hits, a single.

Ed Morneau and Johnny Wilson got two hits apiece to lead the winners at the plate. Tom Paterson and Charley Morgan homered.

# Chryslers Triumph

Ed Saby marked up his first bankers League victory last night, pitching Chryslers to an 8-2 decision over Maroons, on the Vocational School softball diamond. The contest was called at the end of the fifth inning on account of darkness.

Chryslers scored their runs in the second, third and fifth frames, combining timely hitting and taking advantage of seven Maroon errors. The Maroons made seven hits off Saby, against eight made by Chryslers off Johnny Wallace, but left 11 men stranded. Jimmy Morrow hit a home-run for the losers.

# Unique Win By Lodgemen

The Bankers Softball League supplied one for the book last night. In a game between Moose Lodge and Ottawa A.C., at Dugal diamond, Tom Dowdell pitched no-hit ball for the Ottawans for five innings. Then he blew sky-high. He walked three men, an error was made and Walter Stanko and Mouse Trombley hit home runs. Seven runs scored during the inning and Moose won the game 7 to 6.

Dowdell had a 3-0 lead going into the last of the sixth. His mates almost pulled the game out of the fire for him in the final frame, with a three-run rally, but could not quite manage it.

Trombley pitched nice ball for Moose, although he was feeling ill.

Lefty Garnett hit a home run and triple for the losers.

# 13 Runs In First Frame

A 13-run assault in the first inning was too much for Banks and A. K. O. chalked up a 19-4 victory, for their third Bankers' League win of the season at Mitchell Park last night. McMillan started on the mound for Banks but was unable to get an A. K. O. player out in the big first inning and was relieved by Jim Wood, who held last year's champions to six runs and five hits during the remaining six innings.

George McKay and Jack Heydon hit home runs for the winners, while Price hit one for the Banks.

Walkerside and Kelsey Wheel totalled 26 runs and 25 hits in their Industrial League softball tilt at King George School last night, with Walkerside finishing on top, 16-10.

Although the Walkerside team committed three errors, it gave its Pitchers Dumcah and Ferris good support, with Jim Stewart particularly good.

Butterfield hit a homerun for Kelsey Wheel.

Optimists beat Central United in a close Tuxis Softball League game at Prince Edward School last night. The score was 4-3, the losers getting only five hits and the winners even less, three. Batting leaders were Green, for Central, with a homerun and single in four trips to the plate and Reid, for Optimists, with two singles in three. Langdon and Nebbitt, the starting pitchers, each allowed two hits in three innings.

# A. B. T. Gives Gas Good Run

Chuck Lee and his Alpha Beta Theta team-mates lost a heart-breaking game to the strong Windsor Gas outfit in Bankers League softball last night, at King Edward School. Lee allowed the Gasmen just five hits while his side was making six, but one of the five happened to be a homerun by Playing-Manager Red Curren with two men on the paths. The final score was 3-1.

Circuit blows accounted for all the runs when Lee also connected for one of the Gasmen's Uly Roy. The young lefthander pitched nice ball, especially in tight spots in the sixth and seventh innings.

Only Archie Malott, with two singles in three times at bat, hit safely more than once for the Gas. Lossing had a single and double in three and McKie two singles in three for A. B. T.

# Thriller To Products

Gordon Pegler's up-and-coming Motor Products outfit handed the vaunted Chrysler entry its second straight defeat last night in Industrial League softball at King Edward School. A Merriwell finish did the trick, the Products scoring six runs in the last half of the last inning after being baffled by Leo Lamoureux's splendid hurling up to that point.

Wright walked to start the winning rally. Sapergo moved him to second with a single and both scored when Brooks was safe on Langlois' error. Brooks stole second. McCann flied to centre, but Clarke doubled to score Brooks. Clarke went to second on a passed ball, but Penaluna popped to second. Dowdell singled Clarke home, then stole second, from where he tallied on a double by Vachon. A minute later Vachon doubled home with the winning run when Farron also hit for two bases, the game's 11th double.

Clarke hit two doubles and a single in five tries for the winners, and LePaige and Grassi each hit two doubles for Chrysler.

# SPECIALTIES WIN IN 10

Again on the victory road, Auto Specialties put on a stirring five-run 10th-inning rally last night to out-score the champion Chemsals 10-5 for their second successive win. The game was played at Auto Specialties diamond.

All five runs in the big inning came after two men were out. Wilson opened the frame by walking and Sadai singled, but King flied out and J. Hood struck out. Clarke bunted a single to load the bases, then Playing-manager Ray Urbanski slapped out a double to score Wilson and Sadai. W. Hood walked to fill the bases again. Guatto singled in Clarke and Urbanski. Guatto stole second, and while Chemsals were making a play on him W. Hood stole home. G. Williamson ended the inning by becoming Bill Cullen's 10th strikeout victim. Chuck King then blanked Chemsals for the seventh successive frame.

Tom Paterson, Zig Doran and Johnny Wilson each had two hits for Chemsals, one of Paterson's being the game's only homer. Playing-manager Urbanski set his team a fine example with a double and three singles in six tries.

# Bendix Cashes In On Errors

Ten errors by Kelsey Wheel paved the way for a 12-9 win for Bendix in Industrial League softball at King George School last night. Bendix closed with a rush to score 11 times in their last four turns at bat after being down 8-1 at the game's halfway point.

Bruner hit a homerun for the losers and Spencer would have had one for the winners had he not fallen rounding first base. As it was, he reached third.

Heydon and Keenan each hit a pair of singles in three times at bat for Bendix to lead the hitters. Kelsey Wheel 014 030 010—9 7 10

# Score On Dot Ellis

## BUT WINDSOR LASSIE WINS COMFORTABLY

After starting her career in organized softball by pitching two shutouts, Dorothy Ellis was finally scored on last night, as she and her fellow-Windsor Silverwoods took on Carl G. Hall Club, formerly Holzbaughs, at Mack Park, Detroit. However, Dorothy was reached for just one run and three hits, Silverwoods winning 6 to 1 to strengthen their hold on second place in the Girls' Division of the Detroit Softball Association.

The run off Ellis came in the second inning but her team had already sewed up the game by that time, pushing over five runs in the opening session.

Ellis walked only one opponent, struck out six. A single by Nellie Green, a Windsor girl who pitched for Carl G. Hall, drove in Askew with the Detroit run after the latter had tripled for the game's only extra-base hit.

Green permitted only eight hits and one walk but four of the hits were mixed with four errors and a pass in the disastrous first inning.

Stella Krol, Windsor shortstop, was the only player on either side to hit more than once. She made two singles in three tries.

# New High For G.M. Ball Club

General Motors played far and away its best game of the season last night to beat the strong L. A. Young team in their Industrial Softball League fixture at Vocational School. The score was 6-2. Bill Moffat hurling four-hit ball for G. M. and issuing only two bases on balls. Only extra-base blow was Percy Logan's triple. A three-base error by Walt Desjarlais gave Youngs their first run; the second was earned.

G. M. made only nine hits but bunched them. Furthermore, four of them were doubles. Jack Blair relieved Larocque in the fifth as the Young moundsman, after the latter had allowed six hits and walked four men.

George Proulx banged out two doubles in four times at bat for the winners. Bill Tidman had a double and two singles in five and Moffat two singles in four. Logan had half his team's hits, getting a single in addition to his triple in four tries.

# Nolan Star As Bridgemen Win

With swaggering Buzz Nolan in the role of star, Canadian Bridge trimmed Walkerside 12-6 at Canadian Bridge Park last night. It was only the second defeat for the Dairymen in the 1938 Industrial Softball League campaign.

Nolan allowed only six hits, no more than one to any one man, and the opposition could not get him out when he was at the plate. He smacked a triple, double and two singles.

The Bridgemen needed just three innings to knock Dumeah, Walkerside's ace hurler, out of the box. They scored on him 10 times in those three sessions. George Ferris came in to pitch fine relief ball.

Reddick made several good stops for Walkerside at third base.

# Sterling Products Nip Maroons, 6-5

After a loosely played first inning by both teams, Ted Dwelska bested Jimmy Morrow in a pitching duel at Wilson Park last night and Sterling Products won a close 6-5 decision from Maroons in a Bankers League game.

Before Dwelska could settle down in the first inning, Maroons scored four runs, the result of two walks, two in-field errors and Nutson's double. Bayer came right back to score all their runs in their half, Jeff Hillier hitting for the circuit with two on and Ted Dwelska getting a triple with three aboard. Dwelska and Morrow settled down from then on, the former fanning 10 batter; and Morrow eight.

Maroons threatened in the seventh when Hicks and Kelly walked, and Nutson singled, but Hicks was thrown out at the plate trying to score. Kelly scored while Fiddes was being put out at first, but Nutson was left on third when South rolled out to Beckerson.

# Gasmen Defeated In Hectic Battle

Smith Cleaners chalked up their fourth Bankers Softball League victory in as many attempts last night by nosing out Windsor Gas 5-4 in a hectic game at Stodgell Park. Catcher Nick Fidruzny smartly tagged out two Gas runners at the plate in the last half of the final frame, both of them sliding in with what would have been the tying run. The first was flagged on a perfect throw by George Weese from deep right-centre and the other by Pete Bullard after he retrieved his own error at deep short. It was the fourth miscue of the game for the usually brilliant little shortstop. But for errors, Eugene Roussel just possibly might have had a shutout.

Clarence Drouillard led the hitters with a mighty homerun and a double for the winners.

Pitcher Jim Hogan of Gas was chased from the game in the seventh inning by Umpire Art Ray and Shortstop Em Mallott of the same team attacked Umpire Ray because Ray called out the Gas baserunner who was nipped at the plate to end the game.

## LONE RUN BY HEYDON ENOUGH FOR BOLTER

Fresh from helping A. K. O. to a 2-0 victory that put it atop the Windsor Bankers' League, Marc Wood and Harry Heydon teamed up to give Hiram Walkers of Windsor a 1-0 win over Rainbow Recreation of Detroit in Detroit Softball Association Major League competition last night, at Mack Park.

Wood and Heydon had just finished playing in Windsor. Wood was Walkers' leadoff batter in the first half of the first inning. He singled. Heydon was next up. He singled. Both advanced a base on a wild pitch. Wood was out at the plate on Joe Levine's grounder to short, but Heydon moved to third and Levine to second. Jack Smith popped a foul down first-base line for the second out, but Heydon scurried home after the catch and slid in safely. Those singles by Wood and Heydon were the only hits the Windsor team got all night, but the run they led to was all Pitcher Fred Bolter needed. He hurled four-hit, shutout ball.

# Great Win By A. K. O.

Alpha Kai Omega went into first place in the Bankers Softball League last night by nosing out Smith Cleaners in a great battle at Canadian Bridge Park. The score was 2-0, A.K.O. picking up single runs in the sixth and seventh innings after five had gone by without a tally.

Pete Bullard's line single to left centre in the sixth was the only hit off Bill Hudson but Hudson had little more than a shade on young Bob Stinchcombe. Chief difference was control, with the experienced Hudson showing marked ability to get the ball over the plate without throwing it in the groove. Hudson walked only one man and struck out only four. Stinchcombe walked six, struck out 11. Hudson also got steadier fielding support, with Harry Heydon making two spectacular catches of line drives labelled hits and Jack Heydon pulling down an apparent homer. Oddly, all three "robbery acts" were at the expense of George Weese.

A.K.O. got its first run on Pean Hadley's Texas League double, a wild pitch and George McKay's long fly to left centre. Hudson himself accounted for the other with a long homer to left.

Hadley got a single, double and base on balls in his four trips to the plate to set the pace for the A.K.O. batters in a hard-earned but well earned victory.

## Old Pals Stars Of C. I. L. Win

Stan Taylor and Stan Tranter, close friends of long standing, led Chemsals to an easy 19-4 victory over Motor Products last night in Industrial League softball.

Taylor was the winning pitcher, although he did not finish the game. Never in trouble, he gave way to Amlin after his team had piled up a big lead. Tranter was the game's batting star. He had his best night of the season, hitting two homeruns, each with two men on base, and a single in five official tries.

Ralph Cudmore also had a good night at bat for Chemsals at the C. I. L. outfit banged out 20 hits at the expense of John Sapergo and Ed. Wright. He hit two singles, a triple and a homer in six chances. Chuck Penaluna and Joe Dowdell each had a single and double in four tries for Motor Products.

## Young Beaten By Specialties

Auto Specialties defeated L. A. Young in a free-hitting Industrial Softball League game at Auto Specialties Diamond last night, 15-10.

Specialties pounded Boots Gibbs steadily and finally knocked him from the box after six and one-third innings in which they made 11 hits. Parker, Specialties starter, lasted four before Chuck King came in to do a fine relief job in which he struck out nine men. King and Ray Urbanski, also of Specialties, hit the only homeruns. Gibbs was the only player in the game to get more than two hits. He singled three times in five attempts.

# Good Victory For Bendix

Bendix got out of the cellar of the Industrial Softball League last night by upsetting Chrysler Painters, 9-4, at Vocational School. Bendix scored six times in the first inning and went along comfortably from there on behind fine pitching by Gerry Hughes. Hughes allowed 12 hits but kept them well scattered.

Hughes hit a homerun to aid his own cause but the big gun on attack was Pryke, who belted a homer and triple in two official trips to the plate for the same team. Grassi led Chryslers with a double and two singles in four tries. Mephan made a number of fine running catches as the Bendix leftfielder.

Leo Lamoureux pitched excellent relief ball after Chow Thorne had given up two hits and two bases on balls in just one-third inning.

Two of the five Tuxis Softball League games scheduled for last night were postponed because of the holiday. The rest of the card produced two really close contests and one soft one.

All Saints and the champion Sacred Heart team had to go 11 innings at Lanspeary Park before Sacred Heart won out 6-5. Walker of All Saints and Kennedy of Sacred Heart pitched all the way. Walker struck out 10 men, walked two; Kennedy struck out nine, walked four. But Kennedy allowed just six hits to nine off Walker.

# Softball Thriving

Ups and Downs of Sport  
in This Community  
Traced

By DOUG VAUGHAN

corner-lot pastime for a few it grew into a major sport. The crowds became so big that the corner-lot diamonds just wouldn't accommodate them. Ambitious sponsors saw that it was a money-maker and moved the game into enclosed parks.

For a few years softball rode the crest. The calibre of play improved by leaps and bounds, and Windsor became known throughout the province as a red-hot softball centre.

By this time softball was Big Business. And that is just where the trouble started. Players began peddling their wares to the highest bidder. Within a couple of years the cream of the talent was centred in one or two clubs. And once that had happened general interest in the game began to die out. The outcome of this game and that game was a foregone conclusion.

**C**OMPETITION is the key which will unlock the door to success for any sport. Fans will soon tire of watching a high-powered club play football with a foe that hasn't a chance. And that is what happened to softball in Windsor.

The rise of softball had been meteoric in its flight. And its slide down to near oblivion was equally as fast.

The only thing that kept the game from passing almost completely out of existence locally was the fact that the younger element was enjoying the sport on those old corner lots.

Softball is a recreational sport. A game to be enjoyed by factory and office-workers in the evening. Those are the fellows who are playing the game in Windsor today. And they are displaying their wares on the corner lots.

**T**HE Factory League, the Tuxis Boys League, the Bankers League and all the others are enjoying good seasons. The competition is spirited and the older players will tell you that they are having a lot more fun than they were a few years ago when softball was Big Business in this community.

Make a tour of the diamonds around the city any evening and you will soon be convinced that the sport is on the up-grade. And the interest of the fans and the enthusiasm of the competitors will continue just as long as high-pressure promoters stay away and not try to once again make Big Business out of a recreational sport.

# Chrysler Batters Shake Off Slump

Chryslers snapped out of a batting slump last night to pound out an 18-7 victory over Alpha Beta Theta, in a Bankers League game at Stodgell Park last night. The winners made 13 hits off Maitland and Chuck Lee, with Tommy Horsburgh leading the attack with a homerun, double and single. Basil Curley went the route for Chryslers and had only one bad inning, the seventh, when A. B. T. scored five runs. Ross Hewitt hit a homerun for the losers.

# New, Bigger Softball Loop

HIRAM WALKERS, Windsor senior men's softball team, branch out into a wider field tomorrow night. They play a team from Port Huron in the first game of a new league that has teams entered from Detroit, Ann Arbor, Mich., and Pontiac, Mich., in addition to Windsor and Port Huron. Tomorrow's game will be played here, under the Kennedy Stadium floodlights.

With cities so far apart represented, the new circuit is the most ambitious attempt yet made by Windsor and Detroit softballers.

# LAMOUREUX LOSES TOUGH SOFTBALL GAME TO CHEMSALS

## CHRYSLERS GO DOWN 4-3 AT SHORE ACRES

Winners Hitless Until Sixth, Get But Four Safeties All Told

Leo Lamoureux pitched hitless ball against the champion Chemsals for five innings last night at Shore Acres and allowed only four hits altogether, but he and his fellow Chrysler Painters lost the game, 4-3.

### BUNCH THREE OF THEM

Chemsals put together three of their safeties for a game-winning uprising. After getting an unearned run in the fourth frame, Chemsals won out in the sixth by counting three times on a base on balls to Pitcher Bill Cullen, two flies, singles by Ed Morneau and Stan Tranter and a triple by Tom Paterson.

Lefty Trudell banged out a triple and two singles in five attempts to lead a 10-hit attack on Cullen. None of the winners got more than a single. The fourth hit went to Ted Coetigan. Each pitcher walked but two men. Lamoureux struck out three and Cullen five.

Chryslers pulled two fast double plays, Trudell to King and Lamoureux to King, while Doran and Tranter of Chemsals and Trembley and Grassi of Chryslers made nice catches in the outfield.

Auto Specialties scored five times in the first inning, added six more markers after two men were out in the fourth and easily defeated L. A. Young, 16-5, in their Industrial Softball League game at Auto Specialties Diamond last night as Chuck King pitched another steady game.

King helped his own cause with a homerun with one man on base and John Sadai also hit for the circuit for the winners. In addition, Sadai hit two singles in his four tries, Guatto hit three singles in four.

Most ambitious softball schedule in the history of Windsor opens tonight when this city's Hiram Walkers play a Port Huron outfit in the inaugural game of a new senior men's circuit to be known as the Southeastern Michigan Softball League.

Other teams hail from Detroit, Pontiac and Ann Arbor, making Walkers the only non-Michigan entry. There are two teams each from Detroit and Pontiac. The Detroit outfits are Better-Made Potato Chips and Michigan Auto Club and those from Pontiac are Yellow Truck and Coach and The Big Six. The Port Huron team is known as Star Oil and the one from Ann Arbor is Dhu Varren Farms.

Tonight's game will be played at Kennedy Stadium here, beginning at 9 o'clock. It will be preceded by a girls' exhibition game between Windsor Silverwoods and a Detroit team, starting at 7:30.

Probable Walkers lineup: Bauer, 3b; Ward, lf; Weaver, cf; Hudson, rf; Bruggeman, scf; Heydon, ss; Wood, 2b; Smith, 1b; Levine, c, and Bolter, p.

# SOFTBALL NOTES

Executive and managers of the Windsor Bankers Softball League decided last night to drop the word "Bankers" from the title. Henceforth it will be the Windsor Softball League.

The organization was composed solely of teams composed of bank employes at its inception, but of late has grown so fast and taken in so much territory that it was felt a more appropriate name might be found. One bank team remains in the league, playing under the name Banks.

# Bridgemen Win

Pitcher Hebert of Canadian Bridge turned in his best performance of the season last night and his team beat Kelsey Wheel 8-3 in their Industrial Softball League fixture at Canadian Bridge Park. Hebert held the Wheelmen to four hits. He also helped his own cause at the plate by getting two singles in four chances.

Bob Niskas hit a double and single in four and Pete Tapak a homerun and single in five to pace the Bridge attack. Doug Sabine hit two singles in four for Kelsey Wheel.

# WALKERSIDE WHIPS G. M.

Walkerside Dairy scored five runs on seven hits and one base on balls in the first inning of its Industrial Softball League game with General Motors at King George School last night and went on to win out 13-4. Pitcher Dumeah of Walkersides was tiring at the end but good support saved him embarrassment.

Archie Stewart of Walkerside and Bill Tidman of G. M. each slapped out three hits in five attempts, with one of Tidman's a double. Schwab of General Motors hit the only homerun.

Jess Peltier, making his first start in the Industrial League, tired and lasted less than three innings. Les Green succeeded him and pitched nice relief ball but he went to the box too late to do the cause any good.

# With Tuxis Softballers

All People's slugged their way to their seventh victory in eight Tuxis Softball League starts last night, smothering Westminster 23-12 at Lanspeary Park. In other games, DeMolay, last-place team in League B, scored a mild upset by defeating Walker Road, 12-11, and Girls Christian set down Central United, 9-2.

Tony Golab led All People's attack with a home run and two doubles in five tries. Owad hit three singles in four. Phillips also homered. None of the Westminster swingers got more than one safety.

Three home runs were valuable factors in Giles Christian's defeat of Central United. Ostrander, Royan and Warner were the lads who hit for four bases. Eves hit safely three times in four tries for the losers and Gelinas and Barnes hit home runs. Between them the teams made 16 errors.

# Find Range In Late Innings

Bob Boycott's Maroons had Smith Cleaners worried for five innings of their Windsor Softball League game at Vocational school last evening but a heavy offensive in the last two frames gave the second-place team a 12-4 win.

Pat Ryall pitched nice ball to get credit for his first victory in the league, although he was lit in the sixth for Pinch-hitter Gene Roy who singled to tie the score at 4-4 and keep the winning rally going. Bob Stinchcombe finished and allowed only one hit in two frames. Johnny Wallace started like a house afire for Maroons but wound up with 11 hits, five bases on balls and 11 runs charged against him. He was yanked in the seventh.

Eric Gourlay of Maroons and Pete Bullard of Smith Cleaners hit home-runs with the bases empty and Joe Burns of the Cleaners lined out one with two men on bases. Cliff Head had a perfect day at bat for Smiths, with three singles and a walk. Gourlay and Freddy South each made two hits for Maroons.

# Young Detroit Team Beaten

Dorothy Ellis last night pitched the poorest game of her brief organized softball career, which began a few weeks ago, but at that it was good enough to give Windsor Silverwoods a 9-6 win over the Carl G. Hall team of Detroit. It was an exhibition game, at Kennedy Stadium.

Ellis allowed only six hits but they were bunched. However, she and her mates made nine and the earnest but inexperienced young Detroiters kicked in with nine errors to make the task of the veteran Windsor aggregation easier.

There was only one extra-base hit, a homerun by Bauer of Carl G. Hall. Ellis and June Richardson each connected twice in three tries for the winners, while Bauer and Pitcher Germaine had one safety in two attempts for the losers.

# Wilkinsons in 17-8 Win

Last night's game was a much closer one, with Bill Hudson and Mouse Trombley turning in good performances on the mound. Hudson allowed only three hits. Steve Dunn, for Moose, and Marc Wood, for the winners, each hit a home run.

# Ryals Jolt Titleholders

Hurons, defending titlists in Border Independent League softball, were given a rude jolt last night when Ryals, youthful new entry, outscored them 16-10 in a free-hitting affair at Wilson Park.

