This Team came into the 2022 season with high expectations! As they continued their quest to improve daily, they "stayed the course" and succeeded to Perfection! WISEMAN NAMED OCAA COACH OF THE YEAR

Posted: Apr 17, 2023

TORONTO - Doug Wiseman of St. Clair College has been named the inaugural Ontario Colleges Athletic Association (OCAA) Coach of the Year. Wiseman was at the helm of a Saints team that completed a historic women's softball season in 2022.

The Saints have been a traditional powerhouse for almost two decades, earning OCAA medals in 15 of the last 16 seasons entering 2022. But the Saints had been stuck with the bridesmaids label as of late, with four trips to the last five OCAA gold medal games with only silver to show for it. St. Clair's last OCAA championship came in 2014.

All signs pointed to a change in script early in the 2022 OCAA regular season, when St. Clair outscored its opposition 53-4 against its first four opponents. When the Saints opened a doubleheader with a 3-0 win against another perennial medalist Humber before a 16-4 victory in the nightcap on Sept. 17, St. Clair looked well on its way to the regular season championship. In a Sept. 25 doubleheader against defending OCAA champion and nemesis Durham, St. Clair swept the twin bill by scores of 8-0 and 7-0 for 12 straight wins.

St. Clair went on to defeat Humber and Durham again in single games to begin October, and following a doubleheader sweep of Conestoga by a 26-0 aggregate on Oct. 15, the Saints completed a perfect regular season. While teams have gone undefeated before in OCAA women's softball (the last coming in 2011), no team had come close to the 24-0 record compiled by St. Clair in a single season.

St. Clair broke three OCAA team regular season records including most RBI in a season (253), most hits in a season (318), and most runs in a season (277). Perhaps even more impressive was the 20 total runs allowed, less than one per game.

The record would only be a footnote in history had St. Clair not continue its historic run at the OCAA championship. St. Clair opened play with a 3-1 win against a pesky Fanshawe team, then in back-to-back games against Durham, won by a combined score of 15-0 to win its fifth OCAA championship in program history.

Not surprisingly, St. Clair swept the OCAA women's softball major awards, headlined by Wiseman's fifth OCAA Coach of the Year selection. The Saints also won the Canadian Collegiate Softball Association national title, and completed the entire season (exhibition, regular season and championship) with an overall record of 34-0.

The OCAA has expanded its season ending awards to include an athletic administrator, coach and rookies in addition to its traditional athletes of the year. Winners will be honoured at the 10th OCAA Hall of Fame ceremony, to be held at the St. Clair College Centre for the Arts in Windsor, Ont., on Monday, May 1.

KRESSLER NAMED OCAA FEMALE ATHLETE OF THE YEAR

Posted: Apr 19, 2023

TORONTO - **Bryanna Kressler** of St. Clair College has been named the Ontario Colleges Athletic Association (OCAA) Female Athlete of the Year.

The reigning OCAA Women's Softball Player of the Year was a dual threat for the Saints at the plate and from the pitcher's circle. With a bat Kressler (Kitchener) had a regular season slash line of .529/.563/1.023 setting a new OCAA single season record with 45 runs scored while also contributing 51 RBI. Kressler's 46 hits included 14 doubles, 10 triples and three home runs.

From the rubber the fourth-year player made six starts going 6-0, allowing just one earned run over 34 innings of work for a 0.21 ERA, striking out 48. In addition, Kressler was named the OCAA Pitcher of the Year and headlined the OCAA League First-Team All-Stars.

Kressler was the top player on a team that simply had an historic season. The Saints completed its entire 2022 season (exhibition, regular season and championship) with an unblemished record of 34-0.

St. Clair went 24-0 during the regular season, the most wins without a loss in OCAA history. The Saints then won three straight post-season games to win their first OCAA title since 2014. St. Clair also won the Canadian Collegiate Softball Association (CCSA) national title, again without suffering a loss.

Kressler was named OCAA Championship MVP allowing no earned runs in a pair of complete games, including a shutout in the gold medal game. Kressler allowed just five hits in 14 innings, striking out 20 while walking just a pair. Kressler also had a hit and scored in each of St. Clair's three games at the championship. Kressler was also named Championship MVP, Top Pitcher and a Championship All-Star at CCSA nationals.

Kressler also joined the St. Clair women's basketball team this past season to help with roster depth having never played on a competitive team.

