# St. Clair teams bring in Church, Wiseman

## Assistant coaches add experience

MARY CATON  
The Windsor Star

A couple of varsity teams with the St. Clair Saints picked up valuable experience on the bench in the naming of basketball's Royal Church and fastball's Doug Wiseman as assistant coaches.

"We're fortunate to have

them in terms of the experience they bring to their respective sports," said Ted Beale, an athletic co-ordinator for the college.

"The strength of the total coaching staff includes the assistant coaches. It's more of a football arrangement these days where you need someone to run the offence and someone for the defence.

Doug  
Wiseman

Royal  
Church

"We're happy to have them." Wiseman will work beside head coach Bill Smith, who has turned the Saints into a women's fastball powerhouse.

Their provincial bronze medal earned in the fall of 2011 represented their seventh consecutive OCAA medal.

When Humber dispatched the Saints, 12-7 in the semifinals, it marked the first time since 2007 that St. Clair didn't challenge Durham College for OCAA gold.

"I want to be competitive," Wiseman said. "I'm looking forward to this. It's a good opportunity for me."

Wiseman coached in the

Windsor Wildcats' system for six seasons before forming the Windsor Wild Ladies Intermediate team in 2010. He continues to coach that team this summer.

Wiseman also developed the Villanova Wildcats' high school slo-pitch program into a champion with four consecutive WECSSAA titles.

He stepped down as Villanova's coach a few years ago.

# Saints Church leaves Windsor Valiants

CONTINUED FROM C1

"I have a little more time now," Wiseman said. "I'm just looking to help out wherever I can."

Church has been coaching basketball at various levels for 40 years, including an interim season as head coach of the Windsor Lancer women.

"It was just time for a change," he said of a decision to join the staff of friend and

fellow veteran coach Ken Ambrose at St. Clair after coaching in the Windsor Valiants' travel system much of the past decade.

The Saints are looking to recreate the success they enjoyed under former head coach Jimmy Parsons but Ambrose endured an injury-plagued first season that ended with a disappointing 5-13 record.

"Ken's putting a lot of time

into the program," Church said.

"He's a good guy and he cares. We have a philosophy and a vision that could quickly turn that record around to 13-5."

Church said the program is on the cusp of announcing several important recruits and with a shovel hitting the ground in August for a new athletic facility, better days aren't far off.

"The new facility is a tremendous recruiting tool," Church said. "We're going to start drawing better players."

# Turtle Club makes changes

Turtle Club Baseball is pulling out of the District 5 Little League.

The organization unanimously voted during its annual general meeting to move its travel baseball program to the OBA's Sun Parlour Baseball Association and also expand its house league program.

The travel program, which will be represented by the LaSalle Titans, will field competitive teams in every age group from seven to 16 years old.

The houseleague divisions will be open to all eligible players between four and 19 that live in LaSalle.

In the travel softball program, Turtle Club will field competitive teams in every age group for girls between the ages of eight and 16 in the Pro-

vincial Women's Softball Association of Ontario.

Turtle Club president Dom Viera said the changes stem from several issues, including poor registration numbers.

"It's just gotten progressively worse every year," Viera said.

The changes will allow more players in LaSalle to play in the Turtle Club house league program.

In the past, players in certain parts of the town were forced to join the Windsor South Canadians because they were outside of Turtle Club boundaries.

"This move really eliminates our issue with boundaries," Viera said.

# Saints tryouts

The Saints women's fastball program will hold tryouts on the St. Clair diamond today from 6-7:30 p.m.

After three weeks of workouts and tryouts, the Saints will travel to Flint for a tune-up tournament hosted by Mott Community College.

Head coach Bill Smith will look to improve on a 2011 OCAA Provincial bronze medal with a new and young roster.

The Saints open up OCAA play at home against Conestoga Sept. 11 at 5 p.m. at the campus field.

As a future nurse, Alexa Georgiou's career goals include helping others feel better.

She's already made the St. Clair Saints' fastball team feel a whole lot better about their chances of being competitive in the OCAA.

One of nine rookies on the roster for 2012, Georgiou was instrumental in the Saints' weekend sweep of the Seneca Sting.

Her hitting and pitching in doubleheader wins of 7-2 and 10-2 earned her the nod as the OCAA's fastball player of the week.

At the plate, she had five hits, scored five runs and drove in three more.

On the mound, she worked

four innings for the victory in the opener and one inning of one-hit relief in the second game, striking out seven for the day.

More importantly, taking both games against Seneca allowed the Saints to level their record at 3-3 heading into tonight's twin bill against the visiting Mohawk Mountaineers at Mic Mac Park (5:30 and 7:30 p.m.).

"After the way we played against Seneca, I think we can accomplish anything," the 18-year-old Assumption grad said.

CONTINUED FROM B1

After opening the 2012 season with a 3-0 shutout over Conestoga, the Saints managed just five runs over their next three games, all losses, including two one-run decisions against Humber and a 5-1 decision against Durham.

"Our hitting has come along so well," said Georgiou, who plays travel for the Windsor Wildcats.

"We actually strung a lot of hits together to win on the weekend."

Georgiou was a prime recruiting target of Saints coach Bill Smith this past summer.

"She's an exceptionally good ball player," Smith said.

"We were looking for a pitcher who was going to be with us for a while.

"She solidifies our pitching along with Aly Teller. They have two different styles and compliment each other so well."

In the first year of a four-year collaborative nursing program, Georgiou could anchor the fastball program for some time to come.

"It's been fun," she said.

"It's almost the same as travel but you have to get used to fitting school into the equation as well."