After both teams had started strongly, Hurons took an 8-5 lead in the first half of the sixth inning only to see Ryals tie it up in their half and sew it up in the seventh by way of an eight-run spree on five hits, including a homerun by Hodgins, and two bases on balls.

Hodgins had a perfect night with the stick, getting four hits in as many official tries. Cec Lowry had three in five for Hurons.

Score 9-8

Lefty Trudell banged a ninth-inning homerun to centerfield to save the game for Chrysler Painters last night when they played hosts to Canadian Bridge in Industrial League softball. Trudell's blow knotted the count at 8-8 and darkness prevented the affair going into overtime.

## TRUDELL, LANGLOIS STAR

Buz Nolan and Joe King, a pair of burball pitchers, waged a keen duel. At one time Nolan and his fellow-Bridgemen were enjoying a 7-2 advantage but Nolan weakened in the sixth and Chrysler scored four times. Feature of the rally was a homerun by Ernie Langlois.

Trudell hit a single in addition to his homerun in his five tries. Only other Chrysler batter to connect more than once was Bernard Codyre, with two singles in three. Pete Laliberte had two in three and Pete Tapak and Nolan each two in five for the Bridge. One of Tapak's hits was a double.

King walked four men, struck out five. Nolan walked seven, struck out eight.

## NINTH-INNING CLIMAX

General Motors noosed out Bendix 9-8 in an Industrial Softball League thriller at King George School last night. Each side scored four times in the ninth. It was easily the most exciting game either team had taken part in this year, nip and tuck all the way. A Bendix baserunner carrying what might have become his team's ninth marker, was caught stealing second base.

Bill Tidman hit a homer to give the G.M. outfit the first two runs of its winning rally. Scotty Warnock and Pitcher Leroy Dowdell also homered for G. M. LaBute had three hits in three times at bat, and Louis Bednarick lead Bendix with three in five.

## Wins Double One-hit Tilt

Imagine allowing one hit in nine innings, walking only three men, striking out 16, yet losing the ball game! That's what happened to Fred Bolter of Hiram Walkers as the Windsor team met Port Huron Star Oils at Kennedy Stadium here last night in the inaugural game of the new Southeastern Michigan Softball League.

Bolter and Thrombly, a Detroitier who was in the box for Port Huron, pitched almost identical ball. Each allowed only one hit, each issued three passes, Thrombly struck out 19 to Bolter's 16.

Monroe, first man in the first half of the first inning, scored the only run. He opened by drawing a pass, stole second, went to third on a passed ball and completed the circuit on an infield out.

Pitcher Thrombly and Walkers' Jack Ward got the hits. Thrombly's was a looping fly that fell between three Windsor players just behind second base in the eighth inning. Ward's was a good single that came in the second.

Bayer advanced into third place in the Windsor Softball League last night by defeating Windsor Gas, 6-4, before

the largest crowd of the season at Wilson Park. Although out-hit 10-7, and with Jimmy Hogan striking out 11 batsmen against six by Ted Dwelska, the Bayer team came through in the pinches with timely hits to score runs.

The Gas threatened in the sixth when Uly Roy hit a long homerun to rightfield with Fletcher on base, but Dwelska retired the side without further scoring.

# Wild Win For C. I. L.

With Bill Cullen under doctor's orders and Stan Taylor having to retire after one inning because of a bad shoulder, Stan Tranter turned pitcher last night and led Chemsals to a 20-10 victory over Motor Products in their Industrial League softball engagement at King Edward School.

Tranter allowed seven runs on 12, including one homer, one triple and five doubles. Taylor allowed only one hit and two walks. Bondy started for Products, gave up 15 runs in three and one-third innings by way of three homeruns, five doubles, three singles and four bases on balls. John Sapergo allowed three runs on a homerun, single and two bases on balls in two and two-thirds innings. Alex Clarke worked the last three innings, gave up only a double and three singles and was scored on only twice.

Tom Patterson clouted two homeruns and a double in five times at bat for the winners. Tranter and Ralph Cudmore each had one homer, a double and a single in six and Ed Morneau a double and two singles in five. For Motor Products, George Weese hit a single, double and triple in six, Clarke a triple and two singles in six and Sapergo a homerun.

# Youngs Stage Strong Finish

L. A. Young scored 10 times in the seventh and eighth innings to beat Walkerside Dairy 15-7 in their Industrial Softball League fixture at Vocational School last night.

Manager George Ferris both started and finished as the Walkerside pitcher. Dumeah was the Walkerside pitcher when Youngs went to bat in the seventh but, possibly tired as a result of pitching a lot lately, he lasted only two thirds of an inning. Ferris went back in the box. Twenty-two batters faced the pair in the two big innings.

Jack Shanahan pounded out a home run and double and drew three passes in six journeys to the plate for Youngs and Slim Patrick also homered. Shelley led an 11-hit Walkerside attack by connecting on three of five attempts.

# PACEY WINS 1938 DEBUT

Veteran Hank Pacey pitched his first league game of 1938 last evening. He is with the Standard Paint team in the Border Independent League this year and he made an impressive debut by holding East Windsor Auto Wreckers, a new entry, to seven hits. The Painters won, 13-3. It was their first start.

The game was called in the first half of the eighth inning when Umpire Ed Saby chased Dan Souchuk of the Wreckers out of the game. Souchuk's banishment left his team with only eight men.

Tom Kavanaugh had a big night at bat for the winners. He smacked out a home run, two doubles and a single in four attempts.

Cullen breezed in, five of the seven runs coming in the seventh and eighth innings after his team had taken a 12-2 lead. He was never in danger.

The heavy Chemals attack was led by Johnny Wilson, who hit three singles and a triple in five attempts. Ralph Cudmore hit a homerun and two singles in four and Tom Paterson also homered.

They were beaten by a similar score in a Southwestern Michigan League game with a Port Huron team here Tuesday.

Tuesday the Walker batters got one hit. Last night they were even less effective, going hitless. Schawak hit a long home run to deep left-field with one out in the last half of the last inning to inflict another defeat on Hard-luck Fred Sargent.

Murray, the no-hit pitcher, fanned 15 men, walked three.

Gene Roussel slid home on George Weese's grounder to second base to give Smith Cleaners an extra-inning victory over Maroons in their Windsor Softball League fixture at Canadian Bridge Park last night. Final score was 11-10.

It was Smiths' second win over Maroons this week and Johnny Wallace was again the losing pitcher, although this time he gave up but two bases on ball in two innings of relief work. Roussel pitched the last two innings for the Cleaners and yielded only a single and a pass.

Maroons had a big edge in hits, 15 to 8. Nutson had a double and three singles in five attempts, Alex Fiddes three singles in five and Jack Lumb a single and double in four. Bill Moffat had a triple and double in four tries for the winners and Clarence Drouillard two doubles in four.

# Contest Here With Tuxis Leaguers

Windsor's Hiram Walkers softballers are going to have their hands full these next few days. Tonight, at Kennedy Stadium here, they take on Detroit Bettermades, Sunday they go to Pontiac and Tuesday they play Joe Louis' Brown Bombers at Kennedy.

Tonight's game will be an unusual one. It will count in two different leagues. Walkers and Bettermades belong to both the Major League of the Detroit Softball Association and the new Southeastern Michigan League. A win in one tonight will automatically mean a win in the other. Popeye Novak is to pitch for Bettermades.

Tonight's tilt will be half of the customary doubleheader. Windsor Silverwoods and Briggs will furnish the other half, a girls' division game of the D.S.A. Briggs is a new entry.

The girls play first, starting at 7:30.

## Triple Play

Percy Trombley's young Moose Lodge softballers pulled a triple play last night in their Windsor League game with the fast-climbing Bayer team at Dugal Diamond, yet suffered another close defeat. The score was 6-4, with Bayer's two-run margin coming in the final frame.

Don Dewelska, besides pitching a fine game, led the Bayer attack, with two triples in two official times at bat. Joe Grondin hit three times in four for the same outfit.

Moose's triple killing was Kitts Trombley to Joe Perpich to Steve Dunn, second to short to first, on a line drive to second.

All People's won the big game of last night's Tuxis League softball card when they squeezed through to a last-inning, 6-5 victory over Sacred Heart at Patterson Collegiate. Joe Lesky hit three doubles in three times at bat for Sacred Heart, but his mates could do little against Atkinson's good pitching. Krol and Phillips each had two singles in four tries for All People's and Joe Rubinski hit a home run.

Optimists got an unexpected jolt when Giles Christian beat them, 8-4 at Jackson Park. Optimists are in first place in League A, whereas Giles is still several games behind them. Pitcher Green held Optimists to seven hits and helped his own cause with a home run and single in four times at bat, the only man on his team to connect more than once. Reid had a triple and single in three tries and Cutting two singles in four for Optimists.

All Saints trimmed Central United 13-6 on Jackson Park's No. 3 diamond. Beattie hit three singles in three time at bat for Central, but the best any of his mates could do was one single. Russell hit a home run and single in three attempts for All Saints and Raymond two singles in four. Upham also homered.

Westminster defeated Walker Road in a free-scoring affair at Kennedy Collegiate, 17-12. Westminster made 12 hits, four errors; Walker Road made eight hits, three errors. Gyles and Turner pitched for the winners and Cross caught; B. Ross and Borys pitched for Walker Road and Whalley and B. Ross caught.

# One-Hitter By Farmer

Jimmy Farmer made his debut as a starting pitcher in the Windsor Softball League last night at Mitchell Park and pitched Banks to their first victory of the year, holding Ottawa A. C. to one scratch hit, for a 5-1 win.

Farmer took complete charge of the game from the start and received good support from his team-mates. He struck out 14 batters and hit the only home run of the game, in the fourth inning, with Lanspeary on base.

Ottawa A. C. scored their only run in the first inning on a walk, two passed balls and a wild throw to first base by Elmer Bauer.

# A.B.T. DROPS TOUGH ONE

Chryslers scored a close 10-9 victory over Alpha Beta Theta at King Edward School last night, in a contest which saw A. B. T. have the tying run on third base when the final put-out was made.

Chuck Lee and Basil Curley were the starting pitchers, with the former going the distance. Curley was forced to retire in the fourth inning, when he was injured sliding into second base. Thorne relieved Curley, but was wild and A. B. T. scored four runs off him in both the 5th and 6th innings.

# No Doubt About This

Wednesday the Chrysler and Canadian Bridge teams of the Windsor Industrial Softball League played to an 8-8 tie in a nip-and-tuck contest. Last night they played off that tie, at Chrysler Diamond, but there was nothing nip-and-tuck about the re-play. Chrysler emerged with a 22-6 victory.

The Bridge showed bad pitching and bad field and Leo Lamoureux coasted in as the Chrysler flinger. Big inning was the seventh, in which Chrysler counted eight times on a triple, three doubles, three singles, a bases on balls and three errors. Thirteen men faced Pitcher Rhibany in that session.

Joe King had four hits in six times at bat for Chrysler and Pooch Bucheski of Bridge and Mouse Trembley of Chrysler hit homeruns. Chrysler's Lefty Trudell contributed a great running catch in the outfield.

# Rathwells Hit Stride

Looking more like a team that has a championship to defend, the title-holding Rathwells of the Border Independent Softball League chalked up an 8-4 victory over East Windsor Auto Wreckers at Huron diamond last night.

Jack Dawson did the Rathwell pitching and did a nice job. He allowed 10 hits but kept them scattered, and he walked only four men. He struck out nine, Johnny King his opponent, walked three and fanned only two.

Fred Anderson, new to the Rathwell club this year, had a big night at the plate with a homerun and two doubles in four trips. Feet Taylor had a triple and single in four and Geordie Raisback a double and single in four. Pitcher King poled out a double and single in five attempts to lead the losers.

Fielding features were the good play of Red McCall at shortstop for the Wreckers and a fine running catch by Anderson.

# They Bear Westminster's Standard in Tuxis Softball

ONE team has dropped out, but nine still remain in the Windsor Tuxis Softball League. These lads play with the Westminster United Church club, which at present is tied for second place in League B. Left to right, they are Laurie

Holden, Lewis Gyles, Bob Turner, Charles Dakin, Ed Waterman and Max Sheppard. Sheppard played rugby football and basketball for University of Western Ontario at London during the school year which has just come to a close.

# Chrysler Wins Under Protest

Chow Thorne made his first start in the Windsor Softball League last night and pitched Chrysler to a 2-1 win over Bayer, at Stogell Park, but the game was played under protest, Bayer charging Thorne was ineligible. Harold Bullard and Cy Crossley, both of Chrysler, were the hitting stars, with two apiece.

# Kelsey Wins

Motor Products dropped another Industrial Softball League game last night when outscored 13-8 by Kelsey Wheel at King George School.

Paul Laferet pitched five-hit ball while he and his mates were cashing in on nine safeties and five errors. Adams led the winners' offensive with a homerun, double and two singles in five tries.

# Bendix Given 15-4 Thumping

Auto Specialties thumped Bendix 15-4 in their Industrial League softball fixture at Vocational School last night. Louis Bednarick was reached for 16 hits and eight bases on balls. Five errors did not help him any, either.

Bednarick was better as a batter than as a pitcher, connecting safely on three of his four trips to the plate. Jim Kennan doubled and singled in four. The Bendix team on the whole, however, experienced more than a little difficulty with the deliveries of Bill Parker. It made eight hits, but Parker never allowed more than one run in any one inning.

Bill Hood's double and three singles in six tries topped the Specialties' hit column. Bert Foot and Clark each hit three for six.

Clark and Charley Mephan supplied the fielding features.

## MENOZZI OF RAINBOW HITS HOMERUN

Instead of playing Detroit Better-Mades in a double-value game, Hiram Walkers met the cross-river Rainbow Recreation softballers under the Kennedy Stadium floodlights last night—and underwent another one-run defeat. The total count was 2-1.

Two mechanical errors, by Catcher Joe Levine and Pitcher Fred Bolter, and one mental miscue, by the Walker infield, gave the Detroiters a run in the first inning, but matters were evened in the second when Jack Smith scored after he should have been retired stealing second base. He was called out but Short-centrefielder Marchone dropped the ball after tagging him.

There was one earned run. Menozzi hit to deep left for a homer in the third.

## HOMER GIVES CHISOX AN EVEN BREAK

CHICAGO, June 20.—Young Jim Bagby's seven hit pitching, combined with 14-hit support, gave Boston Red Sox a 6-1 victory in the nightcap of a double bill with Chicago Sunday after the Red Sox had lost the opener 3-2 as Gerald Walker smashed a two-run homer and his teammates sparkled on defense.

Five fast double plays and Monty Stratton's fine relief hurling helped the White Sox snap a five game losing streak and break Boston's winning streak of similar length. Jimmy Foss had four singles and a walk in five trips to the plate in the nightcap.

# BOLTER HAS WORST DAY

PONTIAC, Mich., June 20.—Fred Bolter of the Windsor, Ont., Hiram Walkers senior men's softball team pitched his poorest game of the year here yesterday and Pontiac Yellow Truck and Coach won an easy 7-0 Southeastern Michigan League victory.

Bolter walked the first three men to face him and eventually was yanked with one man out in the fourth after allowing five hits Clarence Bruggeman, who has never been a member of a pitching staff with any organized softball team, finished and did not do badly.

Walkers hit the ball hard but usually straight at somebody, with the result they got only two safeties. Bruggeman got a double and Bill Hudson a single.

Fuhrman and Clark of Pontiac hit homeruns.

# High School Athletic Star Finds New Sport

THE fact that school is out for the summer and his days as a rugby football, basketball and track and field star at Kennedy Collegiate are over, does not mean that Tony Golab becomes merely a spectator at sport-

ing events. The husky youngster, shown here (right) with Teammate Joe Rubinski, does a fair job of softballing for All People in the Tuxis League, for boys 20 years of age and under. Golab also plays sandlot baseball.

# Fine Win By Motor Products

Motor Products achieved a fine victory in softball last night, defeating the strong Auto Specialties outfit 7-6 in their Industrial League fixture at Auto Specialties diamond. Alex Clark pitched fine ball, while Jack McCann, with two doubles in five tries, and Joe Dowdell, with one double and two singles in five, were leading a 13-hit attack on Specialties' Chuck King. Bill Hood hit a double and two singles in five attempts for Auto Specialties and John Sadai homered.

## SOFTBALL NOTES

Joe Louis' Brown Bombers hope to chalk up a victory that will be an omen for their sponsor when they meet Hiram Walkers in tonight's exhibition softball game at Kennedy Stadium. They hope to trounce Walkers just as thoroughly as they expect Louis to trounce Max Schmeling tomorrow night.

In the opening game, starting at 7:30, Windsor Silverwood girls will take on Hamtramck Chicks.

This is an important week for the Windsor Industrial League. The league's annual benefit doubleheader at Kennedy Stadium is to take place next Monday and the first two teams in each group at the end of this week, will be the ones to play.

The teams in Fred Dobney's loop consider it a great honor to participate in the benefit bill, and with a number of important games on the week's card a lot of excitement is in prospect between now and Friday night.

# Exciting Win Chryslers Smack Out 22 Safeties

Andy Stanko's single with the bases loaded in the last half of the last inning gave Moose Lodge an exciting 5-4 victory over Maroons in a Windsor Softball League game at Dugal Diamond last night. Manager Percy Trembley and Catcher Vince Dunn of Moose were chased. Hitting stars were Freddy South, with a triple and double in four times at bat for Maroons, and Kitts Trembley, with two singles in four for Moose.

## Banks Team Wins

Alpha Beta Theta gave Banks a creditable argument at King Edward School last night in Windsor League softball but went under, 10-7. Jim Farmer of Banks was the game's leading hitter, with a triple and double in three tries. Only Giles, with two singles in four, connected more than once for A.B.T., but Jack Dawson and Chuck Lee hit doubles.

Maitland pitched all the way for A.B.T. against Whitey Cummings and Farmer, who relieved Cummings in the sixth.

Chryslers gave Walkerside Dairy and its self-assured Pitcher Dumeah a real going-over last night in their Industrial Softball League tilt at King George School. Chryslers scored eight times in the first inning and coasted to a 13-9 win in which they made 22 hits. Dumeah did not strike out or walk a man, the Chrysler players being too busy hitting. Everyone in the winning lineup connected at least once, with Lefty Trudell setting the pace by smacking four singles in five tries and Grassi hitting a homerun. Roy Brisco homered for Walkerside and Jim Stewart had a perfect day with three singles and a double.

# G. M. Jolts Specialties

General Motors upset Canadian Bridge in Industrial Softball League play last night, beating the vaunted Bridgemen 13-9 on their own diamond. Bill Tidman pitched runless and hitless relief ball for G. M. after replacing Bill Moffat with one man out in the eighth, when the latter showed signs of tiring after pitching nicely up to that point. Eleven of the winners' runs and 14 of their hits were made off Hebert in six innings.

Gibson banged out two homeruns and two singles in five attempts to pace the Motors at the plate and Playing-manager George Proulx also homered. George Chapman, Al Kirby and Coke Maisonville each hit safely on three of five attempts for the Bridge.

Thirteen hits and some sloppy fielding by the opposition made Alpha Kai Omega's task surprisingly easy in its Windsor Softball League game with Smith Cleaners at Mitchell Park last night, the fraternity outfit winning, 14-3.

Included in the winners' 13 safeties were home-runs by Pean Hadley, Jack Heydon, Bill Hudson, Marc Wood and Jack Peck. Hudson's opening with the bases loaded, Peck had a single and double in addition to the homer in his four tries.

With seven hits, the Cleaners did better against Hudson than any team has done this year, but the A.K.O. Hanger was never in danger. Big blow off Hudson was a healthy home-run by Al Kirby with one man on base.

Bob Stinchcombe, Smiths' starting pitcher, left the game after three innings because of a sore arm.

## Wreckers Win

Ryals opened like world-beaters in their Border Independent Softball League game with East Windsor Auto Wreckers last night, at Wilson Park, but passed from the picture when the Wreckers scored seven times in the last two innings. The final score was 13-0.

Three Ryal players hit homeruns in the first inning and the team totalled four altogether during the game, one each by Hillier, Hodgins, Cox and Powers.

Chappel's two singles in four tries gave him the best batting average for Ryals, while Zaiba and G. Souchuk each had a double and two singles in five for the winners.

## Rathwells Defeated By Standard Paint

Hank Pacey was in front all the way last night as he pitched Standard Paint to a 9-3 Border Independent Softball League victory over Rathwell Cycles at Jackson Park. All of the winners' runs and 10 of their hits were scored off George Minello, in seven innings.

Tom Kavanaugh homered for the Painters with one on, and Jack Ward did likewise for Rathwells. Playing-manager Jim Raisbeck of Rathwells had the game's best batting percentage by virtue of three singles in five tries.

### B. M. & G. SHAKES SLUMP

## G. M. Outfit Wins Again

General Motors' steadily improving softball team chalked up another win last night, and over the well-regarded Walkerside outfit, 9-6.

Les Green did his best job of pitching this season, allowing only five hits and three bases on balls. Meanwhile, Desjarlais, Proulx and Schwab led a 12-hit attack on George Ferris that was concentrated for the most part in the second and eighth frames. LaBute and Gibson kicked in with a homerun apiece.

Besides pitching commendably, Ferris did nobly at the plate, hitting a homerun and two singles in four attempts. He was more than half the Walkerside attack and the only man on his team to connect more than once.

## GROUP LEAD TO YOUNGS

L. A. Young moved into first place in the South Group of the Windsor Industrial Softball League last night. Furthermore, the Young boys did it at the double expense of the team they had looked on as their nemesis, Auto Specialties. Not only was it Auto Specialties they defeated, 9-7, but it was Auto Specialties they replaced on the top rung.

Slim Patrick led a 10-hit Young attack on Bill Parker with a single, triple and homerun in five times at bat, besides doing the pitching for Merv Cady and his gang. Ray Urbanski was Auto Specialties' most effective batter, with a double and two singles in five tries.

The game was played at Vocational School.

# Chryslers On Spree

With Basil Curley pitching four-hit ball and striking out 13 men while his team-mates pounded out 22 hits off the Dewelska brothers, Don and Ted, Chryslers slaughtered Bayer 18-1 in a Windsor Softball League fixture at Wilson Park last night.

The Chrysler club was in a savage hitting mood, every player except Basil Curley getting at least two hits, with Charley Leeson and Harold Bullard leading the attack with four hits in five times up each, and Leo Fitzpatrick hitting a homerun.

Jeff Hillier, Bayer shortstop, supplied the fielding of the game in the sixth when he went far back of third base to haul down a fly, making the catch over his shoulder.

# 11-Run Inning For Chryslers

Chrysler went wild in the eighth inning of their Industrial Softball League game with Bendix at Chrysler diamond last night, scoring no less than 11 runs to turn apparently certain defeat into a victory, 16-15. Three pitchers failed to check the avalanche.

Each team made 19 hits, Grassi leading Chryslers with three singles and a double in five and Minello getting four singles in six for Bendix. Spencer of Bendix hit the game's only homerun.

Two doubles, eight singles, three bases on balls, three wild pitches and three errors accounted for the 11-run splurge.