Kressler is the first-ever student-athlete from St. Clair to be named OCAA Athlete of the Year. Kressler joins **Erin Smith** (2003-04) and **Joanna Van Dyke** (1997-98) of Durham College as the only softball players to be given the award.

The OCAA has expanded its season ending awards to include an athletic administrator, coach and rookies in addition to its traditional athletes of the year. Winners will be honoured at the 10th OCAA Hall of Fame ceremony, to be held at the St. Clair College Centre for the Arts in Windsor, Ont., on Monday, May 1.

Kressler becomes first Saints' player in school history to earn OCAA player of the year

A dominating season by the St. Clair College Saints' softball team continues to be recognized. Kressler becomes first Saints' player in school history to earn OCAA player of the year

"That's really cool to hear," Kressler said.

Kressler's award comes just two days after St. Clair head coach Doug Wiseman was named the inaugural recipient of the OCAA's coach of the year award. Both will be recognized at the OCAA Hall of Fame ceremony, which will be held May 1 in Windsor.

"We had a remarkable year," said Wiseman, who has guided the program since 2013. "It's the best team I've ever been part of since I've been here and (Kressler) answered the call."

Kressler is originally from Kitchener, but her parents (Ryan and Steph) moved to Windsor in 2019 to stay closer to their children. She was attending Wayne State University on a scholarship while her brother Braeden Kressler, who has signed with the NHL's Toronto Maple Leafs, was playing with the Flint Firebirds in the Ontario Hockey League.

"They wanted to be closer and it was easier to pay a mortgage than hotels," the 24-year-old Kressler said. An honour student at Wayne State University, Kressler still had playing eligibility remaining when she graduated early and returned to Windsor.

"It was hard because I was trying to find something in the NCAA for my last year of eligibility and I couldn't find anything that was a fit for me," the five-foot-two Kressler said. "Doug reached out to me. I lived in Windsor already and he said, 'Do you want to see what our program's about?' It's been a ride since then."

Kressler was part of a dominant St. Clair program that posted a perfect 34-0 record during the season, which included a 24-0 record in regular-season play.

The club went unbeaten in capturing the OCAA title where Kressler was named tournament MVP. In conference post-season awards, she was named a first-team all-star, provincial player of the year and pitcher of the year. She was also OCAA all-academic.

For the season, Kressler finished second behind teammate Amy Claydon in the OCAA in hitting with a .529 average while scoring a conference record 45 runs. She was a perfect 6-0 when pitching with a league-leading .21 earned-run average after allowing just one run in 34 innings of work and striking out 48.

"She got on the same page right away," Wiseman said. "We knew she was coming in with a lot of status. Coming in and being that team player, she bought in quickly. She took the lead with a lot of great players around her."

With the Saints again unbeaten at the CCSA national championship, Kressler was named top pitcher and tournament MVP.

"Here, everyone's here for both school and to play," Kressler said. "It's way more fun for me. It's not like a job. It's something I get to do and have fun doing and I've met a lot of lifelong friends."

The scary part for the rest of the OCAA is that Kressler will return for another season.

"This program's been amazing," Kressler said. "I love being able to hangout with friends and play."

"I'm most proud of the two gold medals. Winning gold medals are better than any personal awards and it was an awesome time. I don't know how we can top this year, but maybe do the exact same thing. We're working hard and hopefully what we did this year, we can do next year."

Three years later and the process has gotten no easier for the selection committee. The 16th (WESPY) Awards returned for the first time since 2020 on Wednesday at the Caboto Club, but the process to pick winners proved no easier for the 10-person panel.

"Some of the selections were really tough for sure," said WESPY founder Dominic Papa, who is not on the voting panel. "It seems every year we've done this is gets harder and harder."

Ron Smith, who guided the Windsor Stars to Baseball Canada's senior men's championship since 2013, was one of the major award winners at Wednesday event as he was named coach of the year.

Owen Findlay, who played junior B hockey with the LaSalle Vipers while also playing baseball for the St. Clair Saints and Tecumseh Thunder, was named male athlete of the year while L'Essor high school product Rose Forshaw, who is now at the University of Hawaii, was named female athlete of the year.

The St. Clair softball team earned team of the year honours while former University of Windsor Lancers' men's hockey player Ben Assad claimed the Mickey Renaud Captain's Leadership Award.

Aris Kahn, from the JK Cup Squash Tournament, was named executive of the year while Patti Kell was awarded the Knobby Knudsen female volunteer of the year and Jim Snively the male volunteer of the year.