# Chemsals Win, 11-8

Chemsals gave Canadian Bridge an 11-8 beating on its own diamond last night in Industrial League softball. A wild Buzz Nolan proved no puzzle to the C. I. L. batters, who got to him for a homerun, two triples, two doubles, and five singles besides working him for 10 bases on balls in the six and two-thirds innings he was in the box. Meanwhile Bill Cullen went along nicely and helped his own cause by driving in four runs with a double and single in four tries.

Tom Paterson of Chemsals and Coke Mabonville of Canadian Bridge had the best batting averages. Each connected on three of four official trips to the plate, with Paterson including a triple and double in his collection. Ed Morneau of Chemsals and Pooch Bucheski of Canadian Bridge each hit a homerun to deep left-field with nobody on base.

# Products Edge Out Wheelmen

Motor Products staved off a steady drive in the late innings by Kelsey Wheel to mark up a 9-8 win in Industrial League softball last night at King Edward School. The Products made less hits and more errors than their opponents, yet won in spite of that.

Jack McCann paced the winners' nine-hit offensive with three singles in four tries. Doug Sabine hit a homerun, with two men aboard, and two singles in five attempts for the Wheelmen. Hanson, Motor Products shortstop, was the fielding star.

# Short One to Ryals

Ryals and Rucas got in only six innings of their Border Independent Softball League game at Asphalt Park last night, with Ryals winning, 9-4. Hodgins and Tiller of Ryals hit home runs and Chappel bagged two singles in three official trips to the plate. Whalen got a triple and single in three and Larocque two singles in three for the losers.

# Moose Wins

Percy Trembley's improving Moose Lodge team scored its second straight win last night, beating Ottawa A. C. on the latter's own diamond, King George School. The score was 10-6, with the Ottawans starting strongly but finishing weakly and the Lodge-men doing just the opposite. The Moose hit Tom Dowdell hard and often during the last four innings. Dowdell was a better hitter than he was a pitcher, getting three singles in four tries. Andy Stanko had a double and single in four and Joe Perpich two singles in three for Moose.

# DISTILLERS NIP BRIGGS

## BOY SCOUTS INVITED TO KENNEDY GAMES

When Hiram Walkers take the field against Household Paper Products at Kennedy Stadium here tonight they will be spurred on by the fact that they hold a victory over the champion men's softball team of the United States, Detroit Briggs. They scored their win over Briggs last night, across the river at Mack Park. The score was 4-2.

Tonight's Walkers-Household tilt will be preceded by a game between Silverwoods and the Carl G. Hall outfit, starting at 7:30. Both games are Detroit Softball Association fixtures.

Any Boy Scout in the district will be admitted free of charge to tonight's doubleheader at the Stadium if he wears his uniform.

Outfielder Cox of Walkers was the hitting hero of last night's game. Not only was he the only man on either team to connect safely more than once, but he got the game's only extra-base hits, banging out two doubles in three tries.

# With Tuxis Leaguers

A three-hit shutout by Giles Christian featured last night's Tuxis softball League program. Walker Road was the whitewashed team and Pitcher Green the No. 1 whitewasher. Byrnes led a seven-hit attack by the winners when he smacked out a double and single in four attempts.

The champion Sacred Heart team put on a seven-run splurge in the third inning of its game with All Saints and coasted in on the 9-0 lead thus achieved. Final score was 9-3, with the losers getting a lone hit, a single by E. Carter. Tom Brannagan of Sacred Heart hit the game's only homerun and Gunderlock had two singles in three attempts. Optimists and Central United put on a good game; with Optimists winning, 5-2. Nebbit of Optimists pitched all the way against G. Smith, who lasted five innings, and Lawson. The losers got only three hits and the winners were little better, getting but four. Pitcher Smith had two of Central's hits in his four tries, one a double. No winner connected more than once but Reid and Wilson hit homeruns.

Westminster and DeMolay put on the evening's freest-scoring game but also the most exciting. It was not decided until the ninth inning, when Westminster scored three times to DeMolay's once to win out 13-11. Stillman and McGhee each had three hits in four times at bat for DeMolay, while Max Shephard had a great night for Westminster, with five for five.

Lincoln Road, recent 1938 addition to the league in place of St. Marks, which dropped out after the first few games, gave the strong All Peoples team a surprisingly good game before going down 6-3 in the evening's fifth tilt.

# Hogan Hot As Gas Triumphs

Smith Cleaners, second-place team in the Windsor Softball League, dropped its second successive game last night when Windsor Gas beat them 6-5 behind the good pitching of Jim Hogan at Canadian Bridge Park. Hogan did not walk a man.

The Gasmen got nine hits off Pat Ryall in the five and two-thirds innings he worked and three more off Bob Stinchcombe. Fletcher set the pace with a double two singles and a base on balls in four appearances at the plate. Playing-Manager Red Curren hit a homerun. Bill Moffat and Jack Thompson homered for the Cleaners and Clarence Drouillard and Puss Pidruzny each singled twice in three tries.

# Maroons Give A. K. O. Scare

Alpha Kai Omega is still undefeated in Windsor Softball League competition this year but the fraternity outfit got an awful scare last night before edging out Bob Boycott's Maroons, 4-3, at Mitchell Park. A. K. O. was down 3-0 going into the last of the sixth, but then put together a base on balls, a fielder's choice, two infield hits, and a homerun by George MacKay for four runs and the ball game.

Maroons and spectators claimed the second of the infield hits should have been ruled the third out, instead, but the umpire called the batter safe and MacKay then connected with mates ahead of him. It was a heart-breaking loss for young John Wallace, who allowed only seven scattered hits and struck out seven men.

# Hit, Run Carnival

Wilkinsons put on a circus of hits and runs to defeat Bartlett, MacDonald and Gow last night in a Merchants' Softball League game 19-5. The winners got 14 hits. Landry, Garrow and Pilon poled out homeruns.

# Double Plays Choke Rallies

Sacred Heart got 12 hits and nine bases on balls off Johnny King in its Border Softball League game with East Windsor Auto Wreckers at Huron Diamond last night but four times double plays killed off rallies and the Wreckers won, 14-7. Like King, Russ Renaud, Sacred Heart pitcher, walked nine men. Only Trudell, with a double and single in four tries, connected more than once for the winners. Rudling and K. Desjarlais each hit on two of three attempts for Sacred Heart. There were no home runs.

# DETROITERS STAND OUT

## LEAD WALKERS TO 3-2 WIN IN 11 FRAMES

With two Detroit players, Joe Rittvoy and George Boyer, and Windsorite Larry Cox in the starring roles, Hiram Walkers edged out Household Paper Products 3-2 in 11 innings in last night's Detroit Softball Association Major League game at Kennedy Stadium. Rittvoy did the pitching and Boyer hit a homerun. Cox banged out his third double in two nights to drive in Ross Newitt with the winning run after the hard-working young short-centrefielder had drawn a pass and advanced to second on a wild pitch.

# L. A. YOUNG FRUSTRATED IN GOOD TRY

## Chryslers Qualify to Meet Walkerside in Opener

It's Walkerside against Chrysler and Chemsals against Auto Specialties in the Windsor Industrial Softball League's big doubleheader at Kennedy Stadium on Monday night.

### AT KENNEDY, MONDAY

This twin bill is an annual affair started last season. There is no financial gain for the four teams taking part, for proceeds go into the league's treasury to take care of player injuries, but for all that the teams fight tooth and nail to get on the program. They regard it as a great honor.

Pairings for the game are arranged from the league standing. The first team in each of the two groups on the Saturday preceding the benefit bill meet in the nightcap, with the second teams meeting in the curtain-raiser. The first game starts at 7 o'clock and the second at 9:00, approximately. Both will be worked as regular fixtures of the championship schedule.

Chrysler ruined L. A. Young's great desire to play at Kennedy by beating that team last night. Youngs had been half a game in front of Chryslers; today they are half a game behind.

Chryslers have the same percentage as Auto Specialties but the latter has been given the No. 1 rating in the South Group because it has won more games.

Presence of Chemsals and Walkerside on the program, as the first and second teams in the North Group, was already assured prior to last night's games, while Specialties was sure of playing in one of the two tilts.

### YOUNGS LOSE IN BITH

L. A. Young and Chrysler had to play 10 innings to settle their Industrial Softball League fixture last night, at Chrysler Diamond. Final score was 11-10 with the teams totalling 30 hits and 14 errors.

Chryslers won the game by scoring twice in the last half of the 10th after Youngs had scored once. Johnny Bowsick started the winning rally with a single to centre. He continued to second when Perry Logan fumbled the hit. Grassi scored Bowsick with a single to tie the score and went down to second on the throw to the plate. Codyre then laid down a bunt single to second base and Grassi scurried home to break up the game.

Joe King hit two singles and a home run with one aboard for Chryslers in five times at bat and Codyre three singles in four. Slim Patrick was Young's leading hitter as well as a good pitcher who struck out 10 men. He made a single and triple in four official tries.

Chrysler	440	601	600	2-11	17	8

Patrick and Durocher, King and Doughty.

### HEROIC CLOUT BY FOOTE

A timely triple by jovial Bert Foote, after the rally had apparently been killed by a double play, gave Auto Specialties a thrilling ninth-inning victory over General Motors in their Industrial Softball League fixture at Auto Specialties Diamond last evening. The score was 8-7. With two men out in the last of the ninth and General Motors ahead 8-7, John Sada singled and Chuck King walked. Foote then slammed his three-bagger to deep centre-field and the ball game was over.

LaBute of Motors led the hitters, on percentage, with three singles in five tries. Schwab, also of Motors, homered with the bases empty in the fifth. The G.M. outfit had the edge in hitting but committed seven errors to let the good pitching of Bill Moffat go to waste.

### BEDNARICK BIG HELP

With Louis Bednarick contributing satisfactory relief pitching after replacing Jack Heydon in the sixth inning and hitting a homerun to boot, Bendix upset the titleholding Chemsals in Industrial League softball last night, at Vocational School, 16-13. Zig Doan had a big night at bat for Chemsals, making five hits, including a home run, in as many attempts. The game went only eight innings because of darkness.

### BATTERYMEN STANDOUTS

Buzz Nolan had one of his good nights last night as Canadian Bridge defeated Kelsey Wheel 9-7 in Industrial League softball, at King George School. Darkness ended play after eight innings. Hittings stars were Bob Neskas, with a double and two singles in five attempts for the Bridge, and Adams, with a home run and single in three for Kelsey Wheel. Earl Laforest pitched high-class relief ball for the losers but was sent to the box too late.

# BENEFIT BILL DRAWS WELL

## Chryslers Win Easily, Chemsals Eke Out 5-3 Victory

Chryslers and Chemsals were the winning teams when Windsor Industrial Softball League put on its second annual benefit doubleheader at Kennedy Stadium last night. Over a thousand cash customers turned out to see the two leading teams from each of the league's two groups do their stuff.

### BANG OUT 18 SAFETIES

Chryslers' victims were Walkersides, and the score 15-5. The Painters scored in every inning, with homeruns by Mouse Trembley and Lefty Trudell being included in an 18-hit barrage. Meanwhile, with the exception of Captain Roy Westlake, Chryslers' Pitcher Leo Lamoureux kept the Dairyman fairly well in check and particularly helpless during the late innings.

### CULLEN, KING LOOK GOOD

Auto Specialties were Chemsals' opponents in the nightcap. This tilt started as though it were going to be another free-scoring affair, but wound up 5-3 after each side had counted thrice in the opening inning. Bill Cullen pitched in great form for Chemsals over the last eight innings after a wobbly start and Chuck King was almost as good. Charley Morgan of Chemsals and George Williamson of Specialties each hit a homerun with one man on base, and Tom Paterson of Chemsals one with nobody aboard.

# With the Tuxis Leaguers

The champion Sacred Heart team took it on the chin again last night when Optimists nosed it out, 8-7, at Lanspeary Park. The winners' doubled the losers' hit total, with Tetter smacking a homerun and a single to lead the attack and Pitcher Nebbitt also homering to aid the cause. Lesky's triple and single topped the Sacred Heart batters.

Lincoln Road, the new entry, put up another good game, though going down to Westminster, at Wilson Park. The score was 10-9 and the issue remained in doubt until the last half of the eighth and last inning. Holder hit a homerun and single in three tries to pace the Westminster batters, while Liles got two singles in three for Lincoln Road. The winners got only six hits off Liles, whereas the losers got 10, driving Turner from the box.

After a woeful start, Pitcher Green of Giles Christian suddenly became masterful and led the way to a 12-9 win over Central, at Jackson Park, although he gave way to Ostrander after six and two-thirds innings. Lawson was the losing pitcher. He allowed only three hits in the four innings he worked but issued six passes.

## Motor Club, Rainbow Here

Hiram Walkers have one pleasant memory and one unpleasant memory of the Michigan Motor Club softball team that they meet in the second half of the Detroit Softball Association doubleheader at Kennedy Stadium tonight. The pleasant memory is that of a 16-inning, 7-6 victory scored over the Detroit outfit in their first clash; the unpleasant memory is that of a 5-0 whitewashing suffered in their second get-together. The whitewashing act came on a night when Walkers' hard-luck pitcher, Fred Sargent, struck out 16 men.

Tonight's curtainraiser brings together Silverwoods and Rainbow Recreation. It will be their fifth meeting. Silverwoods have the edge, three games to one.

## WALKERS BOW BEFORE MOTOR CLUB, 3-0

Fred Bolter allowed only two hits and struck out 16 men, yet he and his Hiram Walkers team-mates dropped another Detroit Softball Association Major League game last night under Kennedy Stadium floodlights. Michigan Motor Club was the winning team and the score 3-0. All three runs were tainted, but Bolter himself was responsible for the first when a fourth ball was also a wild pitch on which Goldhauf scored what proved to be the only marker needed. Fred lacked his usual fine control, walking eight men.

With John Ruse hitting two home runs and Joe King pitching five-hit ball, Dan Souchak's East Windsor Auto Wreckers upset the dope bucket in Border Independent League softball last night when they defeated the previously unbeaten Standard Point outfit, 5-2, at Huron Diamond. One of Ruse's homers was with the bases empty, the other with one man on. John King also homered for the Wreckers with one on circuit blows thus accounting for four of the winners' five markers. Locke's two hits in four times at bat was the best effort at the plate for the Painters. The game took but 55 minutes to play.

# Out of Cellar

Ryals Frigidare escaped from the Border Independent Softball League cellar last night at the expense of Sacred Heart, which Ryals outscored 11-9 at Wilson Park. Powers and Hodgins, both of Ryals, hit safely three times in five attempts to pare all the batters on view. Powers' collection included two doubles and Hodgins' one. A snappy double play by the winners, Skinner to Cox, also was a feature.

# A. K. O. Takes Ninth Straight

A. K. O. chalked up its ninth victory against no defeats in the Windsor Softball League last night, defeating Bayer 11-6, at Mitchell Park. Marc Wood held Bayer in check all the way except for a four-run rally in the sixth inning. The league champions got away to a good start in the first inning when they combined four hits, three walks and an error for six runs. Harry House led the hitters with three hits in four times at bat, including a home-run. Jack Haydon also had a circuit clout for A. K. O., while Ken Chesney hit one for Bayer.

# Another Victory By Moose Kids

Moose Lodge continued its great comeback drive in the Windsor Softball League last night with a smashing 8-0 win over the strong Windsor Gas entry, at Dugal Diamond. Eddie Macdonald pitched brilliantly, allowing the Gasmen but three hits. Jim Hogan did some fine hurling for Gas, yielding only two runs and three hits, but he did not take over until the second inning, by which time the Lodgemen had already sewed up the game by pounding Uly Ro. Vince Dunn and Kitts Trombley hit homeruns for Moose and Joe Perpich, Mouse Trombley and Clint Coombs contributed fielding gems.

# One to Good

As the Trail Ranger Softball League championship series got under way last night at Jackson Park, the Sacred Heart team took up where it left off at the end of the regular schedule, defeating Optimists 9-7 to maintain its perfect record. Clark got to Sacred Heart's Pitcher Kennedy for two doubles and a single in four attempts but nobody else hit him more than once. Choros and Kovosi each hit two singles in three times at bat to lead the Sacred Heart offensive.

# Calhouns Lead

Calhouns again took over undisputed possession of first place in the Merchants Softball League when they defeated C. H. Smith last night, 9-6. Webster-Labadie had taken a joint hold on the lead by beating Bartlet, Macdonald & Gow on Monday, 15-9.

Each team made 10 hits and four errors in the Calhouns-Smiths game, with Pleavin and Gleason the battery for Smiths and Dennis and Murphy for the Calhouns.

# 11-Inning Contest

George H. Wilkinsons edged out Cherniaks 11-10 in a challenge softball game last night. The athletes had to go 11 innings to reach a decision. Judging from the vital statistics revealed in the box score it was considerable of a slugfest. The losers were credited with 23 hits and the winners with 17.

# Bad Luck For Kelsey

With Paul Laforet tiring after doing a fine relief job and nobody to replace him, Walkerville Dairy scored five times in the eighth and last inning of its Industrial League softball game with Kelsey Wheel at Walkerville Collegiate last night to win out 8-7. Kelsey's other pitcher, Earl Meloche, started the game but when it finished he was in hospital, victim of a dislocated kneecap suffered when hit by a ball thrown by one of his mates in the second inning.

George Ferris, Walkerside's starter, was driven to cover in two-thirds of an inning, but Dumesh went in to do excellent rescue work. Adam and Bruner of Kelsey hit the game's only homeruns and Doug Sabine and Nick Skaleski each got three safeties in five tries. Only M. Todd, with two singles in three tries, got more than one hit for Walkerside, but Laforet issued 10 bases on balls.

Meloche's kneecap slipped back into place on the way to hospital and today he had nothing worse than a sprained knee. The injury is not likely to have any serious consequence and the player should be back in action in a week or so, according to Dr. R. B. Robson, the club physician.

## Robson Comeback Starts With Bang

Hank Pacey coasted to an easy victory over Rucas in Border Independent League Softball last night after he and his Standard Paint mates had driven Muzzin to cover with nobody out in a third inning that produced nine Paint runs. Final score was 15-3. Pacey struck out 12 men and walked only two. Robby Robson returned to the softball wars to slam a home run and triple that constituted the game's best individual batting feat. Cec Garrow hit a homer and double in five tries for Rucas. Chow Thorne was charged with the last nine Standard Paint runs.

## Easy for Gas

Ottawa A.C. proved to be easy for Windsor Gas in their Windsor Softball League tilt at Mitchell Park last night. The score was 15-2. Clarence Bruggeman hit a homerun and double in three times at bat for Gas. Jim Hogan a homerun and two singles in four and Leon Morneau three doubles in five, two of Morneau's hits coming in the same inning, the sixth. Lorne Edmunds hit three singles in four tries for the losers.

## Not Enough Men

Motor Products had to forfeit its Industrial Softball League game with Canadian Bridge at King Edward School last night when Player George Brooks was ordered from the game by Umpire Eagle Reid and his dismissal left the Products with only eight men. It was an ironical situation, for at one time the Products had the extra man who could have kept the game going, but Manager Gordon Pegler pulled himself and substituted Ritchie.

The game was called with one man out in the first half of the fifth inning, with the Bridge in front, 7-5.

## Six Run Rallies

L. A. Young matched a six-run rally by Bendix in the first half of the eighth inning with a like outburst of its own in the last half of the same frame to win out 13-11 in the Industrial Softball League tilt, played at Vocational School. The hit totals were exactly the reverse of the game score. Spencer led Bendix at the plate with two doubles and a single in four tries and Shanahan hit two singles and a homer with none on in five for Youngs. Both starting pitchers were yanked in the big eighth inning.

## Slim Edge to Customs

Customs edged out Wilkinsons in a close Merchants Softball League game at Stodgell Park last night, 8-7. Wilkinsons had the tying run on third base with one man out in the last inning but could not get it across the plate. Eric Garrow of Wilkinsons was the outstanding hitter on view, getting a homerun, triple and two singles in four attempts for a perfect average.

Wilkinsons ..... 012 012 1—7 11 2

Marentette and Kerr; Landry, Wyszinski and Garrow.

## Another Win For Chemsals

Chemsals easily beat General Motors in their Industrial Softball League tilt last night, at King George School. The score was 14-7. Bill Tidman, G.M. starting pitcher, was too wild and lasted only one and one-third innings. Neither he nor Bill Moffat, his successor, got good support. Tidman, however, was one of the two losers to get more than one hit. Both he and Gibson collected two singles in five tries. Stan Tranter banged out a home run, triple and single in six and Ted Costigan a double and two singles in five to lead Chemsals. Tranter's homer was the only one of the game.

Chemsals ..... 320 402 030—14 12 0  
Gen. Motors ..... 123 100 000— 7 9 4

Cullen and Morgan; Tidman, Moffat and Proulx; Schwab.

## Specialties Find Chryslers Tough

It was not particularly startling when Chryslers defeated Auto Specialties in their Industrial Softball League fixture at Chrysler Diamond last evening, but the manner in which they did so was startling. The score was 22-3. Bill Parker pitched all the way for the losers although he was blasted for 25 hits. Joe King not only did a seven-hit job as pitcher but also belted out a home run, triple, two doubles and a single in six attempts to lead the Chrysler offensive. Only Ray Urbanski got more than one hit for the Specialties, singling twice in four tries.

Chryslers scored 10 runs in their last turn at bat, on two homers, 10 singles and two errors.

## Weaver Stars

Pip Weaver, who would probably rather hit a softball than eat, had himself quite a time last night, blasting two home runs and a double to lead Rathwells in a 23-7 rout of Sacred Heart in a Border Independent League game at Lanspeary Park. George Ralsbeck and Jack Ward also got three hits apiece for Rathwells. They batted six times. Ralsbeck's collection included one homer. Leading clubber for the losers was Jim Rudling, with three singles and a double in five attempts.

# Banks Win Again, 8-3

Jim Farmer pitched Banks to another Windsor Softball League victory last night, allowing only four hits and four walks and striking out 12 men as he and his mates outscored Bayer 8-3, at Wilson Park. Gillhard led a 12-hit Banks attack with two safeties in two attempts after breaking into the game as a pinch-hitter in the fifth frame. Pitcher Don Dewelska got two of the Bayer hits and his brother, Ted, the other. Don batted three times, while Ted was a pinch-hitter. Joe Grandin got the fourth.

# All Saints Wins

All Saints and Central of the Tunis Softball League moved their game up a day, playing last night at Patterson Collegiate. All Saints squeezed through to an 8-7 win, getting the only run of the seventh and last inning to break a 7-7 deadlock. Green had a big night at bat for Central, with a home run, double and single in four trips. Pitcher Walker had two singles in three for All Saints and F. Carter a double and single in four.

# Burgers Trim Walkers 10-7

AMHERSTBURG, July 4. — Amherstburg handed Hiram Walkers, of the Windsor City Baseball League, their first defeat of the season in an exhibition game here Sunday. The score was 10-7. The contest was marred by loose fielding, a total of 18 errors being made, 12 by the locals and six by the visitors.

Bertrand hurled good ball for the winners, after his support had kicked in seven unearned in the the early innings. He pitched shutout ball for the last five frames, allowing only two hits.

Cady was hit freely, but six errors helped the 'Burg score their upset victory.

It was a free-hitting and error-packed game. Nolan went the route on the mound for the winners and was nicked for ten hits while his mates were booting five chances. Mephram, the losing twirler, yielded 12 hits while his supporting cast booted four chances.

# ONE-HITTER BY NEBBITT

A brilliant one hit pitching performance by Nebbitt highlighted the 4-0 triumph scored by Optimists over Sacred Heart in a Tuxis Softball League contest at Stodgell Park last night.

Nebitt was in rare form striking out 11 and walked only two. Oddly enough it was his mound rival Kennedy who robbed the Optimist arm of a no-hit game. He connected for a single. Kennedy himself did not do such a bad job of hurling in holding the winners to three hits. Four errors by his mates contributed to his downfall.

# Walkers, Shadds In Game Here Tonight

Hiram Walkers softball team, the only entry from Windsor in the Detroit Softball Association, will meet Shedd's tonight at Kennedy Stadium, 9 o'clock. Silverwood girls' team will meet the Carl Hall team from Detroit in the first game which will get under way at 7:30 o'clock. It will be a seven-inning affair.

Shadds are a new team in name only as they played the locals under the name of Vans in a number of games earlier in the season. Last year Vans won the Class A championship of Detroit and so far this year they have had the edge on the Walker club.

# A.K.O. Cops 12 Games in Row

Jack Heydon and Johnny Wallace, two of the Windsor Softball League's youngest pitchers, met for the second time at Vocational School diamond last night when A. K. C. played Maroons. Heydon again took a close 4-3 decision. It was the 12th victory of the season for the league champions against no defeats. Heydon allowed only four hits, walked seven and struck out three. Wallace was touched for nine hits, gave up three bases on balls, and whiffed 11.

# A. K. O. Runs Into Jinx

## HAD WON 12 GAMES IN ROW; DOWNED 10-6

Unlucky "13" proved to be the jinx that halted the A. K. O. team's winning streak in the Windsor Softball League. Ottawa A. C. is the first club to defeat last year's champions, doing the trick by a 10-6 score at Mitchell Park last night. Previous to last night's game, A. K. O. had won 12 straight. The Ottawa street boys were in a slugging mood, pounding out 13 hits off Bill Hudson, and Marc Wood, Garant, centrefielder for the winners, is believed to have established a league record for himself with three home-runs in one game. Dowdell and McCarthy also had homers for Ottawa A. C. and Bowser a triple. A. K. O. started off in good style, scoring four runs in the first inning. After that they could do little with the offerings of Tommy Dowdell, although Harry Heydon and Bill Hudson each connected for a round trip smash.

## BEAT DETROITERS IN SOFTBALL TILT

With Elmer Bauer doing all the scoring, Hiram Walkers defeated Shedd A.C. of Detroit, 2-0, in an International Softball League fixture at Kennedy Stadium last night.

He crossed the plate for the first time in the first inning when he walked, took second on a wild pitch and came home on a double by Weaver. He tallied again in the third when Goldie, Detroit hurrier, walked four men in a row.

# WALKERS IN HOME GAME

## SOFTBALL CONTEST AT KENNEDY FRIDAY

Hiram Walkers will meet the fast travelling Better Made team from Detroit at Kennedy Stadium in the feature game of a doubleheader softball program tomorrow night starting at 9:00 o'clock. Both clubs are entered in the Major Division of the Detroit Softball Association. Silverwoods girls' team will meet a team of girls from Detroit in the preliminary starting at 7:30.

To date Hiram Walkers have faced some tough opposition but they are asking for a lot of trouble in bringing over the Better Made Club, as this team is considered the strongest team in the United States at the present time. It is favored to replace Briggs as the Champions of United States in the games to be held this fall. Under the fine pitching of "Popeye" Novak and Rotosky they have taken on all comers and have won their last 32 starts, this includes league and exhibition games. Two of these wins have been over Hiram Walkers. In the first game Rotosky and Novak defeated Hiram Walkers by a 9-1 score. Novak striking out 12 men. Sargent Hudson and Bolter were used on the hill by the locals in this game in an effort to stop the Better Made team. Bolter was the only hurler who had much success. In the second game Walkers lost 2-0. Novak held Walkers to one hit in this contest while his opponent, Freddie Bolter, was touched for three.

# Kelsey Wheel One Big Inning Triumphs, 5-3

Kelsey Wheel nosed out Auto Specialties, 5-3, in a tight Windsor Industrial Softball League game last night.

Trailing by four runs Specialties made a gallant bid for victory in the last of the ninth when G. Williamson tripled and Urbanski and King singled. But Williamson was the only one to score when Skaieski made a fine running catch of J. Hood's low liner to centre for the final out.

Skaieski, Sabine and Wright each got two hits for the winners while King was the only member of the losing cast to hit safely on more than one occasion.

Three runs in the opening inning were enough to give Ottawa A. C. a 4-2 victory over Maroons, in a Windsor League softball game last night. Dowdell and Morrow turned in good pitching efforts, the former allowing only four hits and the Maroon hurler five. Dowdell struck out nine against one by Morrow.

# Farmer Hot

Jim Farmer's great pitching was too much for Smith Cleaners last night and Banks chalked up a 9-3 Windsor Softball League victory. Bill Tidman, Smiths' starter, went three and one-third innings before poor control proved his downfall. Banks hit well with Farmer getting a homerun and single in three times at bat and Cliff Graber a triple and single in four. The Cleaners got but three hits, a homerun by Joe Burns, in two official attempts, and singles by Bill Moffat and Pete Bullard. Farmer did not allow a hit until Burns connected in the fourth frame. He struck out 14 men.

## 21 Safeties For Kelsey

Kelsey Wheel hopped on three Specialties pitchers for 21 hits and a 21-12 victory in their Industrial Softball League fixture at King George last night. Earl Meloche went all the way for Kelsey and thanks to his team's heavy hitting was never in real danger. Meloche personally led the batters' offensive with four hits in five attempts, while Doug Sabine and Bob Butterfield hit homeruns.

The teams got in only seven and a half innings before darkness.

## LOSE AGAIN

Sacred Heart's Border Independent League softballers took it on the chin again last night, losing 13-8 to Standard Paint, at Jackson Park. Sykes of Standard Paint was the big noise at bat, with two singles and a homerun in three official tries. Harold Jackson had three singles in five attempts. Best of the losing batters was Tremblay, who poled out a homer, double and single in five trips to the plate. Jim Hogan had a double and single in five.

## Merriwell Finish

Customs put on a Merriwell finish at Stodgell Park to beat out George H. Wilkinson, 14-13, in Merchants' League softball. Down 13-10 as they went to bat in the last half of the last inning, they knotted the count on Fortune's homer behind two walks, then won out on hits by McMillan and Cook. Cummings, Customs pitcher, had 10 strikeouts.

## Walkers On Hitting Spree

Windsor's Hiram Walkers softball team went on by far the biggest hitting spree of its 1938 campaign last night to beat Detroit Shedd's 9-4 at Mack Park. The Windsorites made 13 hits.

An amusing thing about the victory was that Walkers were short of players and used not only their business-manager but their mascot. The former, George Mosely, got one of the hits.

Big blow of the surprising Walker attack was a homerun by Jack Smith with the bases loaded. Smith had a perfect night, getting two singles in addition to his round-tripper.

All the homesters' runs came in the fifth inning, on two singles and homeruns by Johns and Keast.

## Products Beat General Motors

Led by George Brooks, who slapped out four hits in five times at bat and made a sensational shoestring catch, Motor Products defeated General Motors 10-8 in Industrial League softball at King Edward School last night. Leroy Dowdell was unsuccessful as a pitcher but was co-leader, with Charley Souchuk, of the G. M. attack. Each made three hits. Alex Clark, Jack McCann and John Sapergo got three hits apiece for the Products.

## 20 Hits to Six

Leo Lamoureux held L. A. Young to six hits while he and his mates were making 20, and Chrysler chalked up a 15-6 victory in Industrial League softball last night, at Vocational School. Johnny Bownick led the heavy assault on three Young pitchers by smashing two homeruns and a pair of singles in six attempts. George Souchuk also homered, while Lefty Trudelle was the winners' defensive star by virtue of three spectacular catches in centre-field.

Only Slim Patrick, Youngs' starting pitcher, got more than one hit for the losers. He collected a single and double in four bids.

# HALL GIRLS BOW AGAIN

The inexperienced young Carl G. Hall girls again fell easy victims to Windsor's veteran Silverwood outfit in Detroit Softball Association competition at Mack Park last night.

While Dot Ellis was holding the homesters to four hits she and her mates were mixing 12 with 10 errors, Ellis herself contributed the biggest blow, a home run, but Helen Bell was the busiest, singling three times in four attempts. Bell was robbed of a fourth hit that would have given her a perfect night when Olive Webber leaped high in the air to snag Helen's sizzling line drive with her bare hand and turn it into a double play.

None of the losers connected safely more than once but Bousho hit a homer. Ellis had a shutout until the seventh and final frame.

Central scored one run, meanwhile, Atkinson and his mates chalked up no less than 20 tallies. They made 18 hits, every player in the lineup connecting at least once. Tony Golab set the pace, with two homeruns and a single.

With a 5-1 lead going into the seventh inning, the Banks infield fell apart and made four errors to let Windsor Gas score six runs for a 7-5 Windsor Softball League victory at Mitchell Park last night. Morneau hit a homer in the last inning uprising with one man on base, Fred Curren, with two out of four for Gas, and Berthiaume and Gordie Lanspeary, with two hits in three attempts each, were the leading hitters. Buzz Nolan hit a triple, double and two singles in six times at bat to lead a 21-hit Rathwell attack and Playing-manager Jim Raisbeck and Jack Ward homered. # Ryals Trim King & Co.

Ryals took a liking to Joe King's buzzball, scored on him eight times in the first three innings and coasted to a 12-5 win over East Windsor Auto Wreckers in their Border Independent Softball League tilt at Huron Diamond last night. Harry Zalba relieved King in the third. Five of Ryals' hits were home runs or triples, Tiller performing the rare feat of hitting for three bases three times. He was up five times, McCall's two hits in three tries paced the Wreckers. The game produced only three strikeouts, all of them credited to Fox, the winner.

# Bendix Gives Kelsey Battle

Bendix gave Kelsey Wheel a good game in Industrial League softball last night, even though it went under 10-6. The losers had a 15-12 edge in hits but Earl Meloche kept their 15 blows pretty well scattered. Adams hit a homer and two singles in four attempts to lead the winners' attack, while Bruner also got three safeties. Clifton, rookie fielder, and Pitcher Keenan played fine all-round games for Bendix. Clifton bagged a double and two singles in four trips to the plate and made some fine catches. Keenan also made three hits and pitched commendably. Jack Heydon of Bendix was the only player besides Adams to hit for the circuit.

Canadian Bridge scored three times in the eighth and last inning on doubles by Pete Laliberte, George Chapman and Buzz Nolan and a single by Pete Tapak to turn apparent defeat into an 8-6 victory in its Industrial League softball tilt with Walkerside at Walkerville Collegiate last night. Nolan, who pitched seven-hit ball and seven shutout frames also led the batters of both teams with a homer, double and single in four attempts. Dumeah, Walkerside hurler, struck out three men in the seventh.

# Some Finish!

While it may not furnish Windsor with its finest softball, the Merchants League seems to have more than its share of high spots. The latest came last night when the league-leading Calhouns, with only one inning to go, put on an 11-run rally to beat the last-place Bartlet, MacDonald and Gow 14-5, at Kennedy Collegiate. Howe pitched nice ball for the B. M. & G. for five innings, allowing but five hits and three runs, then his support gave way.

# Shutout By Bill Cullen

Chemicals managed to push four runs over the plate before rain ended their Industrial Softball League game with L. A. Young at Shore Acres last night. In reply Youngs could make nary a tally and no more than five hits off Bill Cullen's fine pitching. Slim Patrick, Young's starter, was very wild, walking eight men in the four frames he worked. Ed Morneau's double scoring the first two runs was enough to decide the issue. Leading hitters were Trombley of Chemicals and Larocque of Youngs, each of whom connected twice in two attempts. Paterson of Chemicals hit a homer in the fourth.

# Pacey and Co. Beat Rathwells

One big inning gave Standard Paint a 6-4 victory over Rathwells at Huron Diamond last night and increased the Painters' Border Independent Softball League lead to a full game. Rathwells filled the bases with only one man out in the last half of the last inning but Hank Pacey fanned the last two men, his ninth and 10th strikeouts of the game, to prevent a score.

Red Wiseman had a big night at the plate for the winners with four singles in four attempts. Jack Dawson, with two singles in three, led Rathwells and Jack Ward hit a homerun. Defensively, Rightfielder Tom Kavanaugh of Painters made the game's best play and Jimmy Ralsbeck shone at shortstop for Rathwells.

# Bolter Barely Misses Early Lead Fades

## Hurls One-Hit Shutout

A smashing line drive that almost knocked him out cost Fred Bolter of Hiram Walkers a no-hit game in Detroit Association softball at Kennedy Stadium last night. As it was, Walkers beat Michigan Motor Club 5-0.

Lapier, a player who was not in the lineup when the game started, got the Motor Club's lone safety. He made his debut in the tilt by taking over the short-centrefield position in the last half of the fifth frame. In the sixth he came to bat. He hit a terrific drive that was headed for Bolter's face. Fred stuck up one hand hurriedly, almost against his face, and knocked the ball down, but judging from the way he began looking for it the blonde hurler was dazed by the impact. Clarence (Bruggy) Bruggeman, second-baseman, was the man who picked the ball up, but by the time he was able to get it Lapier was safely perched on first.

A homerun by slugging Pip Weaver in the third inning gave Walkers more than enough tallies to win, but the winning marker was driven in by Marc Wood with a single. Weaver then connected with two men on base.

## Laliberty Sparkles In Bridge Victory

Canadian Bridge and Chrysler Painters renewed their Industrial Softball League feud last night, at Shore Acres, and the Bridgemen won out 9-8 when Denny Hebert came through with a surprisingly fine job of relief pitching. Pete Laliberty slammed three doubles and a single for the Bridge to take the game's batting honors with ease. Bob Niskas got three singles in five tries. For Chryslers, Clair LePaige had two singles and a double in five and Joe King a single, double and triple in five.

# With the Tuxis Leaguers

Lowly DeMolay scored one of the biggest upsets of the 1938 Tuxis campaign last night when it defeated All Peoples, 7-6, in a Tuxis A League tilt. It was only the third defeat in 19 games for the Mission, while DeMolay, on the other hand, had just three wins against 14 losses prior to this particular feature. McGhee was the winning pitcher and he gave up only seven hits and two passes. Tony Golab who lasted only three innings, was the loser. Besides being the winning pitcher, McGhee was also the outstanding batter. He hit the game's only homerun, a double and a single in four attempts.

Optimists chalked up their 17th win in 19 starts and further widened the gap between themselves and the champion Sacred Heart outfit in the Tuxis B League by defeating that second-place aggregation, 10-7, at Wilson Park. Cutting had a homerun and a double in three tries, and Wilson a homerun and single in three tries, to lead the Optimist offensive, while Autterson also homered. Kennedy hit Sacred Heart's only homer and also got two singles in his four trips to top the losers.

Giles Christian got a four-hit pitching job from Green to beat Central United, 8-2 at Stodgell Park. Meanwhile, Giles collected 10 knocks, including a double and two singles by Ostrander in his four trips. Ostrander was Giles' starting pitcher, but lasted only one inning. Green allowed just one hit in the remaining six.

# VILLAINY BY MARC WOOD

## RUINS NO-HITTER WITH TWO OUT IN NINTH

With only one putout needed to end the game, Marc Wood of Hiram Walkers poled out a double to deprive Rainbow Recreation's Pitcher Liagre of a no-hit game in last night's Detroit Softball Association's men's tilt at Kennedy Stadium here. Walkers, of course, lost. They did not get another safety and went down 5-0.

Bell robbed Walkers' Joe Levine of a homerun by taking a long drive over his shoulder while on the dead run in the fourth.

# Charged With 20 Boots In Six Innings

The Harold E. Steffes team of the Detroit Softball Association made no less than 20 errors (yes, 20, believe it or not!) in six innings at Kennedy Stadium here last night. With that kind of assistance from the opposition (?) Windsor's Silverwood girls chalked up a 22-1 win.

Of the Detroiters who had at least one chance, only Bennie, catcher and later rightfielder, and Green, starting pitcher, did not boot the ball. Each had two chances. Paschke, shortstop and clean-up hitter, was the chief offender, with seven misplays. She made one put-out and assisted in two.

Silverwoods' scoring was not entirely due to errors. The Windsorites, however, made 17 hits. Sixteen of the hits were singles, Jenny Golab's home-run being the exception. Helen Bell connected four times in five attempts.

Dot Ellis and Winnie Furlonger held the Detroiters to four hits, all singles. Harold E. Steffes 000 100 0—1 4 20

# Cleaners Out Of Doldrums

Smith Cleaners\*turned in their best all-round game in weeks last night to beat Percy Trombley's good Moose Lodge team 5-4 in Windsor League softball. Bob Stinchcombe's single and Pete Bullard's double in the seventh and last inning broke up a pitchers' battle between Stinchcombe and Eddie MacDonald. Stinchcombe struck out eight men, while MacDonald did not allow a hit until the fourth frame, when Joe Burns opened with a single. Burns, with a home-run and one-bagger in three official trips to the plate, and Tom Gelina of Moose, with a single and double in three, were the only players to connect safely more than once.

Stinchcombe performed an exceptional feat by striking out John Souisa on all three of his appearances at the plate on a total of just nine pitches.

# Ted Dewelska In Fine Form

With Ted Dewelska doing inspirational pitching, Ryal Frigidaires knocked off East Windsor Auto Wreckers 6-3 in Border Independent League softball last night. Dewelska allowed just one hit in the first six innings and struck out 12 men before retiring at the end of eight frames to let Eric Price try his luck. The first nine Wreckers to bat during the game went down in order, six of them on strikeouts.

Jim Cipparone was the Wreckers' surprise pitching choice and did a commendable job.

Powers, Tiller and Dewelska of Ryals and Russ of the Wreckers got two hits apiece.

# Walkers Ten Faces Sheds

Shedds, who won the Class A championship of the Detroit Softball Association last year under the name of Vans, will be Hiram Walkers' opponents in tonight's senior men's softball game at Kennedy Stadium. Silverwoods' opponents in the girls' game have not been announced.

The girls start at 7:30, the men about 9:00.

# Painters Win Another, 10-4

Standard Paint strengthened its hold on first place and Sacred Heart suffered another defeat in Border Independent League softball last night at Lanspeary Park. Hank Pacey turning in another steady game to pitch the Painters to a 10-4 win. Jim Hogan struck out eight of the Painters but in between they belted his offerings hard and often. Tom Cavanaugh leading a 15-hit offensive with three knocks in five tries. Leon Morneau connected safely twice in five attempts against Pacey, who had six strikeouts.

# Top Teams In 9-9 Tie

Chrysler Painters and Chemsals, who lead their respective group in the Windsor Industrial Softball League and are even on the "games" basis, fittingly battled to a 9-9 deadlock when they met last night at Shore Acres. Darkness ended the tilt before the ninth and last scheduled inning could be played.

Leo Lamoureux, Chrysler pitcher, gave way to Mouse Trombley in the seventh inning but was sent back an inning later when Trombley failed to check the steady C.I.L., rallying that had started in the fifth.

Though he had an "off" night as a pitcher, Lamoureux was good at bat, hitting a double and two singles in four chances. Ralph Cudmore led Chemsals, with a single, double and triple in five. Codyre of Chryslers and Morgan of Chemsals each had two in three.

# Wright's Home Run Is Fatal

Wright's homerun following a single by Laforet gave Kelsey Wheel two runs in the ninth inning and a 9-7 victory over General Motors in Industrial League softball at King George School last night. Wright's timely wallop was the third round-tripper of the game, Butterfield, also of Kelsey, and Youngson of G. M. getting the others. LaBute of G. M. had the best batting average, with a double and four singles in five tries.

## Batters Climb On Merry - Go - Round

Batters of the L. A. Young and Bendix teams of the Industrial Softball League climbed on a merry-go-round last night, at the expense of seven pitchers, with Youngs chalking up a 26-12 win. Thirty-eight hits and 16 bases on balls resulted from the sorry attempts at hurling. Only Mickey McCann, Young's starter, who yielded just three safe blows in four frames, showed anything at all.

McCann also was the game's batting star, with three safeties in four official attempts. Some nice running catches by Charley Mephan of Bendix highlighted the affair.

## Perfect Relief Hurling Wasted

All Saints beat lowly Central United 11-2, at Patterson Collegiate, in the only Tuxis League softball game played last night. All others were called off because of wet grounds.

Lawson pitched three hitless and runless innings for Central after relieving Green at the start of the fourth. Green was a much better hitter than a pitcher, getting a double and three singles in four times at bat for a perfect average. All Saints got its best hitting from a pitcher also, Walker smacking a double and two singles in his four tries.

# Tuxis In Benefit Program

Fred Dobney's Windsor Industrial League will help the Tuxis League put on a benefit softball doubleheader for the latter organization's injured players, it has been announced. The program will be staged on the Kennedy Stadium diamond next Thursday night, August 4.

An all-star team from the Tuxis A League will play an all-star team from the Tuxis B League in the curtain-raiser. The nightcap will be a regular Industrial League fixture between Chryslers and Chemsals, leaders of the Industrial League groups at the present time.

Ossie Soucie of Sacred Heart will manage the Tuxis A team and Donald McDonald of All Saints' the Tuxis B team.

# BREEZE FOR HANK PACEY

Hank Pacey, veteran of many a stirring Ontario Amateur Softball Association campaign in past years, chalked up another Border Independent League victory last night, this one a breeze as Standard Paint smothered Rathwells 13-1, at Huron Diamond. Pacey gave up only four hits, all singles, and three passes. He had nine strikeouts. It was in the final frame that he lost a shutout.

The Painters' 13 runs were scored on only 10 hits but Jack Dawson issued five free tickets and his mates committed six errors. Dawson benefitted by one sensational play, however, when Peacock robbed Evon of a homerun. Harold Jackson, pro hockey player with Chicago Black Hawks, led the Paint attack with two hits in four attempts for a .500 average. Pete Maissonville hit a homerun.

The two Shedd pitchers issued 13 bases on balls, six of them in the seventh inning. Fred Bolter of the Distillers gave up three. L. Goldsworthy, Shedd's starter, made six wild pitches.

One of Walkers' runs was forced in, in the sixth; another, in the same frame, was scored on a delayed steal when Catcher Mann lost the ball at the plate.

Walkerside retained its margin of one-game over third-place Canadian Bridge in the North Group of the Industrial Softball League last night in handing L. A. Young a 20-6 setback at King George School. Youngs are second in the South Group.

The heavy scoring prevented the teams from playing more than six innings before darkness set in.

Sam Reddick of Walkerside hit a home run with the bases loaded. He also got a single in his three times at bat. Roy Brisco of Walkerside and Boots Gibbs of Youngs homered with the bases empty. Jack Blair of Youngs collected a pair of singles and a double in four attempts.