Jamie McDermott was presented the award for courage and determination while Debbie Clarke was named the John DeNapoli Sports Community Service Award winner.

Nancy Loeffler-Caro captured the female legacy award and Tony Piroski the male legacy award winner.

Wednesday's award winners were for performances between the fall of 2021 through the summer of 2022. Forshaw, who won three medals at last year's OFSAA track and field championships, also claimed the Dennis Fairall track and field award on the female side while the Lancers' Ben Tilson won it on the male side.

University of Windsor Lancers' goaltender Kristen Swiatoschik won the Ed Jovanovski Hockey Award on the female side while Wyatt Johnston, who won an OHL scoring title and was named league's Most Outstanding Player with the Windsor Spitfires, won it on the male side.

The softball award went to St. Clair's Bryanna Kressler while the Stars' Andrew Wasyluk won the baseball award.

Sandwich Aaliyah Faddoul won the female soccer award with St. Clair's Riley Drkulec claiming the male award. The Lancers' Brooke Davis won the Tim Hommel volleyball award on the female side with the Lancers' Dami Alalade taking the male award.

The Windsor Aquatic Club's Jayne Harcarufka won the female swimming award with WAC's Alexander Lackovic winning the male award and WAC teammate Julia Lane claimed the parasport athletics award.

Allison Accetta, from the Windsor Wrestling Club and Sandwich high school, won the female wrestling award and Nash Renaud, also from the WWC and Massey high school, earned the male award.

The Lancers' Vanessa Ardovini, who claimed last year's Jamieson Junior Golf Tour girls' title, won the female golf award and James Hill, who was at the University of Detroit Mercy on scholarship, took the male award.

Sisters Logan Kucera and Jana Kucera, from St. Clair, shared the female basketball award with the Lancers' Thomas Kennedy earning the male award.

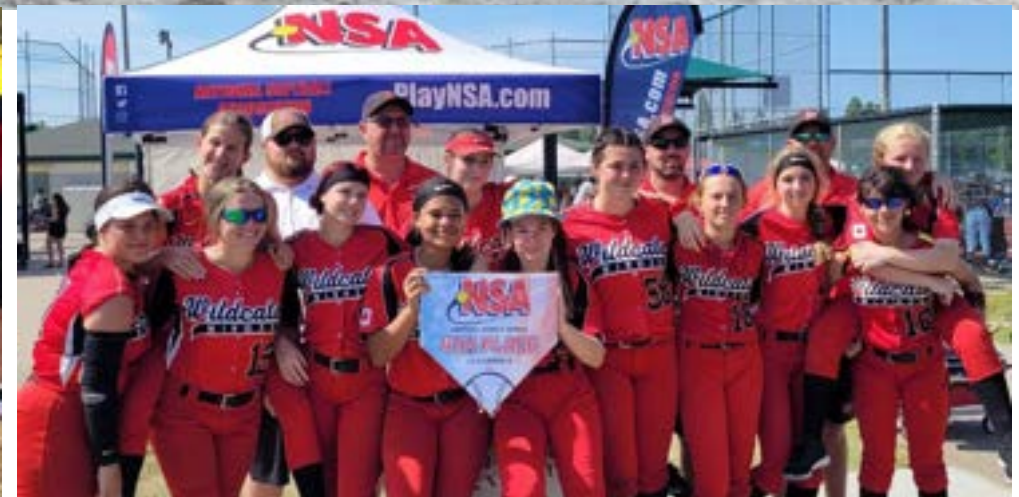

St. Clair's Jared Hayes Williams claimed the Gino Fracas Football Award while Rose City gymnast Amy Robins won the female gymnastics award.

The Riverside Skating Club's Katherine Karon won the female figure skating award.

Steve Gomes, from baseball, was the first winner of the official's award while Brittany Vandenberg claimed the Horseman Award.

Francine Stadler named head coach of Lancer softball

The Windsor Lancers are pleased to announce the hiring of Francine Stadler as the new head coach of the Lancer softball program.

A familiar face with the blue and gold, Stadler played a key role in creating the Lancer softball program and was a member of the team's original coaching staff back in 2003 as the infield/first base coach. She remained an assistant for four seasons until 2007.

"We are so pleased to welcome Francine back into the Lancer family," said director of athletics Stephanie White. "Her history with the program gives her a true understanding of what it means to be a Lancer, and her wealth of experience and knowledge is going to help elevate our program to the next level."

While with the Lancers, Stadler helped lead the team to their best finish in program history, claiming a silver medal at the provincial championships in 2004.