Lefty Trudell banged out a homerun during the winning outburst, while Desjarlais and Gibson each hit for the circuit for the losers. Youngson of G. M. had the night's best batting mark, with two triples, two singles and a walk in five trips to the plate for a perfect record.

# GIRLS BATTLE 18 INNINGS

## Silverwoods Get Even Break in Series at Chicago

Special to The Windsor Star

CHICAGO, Ill., August 2.—Seven innings is the regulation length of a softball game in the United States but two girls' teams, the Down Draft Furnace outfit of this city and Silverwoods of Windsor, Ont., battled 18 frames in an exhibition tilt at Shrew Bridge Park here Saturday—and the final score was 1-1.

### ONLY TWO PITCHERS

The marathon contest was one of three engaged in by the Canadians on their second visit to Chicago (they were here a few weeks ago). It was by far the best. The others saw them trounced 7-1 by the same Down Draft Furnace girls at the same park 24 hours later and beat Parichy Bloomer Girls 5-3 at Parichy Field, also on Sunday.

The big game lasted two hours and 55 minutes.

Each side used only one pitcher in the 18-inning struggle. Purlonger for Silverwoods and Klupping for Down Draft Furnace. They matched runless efforts over the last 12 frames and Purlonger also blanked her opponents in the sixth, handing them 13 goose-eggs.

The teams got only 24 hits between them and worked the hurlers for only five passes. On the other hand, strikeouts were also comparatively scarce.

Only one Windsor player collected more than one hit, during the nip-and-tuck play that lasted three hours and five minutes. Hyttenrauch, gangling catcher singled three times in five official trips to the platter.

The win, loss and tie on this second Chicago invasion left the Windsor team still all square in its rivalry with Chicago clubs. It won and lost once on its previous trip here.

Pitcher Ellis turned in a one-hit performance for Silverwoods against the Parichy team. Parichy's two flingers allowed but two hits themselves but were wild. Ellis issued three passes.

# NEW NAME AT KENNEDY

A new name is on the Kennedy Stadium softball program for tonight. Hiram Walkers' opponents in the men's game will be the Dr. Tenerowicz aggregation. The Distillers know little of the Tenerowicz Club but are prepared for anything. As usual, the game will start at 9 o'clock.

Back from a week-end trip to Chicago, Windsor Silverwoods will play Rainbow Recreation in the girls' tilt that is to get the evening's entertainment underway at 7:30.

# Chemsals In 8-5 Victory

Chemsals outscored Canadian Bridge 8-5 in Industrial League softball at Shore Acres last night. A walk, two fielders' choices and four hard singles brought Chemsals four runs that put them in front in the third inning and there they stayed. The Bridgemen had the three runs needed for a tie on base in the eighth and last inning played before darkness came but could not bring them in.

Zig Doran of Chemsals and Buzz Nolan of Canadian Bridge each made two hits in four times at bat. Tom Paterson of Chemsals and Joe Perreault of Canadian Bridge provided the defensive highlights.

# WALKERS WIN WEIRD GAME ON LOCAL LOT

## Walks Force Home Only Run in First Frame of 1-0 Thriller

Four walks in the first inning were sufficient to furnish Hiram Walkers with a run that gave them a 1-0 decision over Dr. Tenerowicz team of Detroit in last night's Detroit Association softball competition at Kennedy Collegiate. Charley Swartski pitched no-hit ball against the locals, yet finished on the losing end.

### SECOND HURLER

Swartski's unique distinction resulted from his relieving Willis in the first half of the first frame. Willis was wild, and got the hook after walking both Elmer Bauer and Marc Wood, the first two men to face him. Swartski took over and began by striking out Pip Weaver. But then Swartski lost control, too and walked Jack Smith and Bruggy Bruggeman, the second of those two passes forcing home Bauer. From then on Swartski settled down, issued only four more passes and hung eight horsecollars around the Walker team. However, Fred Bolter also happened to be in top form and the Detroit batters never did match that gift run credited to the Windsorites in the opening session. Swartski had struck out 17 batters by the time the game ended.

# Jimmy Farmer Stops Leaders With 5 Blows

Jim Farmer and Bill Hudson, veteran softball hurlers and rivals for many seasons, met last night at Mitchell Park. Farmer led the Banks team of the Windsor Softball League to a 5-2 win over the league-leading A. K. O. club. The victory gives Banks a chance to yet make the playoffs, as they have two games left to play on the schedule.

Farmer was in good form, allowing three but five hits and striking out 13 in the seven-inning route. In addition, he kept up his end offensively bringing a home run and a double in times at bat. Marc Wood had one of the A. K. O. hits, one a double. Hudson received credit for a home run in the fourth when his hard bouncer got by Bauer, and then Lanape threw the ball into right field in a effort to head the runner off. Harry House then followed with a home run to end the A. K. O. scoring. Price and Tozer hit successive homers for the winners in the fourth inning.

# Wreckers Bow Before Painters

Standard Paint chalked up another Border Independent Softball League victory last night to retain its 11<sup>1</sup>/<sub>2</sub>-game leadership margin. The losing team was East Windsor Auto Wreckers, outscored 7-4 at Huron Diamond. Lefty Trudell's three-run double in the sixth inning cut the Painters' margin to 5-4 but that was Hank Pacey's only bad frame and his mates practically offset it by picking up single markers in the seventh and ninth.

Locke had a big night with the stick, poling out a double and three singles in the Standard Paint cause, in five attempts. Urbanski and Jos. King each connected safely twice in four tries for the Wreckers.

# Customs Win

Customs defeated Calhouns, 11-10, in a Merchants' Softball League game last night and moved into a tie with them for first place. Whitey Cummings, pitching for Customs, had 14 strikeouts to his credit. Calhouns, one of the heaviest hitting teams in the league, did their scoring in the second, fifth and sixth innings. Murray, of Customs, drove in seven runs with a home run and a double.

# Ryals Score 10 In First

After hurling shutout ball for four innings, Don Dewelska coasted in a Wilson Park last night as Ryals Frigidaires walloped Sacred Heart 15-7 in Border Independent League softball. Uly Roy, Dewelska's opponent when the tilt began, lasted just one-third of an innings, Ryals getting to him for five hits and nine runs in a first frame that did not end until 10 men had crossed the plate. Russ Renaud pitched fair relief ball but both he and Roy, besides being hit hard, were given poor support.

Hodgins led the winners' 15-hit attack with a double and two singles in four attempts; and Moore and Hillier homered. Renaud hit twice in three tries for the losers and Rudling homered and doubled in five.

# G. M. Defaults

Unable to field enough players, General Motors defaulted to Chemsals in Industrial League softball last night, then filled in and played an exhibition game on the King George School diamond. Chemsals won, 11-8, with both clubs presenting makeshift line-ups.

Cullen hit a homerun for Chemsals, Gibson three doubles for General Motors, each in five attempts.

## Tuxis Softballers Put on Exhibition; Aid From Older Clubs

League A walloped League B 20-6 in the all-star Tuxis softball game staged at Kennedy Stadium last night for the benefit of lads injured in Tuxis play during the current season.

### GOOD PROGRAM

Helped by the Industrial League which sent its two leading teams to play an exhibition game as the concluding half of a doubleheader, the program drew in the neighborhood of 800 fans. Altogether, there were approximately 1,000 tickets sold, many of them in advance.

The fans got plenty for their money. From the standpoint of softball the second game was the better as well as the closer. But the kids put on quite a show.

Ossie Soucie, manager of the A team, sent every one of his 19 players into action.

# Cleaners Make It

Smith Cleaners brought their great end-of-the-schedule drive to a successful conclusion last night by turning in their best game of the year to beat the hard-luck Chrysler team 6-4, at Canadian Bridge Park, and clinch a Windsor Softball League playoff berth.

The entire Smith outfit played bang-up ball in every department last night but it was Bill Tidman's show. Tidman may never play another game like he did last night. He was a standout as a pitcher, a batter and a fielder. He yielded only four hits and five bases on balls and struck out 10 men; he singled, homered and walked in three trips to the plate and drove in three runs; and he made two fine fielding plays to cut off tallies.

George Weese and Mickey Drouillard each singled twice in three tries for the Cleaners against the fine pitching of Chow Thorne, who also got excellent support and matched Tidman's strikeout total of 10. Doug Lane made half the losers' hits, both doubles. He was up three times.

## Good Win By C. H. Smith

Two of the lowest teams in the league, C. H. Smith and Bartlet, Macdonald & Gow put on one of the lowest-scoring games yet seen in the Merchants Softball League when they met at Vocational School last night. Between them they made only six hits. Smiths won, 6-2.

Four bases on balls, three passed balls and a home run did the damage, so far as B. M. & G. was concerned. With Ken Storrey proving a great batterymate, George Pleavin, Smith's hurler, issued only three passes and had 15 strikeouts.

Mick Gleason hit the Smith home run. Bondy hit one for B. M. & G.

# QUEER WIN FOR BOLTER

## 10 HITS, NINE WALKS BUT ONLY ONE RUN

Fred Bolter, who has pitched two-hit and three-hit games for Hiram Walkers in the Detroit Softball Association and lost, pitched a 10-hitter last night, threw in nine passes for good measure and yet won 5-1. The losing team was Michigan Motor Club, in a Kennedy Stadium floodlight tilt. Walkers scored twice in the first inning although they did not get a hit until the fourth, when Pip Weaver stepped to the plate like the Weaver of old and blasted a long-distance home run to left.

# Banks Qualify For Playoffs

Banks and Moose Lodge put on a home run display in the last scheduled contest in the Windsor Softball League at Stodgell Park last night. Banks won out, 8-7, on Cliff Price's home run just inside the right-field foul line in the last inning. The victory put the Banks team in the playoffs, which will get under way next week.

Six home runs were hit in last night's game, evenly divided, with Farmer, Ripley and Price doing the honors for the Banks, and Vince Dunn, "Mouse" Trombley and Tom Gelina for Moose. Moose was trailing 7-5 when the final inning opened, but successive homers by Dunn and Trombley tied the score. Price, first man up for the Banks in their half, promptly decided the game with his circuit clout.

# Fine Win By General Motors

General Motors scored a fine win over L. A. Young at Canadian Bridge Park last night in Industrial League softball though they were fortunate to get the two runs that broke a 6-6 tie in the ninth inning. Youngson scored the first when his hit took a bad hop past Centrefielder Logan for a homer and Stewart the second on an infield hit, an error, a passed ball and another single.

Bud Trojand had a perfect night with the stick for G.M., hitting a homer, a double and two singles in four official attempts, while Pee-Wee Stewart hit three singles and a homer in five.

Bill Tidman got over a bad second inning to pitch his second win in as many nights.

## Bendix Defenses Yield in Clutch

Chemsals were rather fortunate to defeat Bendix last night in Industrial League softball at Shore Acres and might not have done but for collapse of the Bendix fielding at crucial moments. The score was 11-8.

Ralph Cudmore smacked a homerun, triple and three singles in five times at bat for Chemsals, and George Martin a triple and two singles in four for Bendix. Pryke homered for Bendix, with the bases empty.

## Hitting Mood

Gordon Pegler's Motor Products softballers took to Walkerside's vaunted Pitcher Dumeah like a duck takes to water when those Industrial Softball League teams clashed last night at King George School, winning 15-10. They reached him for 12 runs and 10 hits in the five and one-third innings he stayed in the box before George Ferris took over. Alex Clark and Joe Dowdell were co-leaders of the 15-hit Products attack with a double and three singles apiece in five tries and George Weese got a homerun.

John Sapergo went along well for the Products until the sixth, when he was driven to cover with one out after yielding seven runs and six hits. Stewart and Ferris each hit safely twice for Walkerside and Dumeah homered.

Don Hanson made a number of fine stops at shortstop for the winners.

## Bendix, Cushman Vanquish Bridge

Bendix jumped on Dinny Hebert and Slim Hole for six runs on four singles, a double, a homer by Gallagher and an error to upset Canadian Bridge in Industrial League softball last night, at Canadian Bridge Park, 10-6.

Miles Cushman pitched perhaps his best game in the Industrial League to date. He and the Bridge hurlers both got good support despite a total of seven errors, none of the misplays made before the ninth inning having any bearing on the scoring. Practically all of Cushman's trouble came in the person of Coke Maisonville, who had himself a great night by poling out three homeruns in five tries. Charley Mephan hit four singles in five for Bendix.

## Shedds, Stahls Here Tonight

Detroit Shedds cross the river again tonight to engage Hiram Walkers on the usual Tuesday softball program at Kennedy Stadium. They are men's teams and will go into action at 9 o'clock.

In the girls' game, starting at 7:30, Windsor's Silverwoods will play the Harold E. Stahl team of Hamtramck.

One change has been made in the local lineups of late. Walkers introduced a new shortstop, called Dyki, on their last appearance here and he promptly distinguished himself by making a double play at the plate, tagging out two men who attempted to cross on the same rundown.

## Fine Work In Field Wasted

Gathering momentum as they went along, Motor Products batters belted Leroy Dowdell and Bill Tidman for 11 hits and an 11-2 Industrial Softball League victory at King George School last night behind the steady flinging of John Sapergo. The G.M. team turned in its steadiest fielding game of the year but had the misfortune to do it behind a pair of throwers who were not only hit hard but were wild.

Bernard Farron led the Motor Products attack with three singles and a double in four times at bat. Dowdell hit two singles in three for General Motors and Youngson homered.

## Bowecki's Bat Decisive Factor

Johnny Bowecki led Chryslers to an 11-8 victory in their Industrial Softball League fixture with Auto Specialties at Chrysler Park last night. He tripled with two aboard in the fifth inning to put his team ahead for the first time and hit a homerun for the last of the three tallies that put the game in the bag in the seventh.

Leo Lamoureux also homered for Chryslers in the seventh, with one on, and in addition hit three singles in his other four times at bat.

# Their Smiles Broaden as Pain of Heavy Walloping Grows Less

**G**RADUALLY these young softballers are regaining the smiles they're flashing here, but they weren't very happy yesterday. They are half the squad chosen to represent the Tuxis B League against the Tuxis A League at Kennedy Stadium on

Thursday night and their side got a 20-6 shelling. Left to right, front row, Joe Rubinsky, Al Atkinson, Bill Wallin and Don Stillman; back row, Rudy Stillman (coach), Doug Cope- man, Jim McGhee, Jack Harding and Don McDonald (manager).

# Walkers Are Beaten

## First This Season

Give the little fellows a big hand! Chippy Pray's Royal Windsor Garage, one of the youngest teams in the eight-team loop and co-occupant of the cellar in Saturday's standings, yesterday became the first to defeat Hiram Walkers' 1938 Windsor City Baseball League entry in championship competition.

The snapping of the Distillers' string of victories came at an opportune time. The game was on the schedule as the second half of a doubleheader at George Avenue Park but the first half turned out to be a minus quantity. Colored Stars failed to place a team on the field at game time and were charged with the league's first 1938 default, with Millenbach Giants getting credit for a 9-0 win. Coming right on top of the default as it did, the Garagemen's fine victory lessened the prominence of the "black eye."

Billy Hodgins brought in the tying and winning runs when he walloped a homerun with a man on base in the eighth inning. Sharing honors with him were Doug Brownell, who homered with Hodgins on base in the third and Homer Laesser, who pitched all the way for the Garage while Merv Cady was doing likewise for Walkers.

Johnny Abram of Walkers also poled a homerun with one aboard, over the right-field fence.

There was no upset at Wigle Park on Saturday, Forda beating Post Office Lunch in the curtainriser, 3-1, and Moose Lodge outscoring Eddie's Smoke Shop, 8-1, in the nightcap.

Ace Smith and Maurice Beausoleil did some fine pitching in the Lunch-Forda tilt, with Beausoleil deservedly the winner, since he did not allow an earned run while Smith allowed two. Beausoleil did not issue a pass, Smith issued four and hit one batter.

A homerun by Lou Morneau in the second inning was the deciding tally. Morneau, with a single in his other two times at bat, was one of two players in the game to connect more than once. Ross Miles hit two singles in four for Post Office Lunch.

The champion Moose Lodge team coasted in against Eddie's Smoke Shop but it might have been a much different story had Bob Srigley been the Smoke-Faters' starting pitcher. He worked five and one-third innings and gave up only one hit and one base on balls, but it happened to be Fred Blackburn's turn to start and Blacky had a bad day. The Lodgemen got to him for all eight of their runs on five hits before he was derricked.

Bert Libby used three hurlers three innings apiece and all did excellently. Mickey McCann, the starter, allowed three hits, walked none. Joe King, next, walked two but did not give up a hit. Gerry Parent yielded two hits and one pass. All the hits were singles, the only extra-base knock of the game being a double by Alex Fiddes of Moose.

Russ Evon of Moose, Fiddes and Srigley each made two hits in four times at bat.

# Moose Rally Earns Draw

Percy Tremblay's Moose Lodge softballers came through with a three-run rally in the seventh and last inning to tie up the first game of their best-of-three quarter-final with Ottawa A.C. last night, 3-3, at King George School. The game was called at the end of the regulation seven frames because of darkness.

# Calhouns Lose To Wilkinsons, 14-9

The slipping Calhoun softballers dropped another Merchants League game last night, George H. Wilkinson beating them, 14-9, at Jackson Park. Loose fielding behind Pitcher Dennis of Calhouns gave him no chance from the start, but he was hit hard as well, with Wyzinkski's four safe blows in as many attempts topping the attack. J. Brunato hit a homerun.

## With Tuxis Softballers

Last night was a bad one for leading Tuxis Softball League, all three of the teams that are strongest according to the standings being charged with defeats. Westminster nosed out All Peoples, who lead one division; All Saints won by default from Optimists, who lead the other division, and Giles Christian edged out the champion Sacred Heart team.

Holder, with a homerun, triple and single in four times at bat, and Sheppard, with a homerun, double and single in four, led Westminster in a 9-8 defeat of All Peoples. Owad had a homer and three singles in four for the losers.

Sacred Heart tried hard to pull its game out of the fire in the first half of the sixth and last inning played before darkness set in but could not quite make it. Only Meloche of Sacred Heart, with a triple and double, and Green of Giles Christian, with a triple and single, got more than one hit. Each of the two batted three times.

Central United dropped another game, 9-5, to Lincoln Road. None of the losers got more than one hit off Bob Liles, though Hill tripled. Walmsley had four for four in the winning cause, including a homerun and double.

## Youngs Lose

Chemicals edged out L. A. Young 7-5 in a good Industrial Softball League game at Shore Acres. Three runs in the seventh inning, on a walk, double and two errors, decided the issue.

Youngs had a 12-11 edge in hitting, with Percy Logan connecting for three singles in five attempts. Ralph Cudmore had a double and two singles for Chemicals and Stan Tranter of the same team a homerun.

## Gives Trophy

Officials of the Belle River Softball League announced today that Paul Martin, M.P., will donate a trophy to the winner of the championship. The five-team loop is having playoffs this week.

## Rathwell Batters Close With Rush

Perhaps because it was their first game in more than a week, Rathwells were slow to find their batting eye in their Border Independent Softball League fixture with East Windsor Auto Wreckers at Huron Diamond last night. Once they did, however, they made life miserable for John and Joe King, and won out 13-4.

George Ralsbeck led Rathwells' 13-hit attack with a double and two singles in four attempts. Only Bill Zepka got more than two hits off Jack Dawson, who issued only four passes. John King walked six men and Joe King four.

Fred Anderson contributed the fielding feature, finally grabbing a Joe King fly to left-field after twice falling in attempting to get it.

# DISTILLERS TOP SHEDDS

WIN GAME 5-1 BUT  
LOSE PITCHER

Hiram Walkers defeated Detroit Sheds in senior men's softball at Kennedy Stadium last night, 5-1. Pip Weaver's long homerun with two aboard accounted for the first three tallies and was more than enough to decide the issue.

Ritvoy, pitcher for the homesters, was forced to withdraw after six innings when he wrenched his back in fielding a bunt on which he got his man at first base. Ritvoy and Fred Bolter combined to pitch a two-hitter.

# Easy Win For Banks

Banks ended Smith Cleaners' Windsor Softball League winning streak with a vengeance last night, shellacking them 10-0 in the first game of their best-of-three quarter-final playoff series, at Mitchell Park. Pete Bullard's high hopper to third base in the sixth inning deprived Jim Farmer of a no-hit game.

It was strictly a piece of bad luck that paved the way for the first three runs and with it the Cleaners lost heart. After that it was no contest, Banks going on to a decisive and well merited victory by playing fine ball all around. The Smith batters looked woefully weak against Farmer, whereas the Bankers started teeing off against young Bob Stinchcombe, who was far off form, and drove him out after two and one-third innings in which he was reached for seven runs and six hits. Cliff Head pitched nice relief ball, and struck out six men, but it was too late then and Farmer was too good. Farmer fanned six.

Ken Kersey led the Banks attack with a single and a long homerun in three official trips to the plate. Jim Wood and Elmer Bauer each had two singles in four and Farmer hit a homer.

# Youngs Defeat Kelsey, 11-6

Kelsey Wheel dropped an 11-6 decision to L. A. Young in Industrial Softball League competition last night, at Vocational School when Youngs put on a seven-run rally in the third inning, forcing Paul Laforet out of the box.

Laroque and Storrey each hit two singles in three times at bat for Youngs. Only Nick Skaleski, with a homerun and single, had more than one hit for the Wheelmen but Lloyd Brunner also homered.

# Kelsey Wheel Triumphs, 9-8

General Motors dropped a 9-8 decision to Kelsey Wheel in a Windsor Industrial Softball League game at Chrysler diamond last night.

Kelsey Wheel got away to a flying start, scoring one run in the first inning and five in the second. But they needed their big lead before the game was over, for the Motors clan staged a rally in the ninth that brought them within a run of tying the count.

Brunner was the leading hitter for the winners with a homer and single in five attempts, while Labute had two out of four for the losers.

# Gas Bows To Bayer

Joe Grondin and his surprising Bayer team took the opening game of its playoff series with Windsor last night by a 3-1 score, at Wilson Park. It was a hard-fought affair all the way through, with Bayer scoring twice in the opening inning, and holding this margin throughout.

The Gas team, minus Em Malott, presented a shifted lineup, but with Don Dwelska turning in perhaps his best pitching performance of the season, especially in the pinches, it is doubtful if they could have taken the decision at full strength.

Oleby, Summers and Chesney led the winners' attack with two hits apiece. Both of Summers' clouts were doubles. Morneau led the Gas hitters with two, one a double.

Jimmy Hogan had eight strikeouts against five for Dwelska. Each walked one batter.

The Bayer outfit afforded Dwelska its best performance of the year.

# Playoff Berth For Products

Motor Products beat and passed Canadian Bridge in Industrial League softball last night and assured itself of at least a tie for the third and last playoff position in the North Group. The defeat may have eliminated the Bridge team that many had picked to win the title. Its fate hinges on a protest of a game played last week, a protest which will be ruled on tonight.

John Sapergo pitched his best game of the year to put the Products in and was accorded fine support. He did not walk a man. Buzz Nolan of the Bridge was well supported too but the Products got to him for hits and passes at the right time. Bernard Farron of Motor Products, with two singles in three times at bat, and Joe Perrault of Canadian Bridge, with a double and single in three, were the only players to connect safely more than once. Pooch Bucheski hit a homerun for the Bridge.

# Walkersides Win 18 to 6

Trailing until the fourth inning when they cut loose with a barrage of base hits that netted seven runs, Walkersides zwanped Bendix, 18-6 in a Windsor Industrial Softball League contest last night at Walkerville Collegiate diamond.

The winners poled out a total of 16 hits in compiling their 18 runs. George Ferris had three singles. Briscoe harvested a homer and two singles and Jim Stewart a pair of singles. For Bendix Mephram homered and Hayden smashed out a pair of singles.

# NO ERRORS

The first errorless game to be played in the new Merchants Softball League organized here this spring developed when Bartlet, Macdonald & Gow met Geo. H. Wilkinson at Stodgell Park. B. M. & G. won, 7-5.

Bondy had a big night with the stick for the winners, smacking a homerun, double and two singles in four attempts, and Beger had three for four. Brunato of Wilkinsons also had three for four as he continued his heavy hitting.

# With the Tuxis Softballers

Last night's five games that ended the regular schedule proved low-scoring and close affairs with one exception. The hard-hitting Westminster club provided the exception by walloping Walker Road, 18-3. Holder had a perfect night with the willow for the winners, banging out two homers, a double and two singles. The losers were able to get but two hits off Gardner.

Playing at Kennedy Stadium, Sacred Heart eked out a bitterly contested 2-1 decision over All Saints. Parent went the route on the mound for the winners, yielding only three hits in the seven innings played, while Walker of All Saints, was nicked for four, three of them by Lesky, hard-hitting short-stop. Giles Christian and All Peoples were the combatants in another close game at Jackson Park with the first named club finally coming out on the long end of a 3-2 count.

The winners were outhit four to three but Carrier, the losing pitcher, contributed to his downfall by walking three men and making two wild pitches. No member of either team hit safety more than once.

DeMolay sluggers broke up what had been a neat pitching duel by scoring two runs in the sixth inning and adding three more in the seventh to defeat Lincoln Road, 7-1 at Wilson Park.

## Gas Ties Set But Curren Breaks Leg

Windsor Gas evened its best-of-three quarter-final playoff series with Bayer in Windsor League softball last night, winning 10-5 at Stodgell Park, but most of the joy of victory was killed when Red Curren suffered a double fracture of the leg in going into third base. Curren, a fighting but well-liked player and former amateur hockey star, is manager of the Gas team.

Jim Hogan pitched all the way for Gas, with Don Dewelska replacing Brother Ted for Bayer midway through the tilt.

Hillier and Chesley of Bayer and Archie Malott of Gas hit homeruns.

# Chemicals Beat Chryslers, 7-6

Chemicals, defending Industrial Softball Association champions, once again proved their superiority over Chryslers, considered their arch rivals for a second straight title, by edging out a 7-6 triumph last night.

Chemicals went to the front with two runs in the first inning and were never headed. They increased their margin to five before Chryslers broke into the scoring column with four runs in the sixth. Two more runs in the seventh made it 7-5 for the ultimate winners. Chrysler scored two more in the eighth but that was as close as they were able to get.

The heavy hitting of Stan Tranter figured prominently in the Chemical triumph. He poled out two singles and a triple to drive in three runs and score one himself. Souchuk paced the losers with a double and two singles.

# Wiseman Saves Ottawans As Dowdell Fails

Ottawa A. C. has a one-game lead in its quarter-final series with Moose Lodge in the Windsor Softball League, after taking a 9-8 decision at King George School diamond last night. The first game of this series was a 3-3 tie, making it necessary for the teams to play again tonight at the same diamond.

Much of the credit for the Ottawa street team's victory last night can go to Orville Wiseman, who held the Moose team to two runs after relieving Tom Dowdell in the second inning and then drove in the ninth and winning run in the last inning. Moose took a particular fancy to Dowdell's offerings last night and scored six runs before Wiseman took over.

Lorne Edmunds led the winners' attack, with three singles in five trips to the plate, while Vin Dunn had two out of four for Moose, a double and single.

# Walkers Play Grudge Battle

A grudge battle between Hiram Walkers and The Better Made Club from Detroit will be offered at Kennedy Stadium tonight starting at 9 o'clock when these two teams meet in an International Softball League game. The Better Made players are eagerly waiting to get Hiram Walkers on the diamond again for it was the Windsor team that defeated them in an extra inning tilt a couple of weeks ago after they had won 31 straight games. After their first defeat they lost their next four starts.

A familiar face to local fans will be in the Detroit lineup tonight. The player is Joe Levine, former catcher of the Walker team. He will be in the outfield for The Better Made Club in this game. Silverwoods' girls will meet the Briggs team of Detroit in the opener at 7:00 o'clock.

# Chemsals Win 12-8

Chemsals defeated Kelsey Wheel 12-8 in their Industrial Softball League game at Shore Acres last night.

Paul Laforet pitched fair ball for the Wheelmen but did not receive very good support. Stan Taylor lasted until the fifth for Chemsals.

Tom Paterson made four hits in five times at bat for Chemsals and George Adam three in four, including two triples, for Kelsey Wheel.

# ROUND-TRIP, CLOUT WINS

## PROVIDES BIG ENOUGH EDGE FOR BOLTER

Dyki, new shortstop of Windsor's Hiram Walkers senior men's softball team, hit a homerun last night after Bruggeman had singled, and the two markers were enough to give the Distillers a victory over Detroit Better-mades at Kennedy Stadium. Final score of the exhibition was 3 to 1. Fred Bolter holding the cross-river team to two hits, one a homer by Slove.

The Scorers have picked the Industrial League team and the Umpires the Windsor League team.

Slim Hole will manage the Industrials and Marc Wood the Windsors.

Stewart and Dumeah, Walkerside; Proulx and Labute, General Motors; King, Lamoureux and Trudell, Chryslers, Chapman and Tapak, Canadian Bridge; Gibbs and Logan, L.A. Personnel of the Windsor League outfit has not been officially announced.

# Dawson Finds Wreckers Easy

Jack Dawson held East Windsor Auto Wreckers to seven hits and four bases on balls at Huron Diamond last night while Rathwell Cycles were bunching 12 hits and five passes off Johnny King for a 10-5 victory in Border Independent League softball. Dawson was accorded errorless support.

Stillman led the winners' attack with a triple, double and single in four attempts. Pip Weaver was the only other Rathwell man to connect more than once, turning the trick twice. Joe Kink hit a homer, double and single in four for the Wreckers.

# Specialties In Danger

Motor Products scored another fine victory in the Industrial Softball League last night, and possibly deprived Auto Specialties of a playoff berth. By beating the Specialties, 6-3 at Auto Specialties Park, the Products dropped that outfit into a tie for third place in the South Group. The Specialties will now have to play a sudden-death game with Kelsey Wheel for that last spot.

Again given good support, lefthanded John Papergo pitched another good game while the Products hitters baffled the Specialties' defense with looping hits over the infield. The winners made 15 safeties, leaders of the attack being Alex. Clark, Bernard Farron and Hanson. Clark hit a homerun, double and two singles in five trips to the plate, Farron got a double and two singles in five to continue his recent great hitting streak and Hanson two singles in three.

George Williamson hit two doubles in four for Specialties and Bill Hood a double and single in three.

# B.M.&G. Nine Collapses

After turning in three successive good games, Bartlet, Macdonald and Gow blew up last night and underwent a 15-3 shellacking at the hands of Webster Bros.-Labadie in Merchants Softball League play, at Jackson Park. It was no contest after the first frame, in which the winners scored eight times.

What kind of world do we want to live in?

# Ottawans Put Out Lodgemen

Moose Lodge's Windsor Softball League entry put on another of the last inning rallies that have featured a play all season last night, but it stopped at six runs when 10 were needed and Ottawa A.C. chalked up a 12-8 win that put it into the semi-finals. The Ottawans took two straight games in the quarter final set after the first had been tied.

Pee-Wee Stewart hit a triple and homerun in four times at bat for the winners and Red McCall two singles. Kitts Trembley singled three times in as many chances for Moose.

# Fast Start Wins Game

Briggs Manufacturing's entry in the Major League of the Detroit Softball Association handed Windsor's Hiram Walkers a 4-3 defeat in a league game at Mack Park across the river last night. The winners got all their runs in the first inning.

Briggs had a terrible night in the field, making nine errors. The Detroiters' hits off Fred Sargent numbered only five. Walkers made just three hits off Trombley. They erred once.

# Windsor Loop Stars Chosen

With the exception of Maroons, who have just one, every team in the Windsor League has at least two representatives on the squad chosen to oppose the Industrial League in the all-star game that is to precede next Saturday night's burlesque between the Umpires and the Scorers at Kennedy Stadium.

Marc Wood, playing-manager of the champion Alpha Kai Omega club, is to run the Windsor League All-Stars, with the assistance of Archie Malott, veteran Windsor Gas player, and Jim McCarthy, Ottawa A.C., playing-coach. The players they will have at their command will be Bill Hudson and Harry Heydon, Alpha Kai Omega; Jim Farmer and Elmer Bauer, Banks; Jeff Hillier and Joe Grondin, Bayer; Ross Newitt and Jack Dawson, Alpha Beta Theta; Harold Bullard and Tom Horsburgh, Chrysler; Scotty Myles, Maroons; Clint Coombs and Vin Dunn, Moose Lodge; Lefty Garant and Tom Dowdell, Ottawa A.C.; George Weese and Clarence Drouillard, Smith Cleaners, and Leon Morneau, Windsor Gas.

# C. P. Breezes in, 30-7

Canadian Pacific Telegraphs out-slugged the rival Canadian National Telegraphs by a 30-7 score in their challenge softball game at Prince Edward School last night.

Art Woodward and Ernie Page composed the C. P. battery, with Slato and Bob Boycott on duty for the C. N. Scotty Myles and Fred Ewer had two homers each for the winners and Ray Hyland one.

# Kelsey Wheel Done For '38

Kelsey Wheel passed from the Industrial Softball League picture for 1938 last night, beaten 12-2 by Auto Specialties at Auto Specialties Park.

Chuck King not only pitched seven-hit ball but delivered the big blow of a six-run uprising that sewed up the game in the second inning. He hit a homerun with two men on base.

John Sadai also homered for Specialties but Guatto, Clark and Williamson were the only players to get more than one hit. Each singled twice, in four, five and six times at bat, respectively.

# Softball Notes

Playoffs start this evening in the Industrial League. L. A. Young and Auto Specialties, second and third respectively in the final standings of the South Group, open a best-of-three quarter-final series at Auto Specialties Park, the game to start promptly at 6 o'clock.

Ottawa A. C. and Alpha Kai Omega have been drawn against each other in the Windsor League semi-finals and will open the best-of-three series tomorrow evening, at King George School, at 6 o'clock.

The other Windsor League semi-final, between the winner of the Windsor Gas-Bayer series and Banks, will begin at Mitchell Park on Thursday at 6.

# BAYER INTO SEMI-FINAL

## HOMERUN BARRAGE PUTS OUT GAS NINE

Bayer moved into the semi-final playoff round of the Windsor Softball League last night, defeating Windsor Gas, 6-2, in the third and deciding game of a best-of-three quarter-final, at Mitchell Park.

The game was strictly a homerun affair, six of the eight tallies being circuit blows. Jeff Hillier hit two for Bayer and Ken Chesney and Cec Beckerson one apiece. Em Malott and Lefty Nelson also plastered one each to account for both Gas markers, the latter's a mammoth clout to right field.

Hillier and Don Dewelska rate most of the credit for the Bayer victory. The stocky little shortstop hit two doubles in addition to the two homers in his four times at bat and drove in four runs. The long and lean Dewelska turned in a splendid pitching performance, allowing but four hits.

If the home-run balls could be discounted, Jim Hogan pitched a good game for Gas, but his support was below that accorded Dewelska, whose brother Ted and Chesney pulled off feature catches in the Bayer outfield. Hogan had nine strikeouts.

Windsor Gas	001 010 0-2 4 4
Bayer	011 121 x-6 10 1

Hogan and Fletcher; D. Dewelska and Grondin.

Definite dates have now been allotted for the semi-finals in the Windsor League.

The two series will be on the best-of-three-games basis.

Ottawa A. C. is at home to Alpha Kai Omega tonight, at King George School diamond, with the second game to be played at Mitchell Park on Tuesday, August 23.

Bayer and Banks will play the first game of their series tomorrow night at Mitchell Park, with the second game to be played at Wilson Park on Monday, August 22.

If a third game is necessary in the Ottawa A.C.-A. K. O. series it will be played at Wilson Park on Wednesday, August 24, and if necessary in the Bayer-Banks series at Stodgell Park on Wednesday, August 24.

The league final will begin Thursday or Friday night of next week, depending upon which teams qualify.

## Thrilling Victory For Frigidaires

Catcher Moore of Frigidaires hit a home-run on the first ball pitched after one man had been retired in the last half of the ninth inning to give his team a thrilling 4-3 victory over the champion Rathwells in Border Independent League softball at Wilson Park last night.

It was a fine game all the way and the young Frigidaire team put on a great finish to win it, three of their four tallies coming in the last two innings.

Skinner also homered for the winners in addition to Moore, and Kemp homered for Rathwells.

Rathwells	001 101 000-3 6 1
Frigidaires	010 000 021-4 5 2

# Bridge, C. I. L. To Play Again

Possibly Canadian Bridge is beginning to rue the day it successfully protested a game in which it was charged with a defeat by Chemsals. Of course the Bridge needs to win the tilt to get in the playoffs, but last night they replayed it for a second time and for a second time it ended in a tie. They'll try again tonight, at Shore Acres, and in so doing will be meeting for the third time within 72 hours.

The score last night was 7-7, Bridge pulling the game out of the fire with a three-run rally in the seventh and last inning played before darkness set in. Buzz Nolan hit his second homer of the game in that last session. He had hit one in the third, along with Pooch Bucheski.

Ed Morneau and Tom Paterson homered once for Chemsals and Stan Tranter and Bill Cullen each singled twice in four tries.

Cullen pitched the full game for Chemsals for the second straight night. Nolan and Dinny Hebert again shared the Bridge hurling chores.

Chemsals	001 240 0-7 9 1

Nolan, Hebert, Nolan and Tapak; Cullen and Morgan.

## Beaten Again

Webster Brothers-Labadie hung another defeat on the slipping Calhouns team last night in their Merchants Softball League encounter at Wilson Park, 11-4.

Cross continued his good pitching for Webster-Labadie, allowing only eight hits and striking out 13 men, and also had a good night at the plate with three hits in four official trips.

# FIRST BLOOD FOR YOUNGS

L. A. Young drew first blood in its Industrial Softball League quarter-final with Auto Specialties last night, winning the first game of the best-of-three series 12-4, at Auto Specialties Park.

The Young batters hit Pitcher Bill Parker and Chuck King of Specialties both hard and often and more of them would have scored had not the Specialties outfielders done a valiant job of chasing and stopping drives that were labelled for three or four bases.

Young's did get one timely homer, Jack Shanahan connecting with two men on in the third inning to account for the spree that actually decided the game. Shanahan also had two singles in his five times at bat.

Ray Urbanski hit three singles in five for the losers.

Boots Gibbs pitched hitless ball for Young's until the fourth.

A. Specialties . . . 000 220 000—4 8 2

# Riverview Knocked Out Of Senior Softball Race

Assumption eliminated Riverview from the Windsor Playgrounds Association senior softball picture this morning with a 16-7 win in a sudden-death semi-final.

Earl Meloche, an Industrial League rier, held Riverview to four singles, the first of which did not come until two men were out in the sixth inning. Willis got it. The losers drew four losses.

Starker, Piccinato and Montenari hit three singles for Assumption.

Riverview . . . 000 015 010—7 4 4

# Getting Near To Top Rung

Frigidaire's walloped Sacred Heart 14-5 in their Border Independent Softball League tilt at Lanspeary Park last night and thereby gained a full game on the league-leading Standard Paint team. In second place, Frigidaire's are now just one game back of the Painters and have played four games less.

While Price was pitching five-hit ball for the west-side kids last night, two Sacred Heart pitchers were being hit hard and often and let down in the field.

Only Ossie Soucie got more than one hit for the losers, bagging a single in double in three chances. Orville Tiller led the winners' 17-hit offensive with a homerun, double and single in five chances.

Frigidaire's . . . 106 006 10—14 17 3  
Sacred Heart . . . 200 002 01—5 5 4

Price and Moore; Renaud, Hogan and Leblanc.

# Wilkinson Defeat Smiths

Geo. H. Wilkinson scored five times in the fifth and last inning to beat C. H. Smith 8-7 in their Merchants Softball League game at King George School last night. Darkness prevented further play.

Three of the eight hits Wilkinsons made off George Pleavin were home-runs, two by Ed Carter and one by Brunato.

C. H. Smith . . . . . 220 30—7 4 0

# Pilot Pulls Fast One

## VETERAN KINGHORN'S HIT BEATS A.K.O.

With the score tied at 2-2 in the last half of the inning and two men out, Dave Kinghorn elected himself pinch-hitter for Ottawa A. C. in its Windsor Softball League semi-final with Alpha Kai Omega at King George School last night. Few in the large crowd knew that Kinghorn was eligible to play, let alone believe he could get on base at the expense of a pitcher who had allowed only four hits up to that time and had struck out 10 men. But Kinghorn fooled the scoffers. He pushed a single between first and second, winning the ball game and putting the Ottawans one up on the champions in the best-of-three series.

It was a great game all the way, and while the Ottawans may have deserved the victory they might very well have been losers instead of winners but for a piece of luck. Bill Hudson, A.K.O.'s pitching ace, had to work until 6 o'clock and was not on hand when the game started. Playing-manager Marc Wood filled in until Hudson's arrival and though it was just for one inning it was long enough for the A. C. to score two runs, on a homerun by Crawford Stewart. Hudson pitched brilliantly and it was a cruel fate that put the defeat on his shoulders.

Tom Dowdell of the winners also did an excellent job of pitching, allowing only three hits and chalking up nine strikeouts, but he was by no means the entire Ottawa A. C. battery. Lorney Edmonds did a splendid job of catching and did a grand job of tagging out no less than three would-be run-scorers at the plate.

Alpha Kai Omega 000 010 1—2 3 1  
Ottawa A. C. . . . . 200 000 1—3 5 1

M. Wood, Hudson and House; Dowdell and Edmonds.

# UPSET BY WRECKERS

East Windsor Auto Wreckers scored a major upset in the Border Independent Softball League last night. They beat the pacesetter Standard Paint outfit, and by a score of 9 to 1, at that. Furthermore, the Painters got just two hits off Joe King, a triple by Tom Kavanaugh in the second inning and a homerun by Red Wiseman in the ninth.

It was the Point team's misfortune that Hank Pacey should have one of his rare bad nights at just the same that his mates also happened to bog down in the field. Pacey walked seven men and his mates made seven errors. It was the passes and boots that gave the Wreckers most of their runs.

Ray Urbanski and Lefty Trudell were the only players to get more than one hit, both singling twice in five attempts.

Auto Wreckers, 020 304 000—9 6 0  
 Standard Paint...000 000 001—1 2 5

Joe King and Urbanski; Pacey and Locke.

# Scorers, Bridge Is Umps Set Victorious

Perhaps believing that all good things should be saved until the last, the Umpires and Scorers first announced the teams picked for the all-star preliminary to their burlesque softball game at Kennedy Stadium on Saturday night. Today, however, they came across with the big (or so they regard it) news of the event, the personnel of their own teams.

The Umpires squad will comprise Sox Henwood, Dolly Dulmage, Art Ray, Bill Shaw, Star Mason, Polly Johnson, Herb Locke, Herb Smith, Eagle Reid, Mickey McMillan, Ed Saby, Louis Saddy, Bertie Wilson, Chuck King, Lloyd Wanless, Gordon McLachlan, Art Semeniuk, Ed Robinson, Robby Robson, Paul Meloche, Joe Renaud, Harry Maisonville, Bill Bennett, Izzy Roy and George Richardson.

With a lineup like that to face, the Scorers have drafted Hank Pacey, Ray Urbanski, Gordie Fuller and, as usual, Alex Norry. The rest are Roy Burns, Harold Enright, Earl Enright, Dean Jackson, Glen Jackson, Joe Burns, Doug Vaughan, Jim Riddell, Leo Cada, and Harry Benette.

## BEAT CHEMSALS 6-4 IN THIRD REPLAY

Well, Canadian Bridge finally beat Chemsals in their game that was replayed three times, but the victory means the Bridgemen must play for a fourth successive evening. When Bridge beat the Canadian Industries team last evening at Shore Acres, 6-4, the victory left Bridge and Motor Products tied for third place in the Industrial Softball League's North Group with the regular schedule at an end, so these last two teams must now play a sudden-death game for the third and last playoff spot in that group.

Buzz Nolan, Canadian Bridge colored player, was in great form last night. He pitched the whole way, instead of sharing the job with Dinny Hebert, and came through with one of his best efforts of the season. Furthermore, he won his own game with a two-run homer in the ninth and also banged out two doubles and a single in his five times at bat. He had saved the previous night's tilt with a last-inning homer.

Bob Neskas also hit for the circuit off Stan Taylor. Stan pitched a nice game but threw five extra-base balls and the long hits caused Taylor's downfall.

Taylor fanned six men, walked four; Nolan fanned two, walked five.

Only Tom Paterson, with two singles in three official tries, connected more than once for Chemsals.

Can. Bridge... 000 002 202—6 9 3

# New Faces

Tournament play that began in Detroit this week may prove something of a boon to Kennedy Stadium softball fans, who have been looking at pretty much the same faces for the past two years. Tonight, for instance, the local Hiram Walkers team will meet the Burr Patterson club from across the river, an outfit that has never before played on this side. Current leaders of the West Side Municipal League, Burr Patterson was persuaded to come to Windsor for an exhibition game after Walkers' contemplated opponents had sent word yesterday they would be tied up by the tournament program.

Senior men's teams, Hiram Walkers and Burr Patterson will do their stuff after the customary curtainraiser between two girls' teams, one of them Windsor Silverwoods. This curtainraiser starts at 7:30.

# Products Put Out

Motor Products' plucky bid for a playoff berth in its first year in the Industrial Softball League came to an end last night when the Products team was beaten in an extra game, made necessary by Products and Canadian Bridge finishing the regular schedule in a tie for third place in the North Group.

Although they were playing their fourth crucial game in as many nights, the Bridgemen had enough in reserve to roll up a 10-5 margin in their final test of a gruelling week, at Vocational School.

The Bridgemen scored five times off John Sapergo in the opening inning and that proved a handicap the Products could never quite surmount.

Pete Tapak of Bridge led both teams at bat with three hits in four attempts, while Pooch Bucheski homered with one aboard for Bridge and Joe Dowdell with none aboard for Products.

Farron and Vachon of Products and Bezaire of Bridge supplied the fielding features.