"I am very excited to be back with the Lancer softball team as their head coach. I am passionate about the sport, and I look forward to leading this team as we begin the 2023 season," said Stadler. "I was lucky to be a part of the original Lancer coaching staff, and on the 20th anniversary of the program I am hoping that the community will come out to our games to support the athletes as we celebrate this milestone."

A longtime member with the Windsor Wildcats organization, Stadler led the 2000 Bantam Tier 1 fastball team to a gold medal at the Ontario Summer games and the Ontario Provincial championships, as well as a silver medal at the Novice Tier 1 provincial championships.

Joining Stadler on the bench is Paula Stamatiadis, who is no stranger to the Lancer family. Stamatiadis helped create the program with Stadler and spent nine years as head coach of the team.

Jessica Hitchcock and Michelle Blokker will also team up with Stadler in the dugout. Hitchcock won three national championships with the Softball Canada Development program, while Blokker played for five years with the blue and gold from 2006-10, before transitioning to an assistant coach for three years from 2011-13.

TORONTO - The Ontario Colleges Athletic Association (OCAA) announced today its 2023 regular season schedule for women's softball, set to begin on Saturday, Sept. 9.

OCAA WOMEN'S SOFTBALL REGULAR SEASON SCHEDULE

Regular Season Start Date: Saturday, Sept. 9

Regular Season End Date: Sunday, Oct. 15

Championship Dates: Thursday, Oct. 19 - Saturday, Oct. 21

WOMEN'S SOFTBALL

Conestoga (Kitchener)

Durham (Oshawa)

Fanshawe (London)

Humber (Etobicoke)*

Lambton (Sarnia)

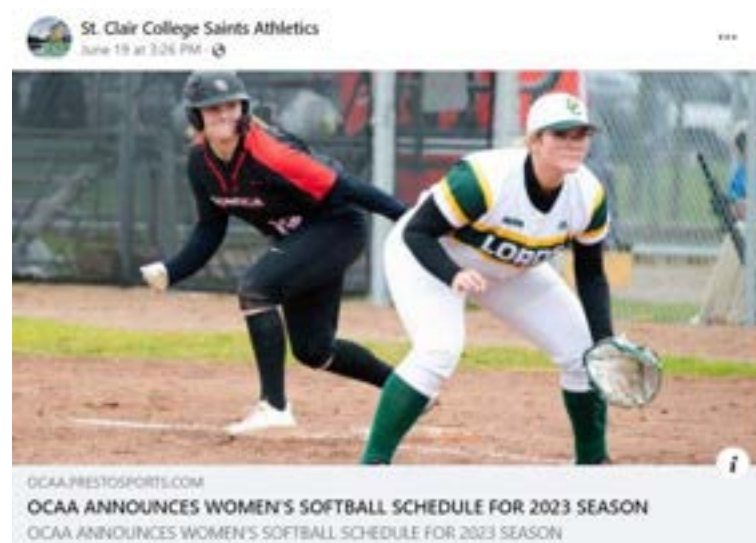

Mohawk (Hamilton)

St. Clair (Windsor)

Seneca (North York)

Sheridan (Mississauga)

*2023 OCAA Championship Host

A single-division format will remain for 2023 as teams will play a triple round robin format consisting of one doubleheader and one single "neutral" site game against each club totaling 24 games each.

Coming off an undefeated season in 2022, the St. Clair Saints (Windsor) are the team to beat this fall. St. Clair became the first program to win 27 OCAA regular and post-season games in a single season without a single loss. St. Clair opens the 2023 season at home in a twin bill against the Lambton Lions (Sarnia) and Conestoga Condors (Kitchener) on Sept. 9.

A rematch of last year's gold medal game against the 21-time OCAA champion Durham Lords (Oshawa) will take place on a neutral field Sept. 23 hosted by the Fanshawe Falcons (London). A traditional doubleheader between the Lords and Saints will be played on Sept. 30 at the newly named Babcock Field in Oshawa.

The Humber Hawks (Etobicoke) play host to the OCAA Women's Softball Championship this October. The two-time reigning OCAA bronze medalists are on the road to being the regular season Sept. 9 before hosting St. Clair and the Sheridan Bruins (Mississauga) the following day at Connorvale Park.