# Youngs In Last Four

## SPECIALTIES SOFTBALL TEAM ELIMINATED

To Auto Specialties goes the questionable distinction of being the first team eliminated from the 1938 playoffs proper of the Industrial Softball League. The Tecumseh road gang bowed out last night when L. A. Young outscored them 8-5 at Vocational School, to make a clean sweep of the best-of-three South Group semi-final.

Specialties started off in great style and drove Boots Gibbs from the box before a single out was made in the second inning, but they were practically helpless thereafter against the fine hurling of Slim Patrick, who gave up only seven hits and one base on balls and struck out six men in the eight frames he worked. Specialties' final bid to save the game was ended by a ninth-inning double play.

Meanwhile the Young batters kept pecking away at the offerings of Chy King, with the last four runs coming singly. Merv Cady drove in the win when he doubled behind Laroque, who had also doubled, in the sixth.

Cady made three hits all told, two singles in addition to his double, four times at bat. Laroque hit a double and single in three and Patrick double and two singles in five.

For Auto Specialties Ray Urbanski hit two doubles and a single in four and Clarke three singles in five.

Neither side could produce a homerun.

# RATHWELLS WIN 3 TO 2

Big "Feet" Taylor and his big bat led Rathwells to a 3-2 victory over Sacred Heart in a nip-and-tuck Border Independent League Softball battle at Huron diamond last night. Taylor banged out a homerun and triple.

Jim Hogan and Jack Dawson were the principals in probably the best pitchers' battle the Border Independent has produced this year. Although it was the sort of game that could go either way, Hogan was rather unfortunate. He allowed only six hits to his rival's nine and did not walk a single batter, whereas Dawson walked five. Furthermore, an error helped send the winning run around the bases, though it was Playing-Manager Jimmy Raisbeck who actually drove it in with a two-base hit. Hogan struck out five men, Dawson eight.

Ossie Soucie's triple followed by Jess Peltier's homerun accounted for Sacred Heart's scoring. Those two fellows were the big guns of the losers' attack. Ossie also hit a single in his four times at bat and Jess two singles in four.

Taylor was at bat officially three times for his long blows and Raisbeck, in four trips, hit a single in addition to his timely double.

Rathwells . . . 001 000 02x—3 6 0

# Gets Drop On Bridge

Walkerside got the drop on Canadian Bridge in their Industrial Softball League semi-final last night by taking the opening game of the best-of-three series, 10-6 at King George School.

Buzz Nolan was the losing pitcher. He replaced Dinny Hebert at the start of the seventh inning with the score even at four runs and was promptly reached for six tallies. Four singles, a walk, a passed ball, two wild pitches and an inexcusable error by Nolan himself accounted for the Dairymen's big session.

Nolan led the batters, with two doubles and a single in four attempts.

The winners pulled three snappy double plays to get Dumeah out of some threatening situations.

Can. Bridge . . 130 000 002—6 13 2

# Chrysler Painters Nip Arch-Rivals

Chrysler Painters, Industrial League softball team, edged out a 6-5 victory over Al Lodge's Windsor League Chrysler team at Stodgell Park last night. The game was the first of best-of-three series for the Crittenden Cup. The second game will be played Monday night at the Chrysler diamond.

Tommy Horsburgh gave the Windsor League Club a flying start when he homered with two on in the first inning.

Both clubs played loose ball in the field.

Ryall allowed only four hits and two runs in the five innings he worked, struck out five men and put his team in front to stay with a timely double.

Hitting star was Smith's Pete Bullard, with a homerun, triple and single in five trips to the plate. Clarence Drouillard slammed a single and double in four for the same team. Ralph Cudmore hit two double in for Chemicals and Johnny Wilson two singles in four.

### WALKERSIDE SERIES

Picked by many to win supreme honors, the Canadian Bridge team of the Industrial Softball League today is on the sidelines, beaten two straight in its opening playoff test. It was eliminated last night when Walkerside Dairy beat it on its own diamond, 7-4, to make a clean sweep of the league's best-of-three North Group semi-final.

One big inning, the sixth, was the rock on which the Bridgemen's hopes perished last night. Held to a single tally up to that point, the Dairymen batted around, made six straight hits and scored six runs that put the issue on ice.

Briefly, this is what happened to the offerings of Buzz Nolan, who pitched all the way for the Bridge, in the sixth: Dumeah doubled, A. Stewart, Shelley and Ferris hit successive singles. With two men on base, Long hit a homerun. Westlake singled and scored on a passed ball and two wild pitches, the final Walkerside run. Reddick grounded out, J. Stewart walked. Erisco and Dumeah grounded out. Six runs, six hits, no errors.

Two errors mixed with a single, a fielder's choice, a wild pitch and a double sent Canadian Bridge away to a flying start with three runs in the first frame but Dumeah then ran up seven straight scoreless innings before being reached for a fourth and futile marker in the ninth.

Dumeah, besides starring as a pitcher, led the Walkerside attack, with two doubles in five attempts. Shelley hit a double and single in five.

Clarence Bezaire and Joe Perrault each got two hits in four trips to the plate for the Bridge, one of Perrault's a double.

## Industrial Leaguers Play Santa Claus

**W**INDSOR Playgrounds Association softball teams, now engaged in the playoffs, are doing their stuff with new bats and balls, and all because of the generosity of the clubs

of the Industrial League. Here is Bryce McDonald (left), vice-president of the Industrial League, handing over a batch of equipment to Angus Buchanan, Association supervisor.

## Set Tied By Frat

Alpha Kai Omega snatched its Windsor Softball League title out of the fire last night by twice coming from behind to beat Ottawa A.C. in the second game of their 1938 semi-final. An 8-4 victory, at Mitchell Park, evened the best-of-three series at a game apiece and sent it into a third tilt, to be played at Canadian Bridge Park on Friday.

Jack Heydon pitched to one batter before Bill Hudson, A.K.O.'s ace, arrived. Hudson started shakily but was great in the late innings. Furthermore he aided his own cause with the game's only homerun.

Only Carl Sheffield got more than one hit for the losers, but he singled three times in as many chances. Harry Heydon had three singles in four for A.K.O., Herb Norwood two in three and Hudson also hit a single in addition to his homer in his four tries.

## Industrial All-Stars Click

The Umpires and Scorers—particularly the Umpires—outdid themselves Saturday in renewing their annual burlesque softball game after a one-year layoff. Approximately 900 people went to Kennedy Stadium to see them perform and were rewarded with some great clowning and a high-grade preliminary game between all-star teams from the Industrial League and the Windsor League.

Neither side asked or gave quarter in the Umpires-Scorers conflict, and it wouldn't have done any good if they had, anyway. The going was fast and furious. Strikeout victims wound up in the stocks and were daubed with something that resembled whitewash. One Boy Bandit became a "casualty" and was wheeled off the diamond on an operating table and another was operated on in centre-field behind a screen that, as it mysteriously happened, enabled the crowd to view the entire process in shadows.

Four men who are outstanding figures in Detroit sandlot baseball were honorary umpires for the occasion but for all their diamond experience they have probably never seen any rules such as those that applied Saturday. The four were Oscar Stange, former catcher and coach of the Detroit Tigers; Tony Dugray, who piloted Walkerville Chicks to the Senior A championship of the Ontario Amateur Baseball Association some 10 years ago; Bob Henny, Detroit sandlot shortstop who has been signed by the Detroit Tigers and told to report to the Beaumont Exporters of the Texas League next spring, and Shorty Moran, president of the Detroit sandlot organization.

Oh yes, the score! Well, according to Harold Enright, who made a valiant effort to keep his book straight through all the goings on, the Scorers won 7-6, making 12 hits and three errors to 10 hits and two errors by the Boy Bandits. Enright was the hero of the game, as there were as many as 30 players on the field at once at times.

The preliminary was a nip-and-tuck affair from which the Industrials emerged victorious, 5-4. It could have gone either way.

Probably the deciding factor was the catching. Joe Grondin did a good job but the other three Windsor League receivers had considerable difficulty adapting themselves to either their unfamiliar batterymates, the floodlights, or both. Grondin of Bayer caught Johnny Wallace of Maroons and the combination was excellent. So was that of Bull Cullen and Charley Morgan, for that matter, but they have been batterymates for several years with the Chemsals.

# Jinx Walloped By Frigidaires

Frigidaires, Border Independent Softball League team, gave the "13" jinx a going-over last night by pounding out 13 hits to chalk up their 13th victory of the league campaign. They beat East Windsor Auto Wreckers, 12-6, at Huron Diamond.

Don Dewelska, beaten 12-3 in a Windsor League playoff only the previous night, was far too good for the Wreckers and merely coasted in as his mates blasted the King brothers, John and Joe, from the box. John King lasted just one-third of an inning and Joe two and two-thirds. By the time Jim Cipparone took over the Frigidaire batters were apparently content to call it a day, for they got but two hits off him in the remaining four frames, both in the last.

Jeff Hillier slammed four hits in five chances to lead the winners' heavy attack. John Russ and Lefty Trudell each hit two in four for the losers. Hodgins, Power and Hillier of Frigidaires and Zepka of Auto Wreckers supplied the fielding features.

# Lanspeary Junior Softballers Ousted

Jackson eliminated Lanspeary from the Windsor Playgrounds Association Junior softball picture yesterday, winning 11-7.

Jack Nicol, who took over the Jackson nurling chores in the fourth frame, was the hero of the contest. He not only pitched runless relief ball but hit a homerun with two men on base to break a 7-7 deadlock.

Ken Arrowsmith was Jackson's starting pitcher, with John McCarroll doing all the catching. Lanspeary used three pitchers, Gerry Kennedy, Pete Short and Eddie Hogan, in that order, with Bill Gowdy behind the bat.

Tony Cantor and Eric Tanner starred for Lanspeary, and Roy Larson, as well as Nicol, for Jackson.

# Sacred Heart Ties Painters

Sacred Heart and Standard Paint played to an 8-8 tie at Jackson Park last night in a Border Independent Softball League game ended by darkness after six innings. The Painters made eight errors.

Jimmy Hogan walked only one man to Hank Pacey's five. Pacey had a 7-5 edge in strikeouts.

Red Wiseman had a perfect night for Standard Paint, with a single, double and triple. Tom Cavanaugh hit a triple and single in three trips to the plate and Harvey Gregory a double and single in three. Tremblay had three singles in four attempts for Sacred Heart and Jess Peltier a home run with two on.

## WALKERS STAR TRIMS HOUSEHOLD 6-1

A single by Schafrice, cleanup hitter, in the second inning deprived Fred Bolter of a no-hit game as he pitched Windsor's Hiram Walkers softballers to a 4-1 win over the Household Paper Products team of Detroit in last night's senior men's exhibition at Kennedy Stadium. Household's run was scored on an unsuccessful attempt at a double steal, Boike crossing the plate as Hennenberger was being tagged out at second.

# 13 HITS OFF FURLONGER

Minus three regulars, Windsor Silverwoods suffered a 4-1 defeat at the hands of Rainbow Recreation in the international girls' softball exhibition game at Kennedy Stadium last night. Seldom, if ever, since locating here has Winnie Furlonger been hit as hard and as often as she was in this tilt. The Rainbow girls made 13 safeties, including a tremendous homerun by Gerber.

# Big Turnout Expected For Industrial Finals Tonight

**S**TAGING the remainder of this year's Industrial Softball League playoff games at Kennedy Stadium will bring a bumper climax to a most successful season in the league's history, President Fred Dobney thinks.

"The fans know that it is the fact that darkness falls too early these days, rather than eagerness to make money, that is causing us to move to the Stadium. For that reason I look for them to turn out every bit as well as, if not better than, they have been doing on sandlots, where the 'gates' have depended entirely on the 'pass the hat' plan."

Tonight's program, getting both best-of-three-games group finals underway, brings together L. A. Young and Chrysler Painters in the curtain-raiser at 7:00, and Chemsals and Walkerside Dairy in the second. All except Chryslers were in the 1937 playoffs, with Chemsals winning the league title. Chryslers are a new entry this year, but a good one, as witness the fact that they finished atop their five-team group.

## Share First Place

Webster Brothers-Labadie today is tied for first place in the Merchants Softball League, even with Customs after defeating that outfit 13-8. Vic Percy hit safely four times in as many chances for the winners. Ken Swan stood out for the losers.

# L. A. YOUNG, CHEMSALS GET JUMP IN INDUSTRIAL SOFTBALL

## Capture First Of Semi-Finals

CHAMPION C.I.L. TEAM DEFEATS WALKERSIDES

7-5; CHRYSLER PAINTERS LOSE IN

FREE-SCORING AFFAIR, 15-14

L. A. Young and Chemsals got the jump in the Windsor Industrial Softball League's group finals that got underway last night when the former outlasted Chrysler Painters, 15-14, and the latter nipped Walkerside Dairy, 7-5. Played as a double-header at Kennedy Stadium, the games drew 1,200 customers.

### Cady, Hodare to Rescue

While it had its high spots, the first game, opener of the best-of-three series between Youngs and Chryslers for the championship of the South Group, was a disappointment. Chryslers' fielding was poor and the pitching was bad on both sides. Two of Youngs' hurlers were even given a second chance, while Joe King of Chryslers went to such extremes in his seven and one-third innings that he struck out 13 men and walked eight.

Chryslers put on a steady drive in the late innings after a bad start and would probably have snatched victory in the ninth but for a hard running catch by Merv Cady in left field and another fine catch by Joe Hodare at deep short.

### Cullen's All-round Show

In the second game, Cullen conducted Chemsals along the victory road by striking out 14 men and personally contributing practically half of his team's hits, four singles in as many chances at the platter. For five innings he did not allow a run, but towards the end he tired to the extent where Chemsals' lead seemed on the verge of vanishing.

Chemsals got only the same number of hits off Ted Dumeah as Walkersides got off Cullen but the former bunched theirs for two big innings. It was a three-run spree in the eighth that settled the issue, the result of a single by Ted Costigan, two passed balls, Cullen's fourth hit, a third passed ball, Stan Tranter's double and a two-base wild throw.

## ALONE NOW

Webster Brothers-Labadie took over sole possession of the Merchants Softball League lead last night when they beat C. H. Smith 10-8 at Vocational School, while Customs had an open date.

Battling for a playoff berth, Smiths fought hard all the way, but lack of punch in the pinches was a fatal weakness in the late innings.

Reid collected three hits in three times at bat for the winners and Percey three in four. Willmott and Tayles of Smiths hit homeruns.

## Jackson, Walkerville To Battle for Championship

Jackson and Walkerville qualified as junior softball finalists in the Windsor Playgrounds Association yesterday by winning sudden-death games with Mitchell and Sandwich respectively. Jackson's victory was by a 13-11 margin and Walkerville's by 14-13.

John McCarroll and Roy Lauzon starred for Jackson, while Jack Fuller, Williams and Dink McIntyre looked best for Mitchell.

Poor support in the pinches brought about the downfall of Pitcher Virgdes Marlian of Sandwich. Ray Beauschene was Walkerville's starter but was too shaky, so Jim Gates finished, and did well.

# INSPECTION GETS JUMP

Neil McMillan's Inspection team went to the front as its best-of-three-games Ford Softball League semi-final with Wheel got underway last night, at Canadian Bridge Park, breezing to an 18-5 victory behind the fine pitching of Harvey Gregory. Gregory did not allow a hit until the fifth inning, and gave up only six during the eight played before darkness ended the tilt.

Manager McMillan's brother Mickey shone at the plate, belting a home run, a triple and single in five trips. Veteran Herb Smith hit a home run and three singles in six and Gregory added a homer to his pitching contribution.

Only Christian connected safely more than once for Wheel, getting two hits in three chances, but Johnny King and Johnny Abrams managed to get homers.

Eighteen hits and four errors accounted for Inspection's big run total. Inspection erred twice.

Primeau was Wheel's starting pitcher, with Gilbert attempting to come to his rescue. They pitched to Miller. Smith was Gregory's catcher.

## Head Baffles Chryslers

Cliff Head allowed but three hits in four innings, had five strikeouts and allowed but two balls to be hit past the infield as Smith Cleaners defeated Chrysler Painters 7-2 in an exhibition softball game at King George School last night. Only Codyre, with two hits in three times at bat, connected more than once for Chryslers. Pete Bullard had a double and triple, Harold Bullard a single and double and Norm Bullard a homerun for Smiths. Eight innings were played before darkness set in.

# Eliminated Second Time

All Saints' Taxis Softball League team is thoroughly eliminated this year. Sacred Heart knocked it out of the picture a week ago by beating it in a sudden-death game but it got back in by lodging a successful protest. However, Sacred Heart went out last night and proved the first win was no fluke by again winning, 9-7, and this time it looks like All Saints is out for keeps.

Merschback and Lesky of Sacred Heart each hit two doubles in four times at bat in last night's tilt at Jackson Park and Kennedy hit a double and single in three. Genga hit three singles in four and Dunlop a homerun in two for All Saints.

Genga pitched fine relief ball for All Saints when Starter Walker lasted only one-third of an inning, but nevertheless he was the losing pitcher, since All Saints tied the score in the sixth.

# Sacred Heart Triumphs, 15-9

Sacred Heart conquered East Windsor Auto Wreckers, 15-9, in their Border Independent Softball League game at Lanspeary Park last night.

Joe King, Wreckers starting pitcher, was scored on nine times in the first two innings on four hits, six bases on balls and four errors. Russ Renaud, Sacred Heart's starter, was relieved by Jimmy Hogan in the fourth.

Harry Zalba hit twice in two official trips to the plate for the Wreckers but the game's real batting star was Herman Vachon of Sacred Heart, who hit four in five.

Johnny King of the Wreckers supplied the fielding gem when he made a catch of a line drive over his head while running away from the infield.

Windsor Boasts of Unusual Athletic Team; Brothers of Major Sons as Challenge to Other Border Bat-Wielding Combinations; Other Relatives Help to Make Team Stronger

Ken Keith Harris Walt Don

**By Joe Burns**

Windsor has a softball team whose entire starting lineup consists of players with the same surname, and all of them related.

The team is called the Desjarlais Nine. Harris Desjarlais and his two sons comprise battery and infield; Paul Desjarlais, brother of Harris, and his two sons play the outfield.

In addition, three younger Desjarlais boys occupy the roles of scorer, batboy and mascot.

Two other relatives also play, but their name isn't Desjarlais.

In addition, there are two more subs

neither of whom is related to the Desjarlais Tribe—rank outsiders, you might call them, but since both happen to be capable young pitchers and at least one of the two is formidable both at bat and in the field they are tolerated.

Here is the way the team generally lines up at the start: Keith Desjarlais, c.; Ken Desjarlais, p.; Harris (Pop) Desjarlais, 1b.; Stu Desjarlais, 2b.; Walt Desjarlais, ss.; Don Desjarlais, 3b.; Gord Desjarlais, lf.; Bob Desjarlais, cf. and Paul Desjarlais, rf.

Keith, Ken, Stu, Walt and Don are Harris' sons; Gord and Bob are Paul's. Harris, familiarly known as Pop, is the manager.

The subs are George Proulx, catcher;

Roger Proulx, outfield; Bill Moffatt, pitcher, third-base or outfield, and Armand Pichette, pitcher. The Proulx boys, brothers, are Desjarlais' relatives, nephews of Harris and Paul. Likeable young Moffatt and the promising Pichette are the outsiders.

The scorer, batboy and mascot are, respectively, Gerald Desjarlais, Bill Desjarlais and Harland Desjarlais. Gerald and Bill are Paul's boys, Harland is Harris'.

Ages of the 12 Desjarlais' are, it is rumored: Harris, 49; Paul, 48; Walt, 25; Don, 24; Keith, 20; Ken, 20; Stu, 17; Bob, 17; Gord, 16; Gerald, 13; Bill, 12, and Harland, 10. Keith and Ken are twins; Harris and Paul bear such a strong resemblance

to each other that they might pass as twins themselves.

And lest it be thought that as a ballplaying organization the team is nothing more than a novelty, let it be said that it can give a highly creditable account of itself in action. Three years ago Harris Desjarlais organized his five boys into a basketball team and the quintet compiled an enviable record playing as an independent team. Now the softball team is compiling an ever better one. So far it has played 12 games—all exhibitions, of course—and has lost only one, to a Belle-River all-star team by a score of 2 to 1. One of the victories came in a 15-inning affair. Not bad, eh?

# George Avenue Softballers Win

George Avenue added to its collection of laurels for Windsor Playgrounds Association athletic competition yesterday when Specht team won the senior softball championship, defeating Assumption 12-5 in the deciding game of the best-of-three final.

Bob (Sluggo) Stinchcombe held Assumption to six hits and had 11 strikeouts. Starring on the offensive for the winners were Wilkinson, Zepka and Munroe, with two hits apiece. Wilkinson and Zepka each hit a homerun.

Pongrazt and Meloche each hit twice in four tries for Assumption, whose starting pitcher was shelled from the mound during an eight-run fifth inning.

# Jinxes Take Beating Under Stadium Lights

Windsor Silverwoods finally defeated the Roman Cleanser team of Detroit last night. Playing the girls' half of the usual exhibition softball double-header at Kennedy Stadium, the Dairymaids won 5-4, the first time in six 1935 meetings that they have been able to beat these particular Detroiters. A single by Tena Sapergo in the role of pinch-hitter tied the score at 4-4 in the seventh and last inning and a walk to Mary Goswick with the bases loaded ended the encounter.

It was a bad night for jinxes at Kennedy Stadium last night, after seeing Windsor Silverwoods beat Detroit Roman Cleanser for the first time this year in the girls' game. Detroit Shedd's marked up their first 1935 victory over Windsor's Hiram Walkers in the senior men's tilt. The score was 2-0.

Both Shedd's runs were unearned, the winning one crossing the plate on a wild heave by Jack Ward and the other one on errors by Clarence Bruggeman and Bill Hudson.

# Farmer Whips Standard Paint

Only half a game out of first place when they met up with him. Standard Paint's softballers found out last night just why Jim Farmer has been going along so well in the Windsor League this year. They were his victims last night as he pitched Rathwells to a 6-1 victory in Border Independent League competition, at Huron Diamond. They got only five hits and one base on balls off him and he chalked up 13 strikeouts.

Hank Pacey, who pitched good ball for Paint but was handicapped by errors, was the only player to connect safely more than once against Farmer's twirling. He hit two singles in four chances. Sheve Landry homered.

Only Fred Anderson, with two for four, got more than one hit for the winners.

Pete Maisonville of Standard Paint provided the fielding feature, a shoe-string catch in the outfield.

# Wilson Park Girls Champs

Wilson Park won the girls' softball championship of the Windsor Playgrounds Association yesterday, by defeating George Avenue at Walkerville Collegiate. The Wilson lasses left no doubt as to their superiority, for the final score was 31-8. Wilson made 20 hits and five errors. George Avenue made only three hits and committed eight miscues.

Rose Marie May was the winners' pitcher and Muggs Campbell their big hitter.

# Banks Puts On Great Finish To Square Set

A stirring last-inning rally that netted four runs put Banks even with Ottawa A. C. in their Windsor Softball League championship series last night. Jim Farmer and Co. winning out by a 6-5 margin. They met at Mitchell Park. The deciding game will be played on a neutral diamond, Stoddell Park, Wednesday.

Three pinch-hitters were called on by Manager Les Hadley during the winning rally, and the necessary delays caused by the substitutions seemed to rattle Pitcher Tom Dowdell, for he rapidly lost his effectiveness.

Red McCall, Crawford Stewart, and Bob Bowser, who batted in that order at the top of the lineup, each got two hits in four attempts for the losers. Elmer Bauer of Banks hit the only homerun.

Ottawa A. C.	211	000	1-5 9 3

# Motor Club Nine Back

Hiram Walkers' opposition in tonight's senior men's intermediate softball tilt at Kennedy Stadium will be provided by the popular Michigan Motor Club. The two teams are on noticeably friendly terms but have yet to play a game that has not been of a ding-dong nature. Last time out Walkers' Freddy Bolter pitched a one-hit shutout, the single safety resulting from a drive that caromed off Bolter's hand when he put it up to protect his face.

A high spot of the Motor Club's games is the peculiar style employed by both of its pitchers, Fox and Selleck, in delivering their slowballs. They are still winding up when the ball is in the catcher's mitt, and the batters just can't seem to be able to figure when it is being released.

Silverwood girls are again slated to appear in the preliminary, starting at 7.30.

# Fourth Tilt For Ottawans, Frat

What was to have been the deciding game of the best-of-three Windsor Softball League semi-final between Alpha Kai Omega and Ottawa A. C. turned out to be a tie last night, the teams being deadlocked 5-5 when play was called on account of darkness. They will meet again Monday, at Wilson Park. Last night they played at Canadian Bridge Park.

Harry House and Herb Norwood of A.K.O. led the hitters last night with two safeties apiece, though Lefty Garant and Carl Sheffield of Ottawa A.C. hit homers, both in the second inning.

# Close In On Frigidaires

Second-place Standard Paint cut Frigidaires' lead to half a game last night by emerging victorious 13-6 from their Border Independent Softball League fixture at Wilson Park.

Harold Jackson smashed two triples and a single in four times at bat for the winners, Robbie Robson a three-run homer and a single in three and Turch Evon four singles in five.

Tiller and Skinner, each with a double and single in four attempts, were the only losers to connect more than once.

# 9 TO 2 DEFEAT ELIMINATES WALKERSIDES

## Painters Thump Youngs 18-8 to Force Third Game With Them

Chrysler Painters remained in the running for the Industrial Softball League championship last night when they scored an 18-8 victory to even their semi-final series with L. A. Young, but Walkersides were eliminated as Chemsals retained the championship of the league's North Group. Again played as a double-header at Kennedy Stadium, the games drew another crowd of 1,200.

### DECIDING TILT TOMORROW

Beaten 15-14 in the opener of their best-of-three set with Youngs for the South Group title, Chryslers showed a surprising reversal to win easily, 18-8. Buzzballer Joe King changed his pitching tactics to a double windup that, with the exception of the fifth inning, had the Young batters pretty well baffled. Meanwhile the Chrysler batters practically hit at will against Slim Patrick and Boots Gibbs, with Leo Lamoureux poking out no less than five safeties to lead the heavy offensive. But for another fine defensive game in left field by Merr Cady, Chryslers' total would have been still higher.

Deciding game of the series will be played at the Stadium tomorrow night, starting at 9 o'clock, with an exhibition between the league's two third-place teams, Canadian Bridge and Auto Specialties, as a preliminary.

# OTTAWA'S TAKE FIRST

Ottawa A. C. started off in the right fashion by outscoring Banks 8-5 in the first game of the Windsor Softball League final at Canadian Bridge Park last night.

Dave Kinghorn's lads started out rather shakily and before Tom Dowdell could settle down Banks had scored four times in the first inning.

The Ottawa Street team, however, began to hit Farmer from the start, with Red McCall, first man up, leading off with a home run, and by the end of the third inning the score was 5-4 in favor of the eventual winners. Banks tied the score again in the fourth, but three runs in the fifth settled the issue.

McCall played a star game for the winners, having a home run and double in four times at bat and turning in a high-class defensive performance at third base. Crawford Stewart and Norm Brower also had two hits each, one of the latter's a homerun.

Farmer was not nearly as good as in the series with Bayer and Smith Cleaners and his support was also faulty.

The second game of the series will be played Thursday night, at Mitchell Park.

## Sixth-Inning Explosion Sends Painters Into League Final

A terrific sixth-inning offensive of three homeruns blasted L. A. Young out of the Industrial Softball League picture for 1938 last night and sent Chrysler Painters into the championship series against Chemsals. That smashing sixth session was the turning point of the third and deciding game of the league's South Group final. Chryslers went on to win 10-5.

### PITCHER KING IN FORM

Played under the Kennedy Stadium floodlights before a crowd that was kept down to 70 chiefly because of chilly weather, it was a nip-and-tuck battle featuring Pitchers Joe King and Mickey McCann, for five frames. But Chryslers' four-run outburst changed a 5-4 deficit into a 8-5 advantage and from then on Youngs never threatened. King grew better as the game progressed and buzzballed his way through five consecutive scoreless innings to wind up the proceedings.

It was King who started the winning rally by socking the ball over Merv Cady's head in left-field for the first of the three homeruns. Mouse Trombley was retired, but Lefty Trudell lined a homerun off Percy Logan's upstretched hands in deep centre. George Souchuk kept the merry-go-round going with a single and Ernie Langlois then homered down the left-field foul line to account for the last two markers.

Later Trudell hit a second homer.

The preliminary exhibition, between Canadian Bridge and Auto Specialties, the league's third-place teams, was no contest from the second inning on, the Bridgemen scoring five times in the second and 11 times in the third.

Chuck King, who went the route for Specialties, was belted for three homeruns, a triple, two doubles and 10 singles. Buzz Nolan worked the first five innings for Bridge and yielded three hits and three passes.

Big gun of the heavy Bridge offensive was Pooch Bucheski, who clouted a homerun, double and single in four official attempts. Al Kirby hit a double and triple in four and Nolan and Pete Tapak hit homers. Pitcher King had the best average for Specialties, by virtue of a single in two official attempts.

The teams experimented by using a ball painted yellow. While the outfielders said they were easier to see than the ordinary white ones, the infielders complained about difficulty in following them.

#### PRELIMINARY ONE-SIDED

The preliminary exhibition, between Canadian Bridge and Auto Specialties, the league's third-place teams, was no contest from the second inning on, the Bridgemen scoring five times in the second and 11 times in the third.

Chuck King, who went the route for Specialties, was belted for three homeruns, a triple, two doubles and 10 singles. Buzz Nolan worked the first five innings for Bridge and yielded three hits and three passes.

Big gun of the heavy Bridge offensive was Pooch Bucheski, who clouted a homerun, double and single in four official attempts. Al Kirby hit a double and triple in four and Nolan and Pete Tapak hit homers. Pitcher King had the best average for Specialties, by virtue of a single in two official attempts.

The teams experimented by using a ball painted yellow. While the out-fielders said they were easier to see than the ordinary white ones, the infielders complained about difficulty in following them.

## Sacred Heart Evens Series

Sacred Heart evened its Tuxis A League softball final with Optimists last night by chalking up a lop-sided 17-4 win at Jackson Park.

Sacred Heart made just 11 hits for its 17 tallies but five of the 11 were for extra bases, including two homeruns by Kennedy who also hit a single in his four times at bat. Six errors didn't help the Optimist pitchers any, either, though they themselves committed three of the six while alternating in the pitcher's box and at shortstop.

None of the losers connected more than once, McMahon showing the best average by singling on his only trip to the plate.

Kennedy's homers were the only ones hit by either team.

# Inspection Goes Out

Wheel and Die pushed the vaunted Inspection team out of the Ford Softball League picture last night by outscoring it 12-9 at Canadian Bridge Park for a second successive victory after having dropped the opener of the best-of-three series.

John King again recovered from a wobbly start to pitch nice ball for the Wheelmen. He was not as good as he was the second game, but he did not have to be, for he and his mates belted Emokey Watson almost at will, banging out 17 hits.

Red Menard and Bucks Dumouchelle led the winners' attack, the former with a double and two singles in his four attempts and the latter with three singles in four.

McArthur topped the losers, with three singles in five, and Chuck Christian turned in another classy defensive game in left-field.

## Out of Running

George H. Wilkinson softballers, of the Merchants' League, eliminated the C. H. Smith entry last night and at the same time made the playoff grade themselves by beating Webster Brothers-Labadie, 14-8, at Stodgell Park.

Brunato, of Wilkinsons, and Cross, of Webster-Labadie, both had perfect nights at the plate, with four and three hits, respectively. Brunato and two of his team-mates, Landry and Garrow, hit home runs, along with Lawrence of Webster-Labadie.

# Vengeance For Bolter

## STARS WITH STICK AS WELL AS ON MOUND

Fred Bolter must have got a great deal of satisfaction out of the 3-2 victory scored by him and his Hiram Walkers team-mates over Michigan Motor Club in last night's senior men's softball game at Kennedy Stadium. Not long ago the Detroiters spoiled a no-hit game for the blond Windsorite. They got five hits off him last night, but both their runs were unearned. Also, Bolter personally opened the scoring when he hit a home run to centre-field in the third inning with the bases empty.

## SILVERWOODS AGAIN BOW TO CLEANSERS

Windsor's Silverwoods thought they had broken the spell held over them by Detroit's Roman Cleanser girl softballers when they beat the cross-river gang last week, but apparently the spell was merely suspended. The Cleansers again invaded Kennedy Stadium last night, and this time scored a victory, and a shutout victory at that. The score was 5-0.

# FRIGIDAIRE'S NOSED OUT

## PAINTERS FINISH ATOP INDEPENDENT LEAGUE

First place in the final standing of the Border Independent Softball League for its regular 1938 season was decided last night, in the closing game of the schedule, when Standard Paint defeated Frigidaires 10-6, at Wilson Park. The Painters moved up from second place to the top rung and Frigidaires dropped to second, just half a game lower.

After letting him down badly the previous few games, Hank Pacey's mates snapped out of it last night to give him excellent support. It was an opportune recovery, for Hank needed plenty of help, being hit much oftener than usual. The losers got 13 hits in the eight innings played before darkness set in, compared to the 12 made by the winners at the expense of Eric Price and Don Dewelska. Price gave way to Dewelska in the sixth inning.

Steve Landry, Red Wiseman and Tom Kavanaugh were outstanding in the Painters' defensive show, while Kavanaugh also led the attack, with three hits in five attempts, including a home run.

Hodgins hit three times in five for Frigidaires, and Powers had five put-outs in the left field. Standard Paint 021 402 10—10 12 1

# Homeruns Great Help

All Peoples got but eight hits in its Tuxis softball playoff tilt with Westminster last night, five of them by two players, but three of the eight were homeruns by the same two players and largely because of them the All Peoples team chalked up a 6-4 victory.

Mero and Harding were the big guns of the All Peoples attack. Mero hit for the circuit twice in three official trips to the plate and Harding, in four attempts, slapped out two singles in addition to his homer. All the winners' runs and hits were made off Gardner, in the first five innings.

Only Sefton, with a double and single in three chances, connected more than once for Westminster.

## FIREFIGHTERS GAMES FEATURE HITTING

Silverwoods, Alpha Kai Omega and Canadian Bridge won the Firefighters Field Day softball openers in that order yesterday. Silverwoods won the Detroit Association, Women's Division game, beating Detroit's Rainbow Recreation, only non-Windsor team on the card, 11-6. A.K.O. came from behind to beat Smith Cleaners 18-13 in the exhibition between the Windsor League teams. Canadian Bridge defeated Chemicals 7-5 in the Industrial League exhibition.

Rainbow did not bother to use a regular pitcher and in consequence passed from the picture in the third inning, when Silverwoods counted nine times on nine hits. The losers' pitchers were their most effective hitters, while Hyttenrauch led Silverwoods at the platter. There were no homeruns.

A.K.O. also staked a nine-run rally, but it came later on and won the ball game. This was not only a hitters' game, but a battle of homeruns. Norm Bullard, Bill Tidman, Pat Ryall and Harold Bullard delivered circuit blows for Smiths and Harry Heydon hit two for A.K.O. Heydon's second one was easily the most timely, coming with the bases loaded to highlight the winning nine-run rally.

# Police Softball Team in Form

Yesterday's softball game at the Firefighters Field Day was a heavy-hitting affair between the Fire Department and Police Department teams of the Civic League. Whether it was because they wanted to be good hosts or because they wanted to show their gratitude to the Law for helping out with their big event, the Firemen lost, 21-13, after having experienced little trouble with the Strong Right Arm during the regular schedule.

Tom Best hit two homeruns and two singles in five times at bat for the Police. Hec Rivers hit three singles in four and Neil Harwood homered once. LeFaitte had a perfect night for the Firefighters with two doubles and two singles in four. Red Morrison had three doubles in five and Frank Neave a homer.

Police men Teller, Paget and Best and Firemen Heatley, Neave, Ray Berthiaume and Boro Boissonneau made the best fielding plays.

# Gearmen Cop First

Steering Gear got the jump on Wheel and Die in their Ford Softball League championship series last night, at Stodgell Park, when it put on a steady drive in the late innings to take the opener of the best-of-three set 12-11. Two singles and two errors in the eighth and last frame played before darkness set in turned defeat into victory for the Gearmen.

Blaise Desjardins was no great shakes as a pitcher, but wielded a potent bat in the Steering Gear cause, hitting two homeruns and a single in five attempts and poling out the fly ball on which both the tying and winning runs were scored. Best of the pitchers was Ted Lebert, easily. He allowed neither a run nor a hit after relieving Desjardins with one man out in the fifth.

Like Desjardins, Wheel and Die's Johnny King was not so hot as a hurler but again hit well, getting a homer, double and single in his five chances.

Johnny Abram supplied the fielding feature, a beautiful running catch of a foul fly while running away from the infield.

Six homeruns were hit in the game between Wilkinsons and Webster Bros.-Labadie, played at Canadian Bridge Park, by Lajoie and Reid of the losers and Brunato, Salahub, Burridge and Heron of the winners.

Hitting stars of the Calhouns-Customs tilt were Gough of Customs, with a homerun, triple and two singles for a perfect night, and Don Johnson and Ken Swan of the same team each with three safeties in four attempts. Gough also did splendidly in the field.

## OTTAWA A. C. BEATEN 6-5 IN THRILLER

Maybe changing the name of the league did it. Banks finally won a softball championship last night, the championship of the Windsor League, which was known as the Bankers League until midway through the current season. Les Hadley's gang defeated Ottawa A.C., 6-5, at Stodgell Park before several hundred fans, in the third and deciding game of a series that was nip-and-tuck all the way.

The final contest was a thriller throughout, with Banks scoring three times in the seventh and last inning to win out. Features were catches by Lefty Garant, Jim Wood, Red McCall and Berthaume.

Frigidaires got all their runs in one frame, the second, on five singles, a double and three home runs, 12 men batting. Rathwells staged two big rallies, one in the fifth and one in the sixth.

Tiller, who had two hits in two official trips to the plate for Frigidaires, one of them a homer. Cox had two in three, as did Ward of Rathwells.

# NEW TUXIS CHAMPION

## DEFEAT BY OPTIMISTS OUSTS SACRED HEART

Windsor has a new Tuxis softball champion. Just which team it is, is not known yet, but a new titleholder was assured last night when Optimists defeated Sacred Heart, 4-1, at Jackson Park. It was the third and deciding game of a series for the championship of the Tuxis A League.

Nebbitt's fine pitching backed by oft-times brilliant support, Sacred Heart's weak hitting and an off-night by the usually firm little Pete Merschback were principal factors in the battle.

# SEMI-FINAL SETS EVEN

Both of the Merchants Softball League's semi-finals were evened up last night when Calhouns gave the strong Customs entry a 16-8 trimming and Webster Bro.-Labadie nosed out George H. Wilkinson, 6-5. Both games were second games of best-of-three series, and both were played at Stodgell Park.

Highlight of the tilt between Webster Bros.-Labadie and George H. Wilkinson was the pitching of Kipper during the first six and one-third innings. He allowed only one hit during that time, but he collapsed in the seventh and Cross barely had time to stop a dangerous rally that had reached five runs. Kipper also shone at bat, getting two doubles and a single in three chances.

# DISTILLERS IN PLAYOFFS

## SILVERWOODS ALSO; START TOMORROW

Detroit Softball Association playoffs got underway this week, with two games scheduled for Windsor's Kennedy Stadium tomorrow evening. Both Windsor entries, Hiram Walkers of the senior men's Major League and Silverwoods of the Girls' Division, are in the playoffs, since a .500 percentage in either the first or second half was enough to get a team in the select circle. Both local teams topped the .500 mark in both halves.

The playoffs will be conducted as round-robins with two defeats meaning elimination.

Silverwoods' first opponents will be their jinx team, the powerful Roman Cleanser aggregation. Walkers will first meet Rainbow Recreation.

The girls begin play at 7:00, the men at 9:00.

Final standings of the men's team for the second half are as follows, according to Association headquarters:

	W	L	Pct.
Hiram Walkers	8	2	.800
Briggs	7	2	.778
Ettermades	3	2	.600
Dr. Tenerowicz	4	3	.571
Rainbow Rec.	3	3	.500
Michigan Motor Club	3	6	.333

# Frigidaires Cop First

Don Dewelska outpitched Hank Pacey at Shore Acres last night to lead Frigidaires to a 7-3 victory over Standard Paint in the opening game of the Border Independent Softball League's championship series. The youthful Frigidaires finished second to the Painters in the league standing.

Dewelska walked five men, struck out eight; Pacey walked three men, struck out five.

Chappell hit a triple and single in three times at bat to pace the Frigidaire batters. Cox hit a double and single in four, and Tiller two singles in four.

All the losers' hits were singles, with only Jackson getting more than one. He had two in three.

# Nebbitt And Mates Routed

Opening game of the best-of-five series for Windsor's Tuxis softball championship proved to be a walkover for All Peoples, the Tuxis B League titlists. Played at Lanspeary Park last night, it saw Optimists, the Tuxis A League winners, routed 21 to 4.

Phillips pounded out a homerun, triple and two singles in four times at bat to lead a 16-hit All Peoples attack to which every man contributed at least once. Rubinski got a homerun, double and single in four.

Only Auttersson, with a double and single in two, connected more than once for the losers.

Nebbitt, Optimists' No. 1 pitcher, started but could not retire a single batter, giving up five hits and three bases on balls in a 10-run first inning. Wilson lasted an inning and a third and Broderick finished. Carrier, of All Peoples, on the other hand, pitched a four-hitter.

# After Chatham Church Softball League Championship

**G**ROUPED here is the First Presbyterian team that defeated Park Street Uniteds 7-3 in the first game of the Chatham Church Softball League playoffs. The team finished the regular schedule in first place. Left to right are: front row, Hope

Moon, Carmen Dix, John Milne, Dick Baker (bat-boy), Earl Peifer, Mac Asher and Jim Milne; back row, Tom Burnham, Ives Dagneau, Jack Thompson, Joe Baker, Bert Day and Rev. M. Scott Fulton, D.D., pastor of the church.

# Customs Gets In Title Set

It's Customs vs. Webster Bros.-Labadie in the Merchants Softball League final. Customs qualified for the title series last night, by defeating Calhouns 10-7, in the third and deciding game of their semi-final. The Geo. H. Wilkinson Trophy will go to the champion team.

Whitey Cummings was in great form for Customs. Pitching, he struck out 15 men and three times retired the side by the strikeout route; batting, he hit a three-run homer.

Though they trailed from the opening inning, Calhouns never quit trying. They finally drew level in the fifth, but Customs came back with a three-run rally in the sixth to put the game in the bag.

# DAIRYMAIDS BEAT THEIR ARCH-RIVALS

## Furlonger Holds Roman Cleanser in Check; 7-1 for Rainbow

Windsor's two entries in the Detroit Softball Association broke even last night as they made their first playoff starts, in a twin bill at Kennedy Stadium. The women's team, Silverwoods, won but the senior men's team, Hiram Walkers, lost. The playoffs are being conducted on the round-robin, two-game knock-out plan.

### NOTEWORTHY ACHIEVEMENT

Victory of the Dairymaids was indeed a noteworthy achievement, for the losing side was the Roman Cleanser outfit that the local lasses had beaten only once in two years prior to last night. The score was 4-1.

The Cleansers were definitely out-classed this time, as Winnie Furlonger biased the trail to triumph with a three-hit pitching performance.

Eva Zuk hit a single in the first inning that drove in two runs, and that brace was all Furlonger needed.

### ERRORS HELP RAINBOW

Walkers lost to Rainbow Recreation, 7-1.

Rainbow led from the third inning on and the Distillers did not get their run until the Detroiters had taken a 6-0 lead.

An error by Elmer Bauer gave the visitors their first marker, in the third, and a double and two singles along with a boot by Marc Wood gave them five in the fifth.

# King, Cullen and Clark Click

## Standouts in Industrial Softball

Big, blond Joe King, who shared first-base honors and pitching duties for Lloyd Fields' Chrysler Painters and even played a little in the outfield at the start of the season, won the 1938 batting championship of the Windsor Industrial Softball League by a margin of 36 points, according to the official figures released today by the Western Ontario Scorers Association. King batted .532. His nearest rival among the regulars was blond Alex Clark of Motor Products Corporation's entry, with a mark of .492.

King was at bat 109 times, made 58 hits and scored 37 runs. Only league games played prior to the playoffs are taken into consideration.

King's eldest brother, Chuck, a star in local softball for many years, went to the other extreme in possibly the poorest season he has ever had. A member of the Auto Specialties team, Chuck shared the unenviable title of "losingest" pitcher, with nine defeats, and also fell far below his usual batting standard, hitting just .183.

Two of Joe King's team-mates,

Lefty Trudelle and Jack Grassi, divided run-scoring laurels, each crossing the plate safely 45 times.

Clark, the runner-up in batting, made the most hits, 65, and thereby boosted England's stock in the matter of producing softballers. He was born near Sheffield, Yorkshire. Incidentally, he also had the best winning percentage of anyone pitching more than 50 innings, with .833.

One of Clark's team-mates was the co-holder of the "losingest" pitcher title with Chuck King, for John Sa-

pergo also had nine defeats chalked up against him.

"Winningest" pitcher was Bill Cullen, of Chemsals, who chalked up 14 victories.

Cullen worked the most innings, 157 1/3.

Leading fielder among the regulars was Pete Tapak, Canadian Bridge catcher and infielder, with a mark of .987. Dinny Hebert, also of Bridge, and Bill Parker of Auto Specialties fielded 1,000 to top the regular pitchers in that respect.

# Meet the New Rulers of Tuxis Softball in These Parts

**T**HIS is the All Peoples Mission team that has succeeded Sacred Heart Church's 1937 entry as champion of the Windsor district's Tuxis Softball League. It is managed by Miss Olive Jane Whyte, member of the city's board of con-

trol. Left to right are, front row: Jack Harding, Stan Woschenski, Joe Rubinski (captain), Bill Humick, Ed. Volick. Back row: John Owad, Jim Carriere, Joe Phillips, Al. Atkinson and Rudy Stillman (coach). They beat Optimists in the final.