A total of 108 games are planned over a span of 37 days. The top six teams at the conclusion of the regular season - including host Humber - move on to the OCAA championship. (If Humber finishes below sixth place, it will replace the sixth seed.) The modified double knockout tournament will take place Oct. 19-21 at Connorvale Park in Etobicoke. The top two teams advance directly to the double knockout, while the remaining four play a sudden death game to advance to the double knockout stage.

All OCAA schedules for the 2022-23 season, including dates, times and locations, are subject to change.

There was a heat warning issued in Vaughan over the weekend; It had nothing to do with the weather, and everything to do with our U15 girls.

They won the Gold medal game 22-0, out scoring opponents all day 70-14. Also pictured below are our MVPs.

A huge **congrats** to our U13 girls for winning Gold on Sunday in Vaughn. They went 3-0 to claim first place.

Our U17 Select girls were awarded Silver last weekend in Mississauga.

They went 3-0 in round-robin play, advancing to the semifinals where they had a thrilling 11-10 win over Milton. Unfortunately, they didn't have enough in the tank for the Gold medal game, losing 11-5 to U17 Markham. Our Falcons take flight again on July 22nd in Newmarket.

The U19 Wildcats concluded their season yesterday. Girls from five different teams came together for one short season with a common goal - to play the game they love 🏆. There were countless ups & downs throughout their journey as they navigated having new teammates & new coaches & new expectations. In the end, these girls came together as a team, battled hard, played in some great games, & finished off their season with some memorable moments.

Five Wolverines Earn CSC Academic All-District Honors

 [goumdearborn](http://goumdearborn.com)

goumdearborn On the field and in the classroom, these ladies are taking care of business....

GREENWOOD, Ind. – In conjunction with the College Sports Communicators, the University of Michigan-Dearborn softball team had five recipients named to the Academic All-District Team. Amber Cheplick, Makenna Millhorn, Olivia Scott, Sydni Uhlenberg, and Lanie Ellinger were the five recipients of the award.

To receive this award, student-athletes must be a starter or important reserve with at least a 3.50 cumulative grade point average. In addition, the nominated student-athletes must have participated in at least 50 percent of the team's games at the position listed.

The Wolverine softball team not only saw great success in the classroom, but the team wrapped up the season with a 25-18 record and a 13-9 record in WHAC competition.

These five individuals will now advance to the Academic All-America Ballot, which will be announced in June.

Women's Softball Add More Talent with Peterson

Windsor, ON – The St. Clair College Women's Softball team brought in more local talent in preparation for the 2023 season with the addition of Alivia Peterson (Windsor, ON).

The 5'4" Peterson is a Windsor native but also attended Lutheran North High School (Macomb, MI) before graduating from St. Anne (Lakeshore). She can play the catcher position but will also help on the left side of the infield.

Peterson has club experience with Turnin2, D1, UTM, Lasalle and the Windsor Wildcats. While at Lutheran North she was a Michigan Division 1 All-Catholic Team selection helping her team to the 2022 Conference Championship and the Catholic District League Championship titles. On the Canadian side of the border, she won a Gold medal at the U19 Tier 1 2023 Provincial Championship in addition competing at the National Championships in 2018 and 2019.

Saints Head Coach Doug Wiseman was excited to add Peterson saying, "Liv plays the game with 100% effort, 100% of the time. She has a positive attitude which will enable her to fit in with the team seamlessly."

Wiseman ended, "We are looking forward to inserting her into our line up as she can play multiple positions at a high level. Peterson has above average speed and is a heads-up baserunner that can swing the bat."

Peterson will study in St. Clair's Pre-Health Science program starting this fall.

Forest Glade hosting Provincials!

"I like our determination. The hunger." Rich Mayville, head coach of Forest Glade Falcons.

Forest Glade is hosting the OSSTA U17 provincial championships beginning August 26th. "The team is doing good. We have not hit our ceiling yet." Mayville said. "I truly believe this is a championship team. They just have to put it together and they have one last tournament to do it.."

The Falcons have played five tournaments and opened play with a win in Milton back in June.

They finished 2nd in a tournament in Mississauga last month. The team is working on situational plays in order to be ready this weekend. "The situational plays will be a lot of help." said catcher Natalie Pinccinato. "We have to communicate where the play is going to be and not get in our heads when we make a mistake."

The Falcons open the tournament at 10am against Stouffville before facing Milton at 2pm. Both games will be played at Tom Wilson Field. "Provincials we're gonna pull it together." said outfielder Karah Doetzel. "We all have our own skills. We know what we can do. We can hit. We're a strong team. We have the bond. It's just a matter of putting it into the game."

University of Windsor Season Preview

The University of Windsor Lancers are excited to start the season. A new coaching staff is ready to guide the Lancer's into a new era. A bit of history returns as Francine Stadler, a former assistant coach, returns as the new head coach, Stadler is joined by Paula Stamatiadis (former head coach) and Michelle Blokker (former player and assistant coach). Rounding out the coaching staff are Jessica Hitchcock, Elaine Lalonde and Erin Lambros. That is an impressive list of strong female leaders, and those around the Windsor softball community should be very excited about where the program is going.

The team is already active this summer with pre-workouts, formal tryouts happen September 5 to 7. The Lancers will be playing a pre-season tune-up game against local team LaSalle Athletics on the 8th, and then get right into the season with road games at Queen's and York in the OUS week 1 schedule.

The Lancers have approximately 30 athletes expected at the training camp, and like many other OUS programs will have a nice balance of returning and new players to the program. On the mound, Megan Lozinski, Aubrey Johnson and Morgan Maxey will be returning to the Lancers and infielder Cylée Hickey is a returning OUS All Star.

New recruits include:

Kaitlyn Bovenkamp (Essex District High School, Essex, Team: LaSalle Athletics)

Tia Nelson (Frank J. Hayden High School, Burlington, Team: Oakville Angels 05, Dr.)

Jacqueline Pento (St. Thomas of Villanova Catholic High School, LaSalle, Team: LaSalle Athletics)

Amy Pletsas (King City Secondary School, King City, Team : Aurora Diggers)

The Lancers have moved their home diamond to Mic Mac Park. The first half of the season will be spent on the road. Windsor's first home game is on September 30th . The Lancers would love to see some support for their team this season at home and on the road!

Softball opens 2023 with three victories

The Lancer softball team opened the 2023 season with a 3-1 record over their first four games of the season, sweeping the York Lions Saturday before splitting their games on Sunday at Queen's.

SATURDAY

The Blue & Gold came out on Saturday afternoon with something to prove under new leadership as they faced off against the York Lions at the Brampton Fairgrounds. The final scores of the double header were 7-1 and 9-5 with the Lancers ending on top of both games.

GAME 1

Lancers came out swinging in the top of the 1st, with McKay Colombe driving in two runs with a triple. After a quick shut down of the Lion's bats, Soleen DePape, Elise Stammler, and Emma Hanley re-ignited the bats, driving in three runs in the top of the second. The Lancer's final run arrives at the top of the 6th with Rylie Straus who hit a long line drive to the fence to knock in Megan Lozinski. Defense was solid throughout the entire game, recording no errors for the Lancers. Veteran pitcher, Megan Lozinski led the Lancers to their first win of the season, throwing 99 pitches in seven innings with 8 strikeouts.

GAME 2

As the York Lions came out looking for redemption, the Lancers knew they were in for more of a battle. Soleen DePape sparked the Lancer's offence, going 3 for 3 at the plate. York was quick to respond, keeping it a close game until the Lancers opened it up in the 4th with Cylee Hickey and Rylie Straus driving in two runs each. The hitting party continued into the 5th with a 2-out rally consisting of hits from Rylie Straus, Jacqueline Pento, and Soleen DePape. From the mound, Morgan Maxey earned the win for the Lancers with a strong close from Aubrey Johnson to secure the win.

SUNDAY

After a great start to the season on Saturday, the Blue & Gold came out of the gates firing and ready to face the Queen's Gaels, returning OUS champions from 2022. The Lancers split the games, winning 7-4 and losing 7-1.

GAME 1

The game began as a very closely matched battle and was evident right off the bat that this would be a tight game. The Lancers broke through a tough Gaels defense in the top of the 3rd with walks drawn by Emma Hanley and Cylee Hickey and singles by Rylie Straus, Lauren Hickey, and Jacqueline Pento to cash in 4 runs. A triple by Aubrey Johnson and a single from Emma Hanley brought the Lancer lead to 5. Not a team to back down easily, the Gaels responded with 4 runs of their own over the next couple of innings to make it a very tight game. Solid defense and timely hitting gave the Lancers some insurance runs and they held the lead to end the game. Aubrey Johnson earned the win on the mound, only giving up 4 hits and 2 runs through 4 innings of work. Megan Lozinski earned the save to round out the team win.

GAME 2

The Lancers came out in the second game of the double header scoring first with a single from Rylie Straus and a double from McKay Colombe to cash the run. The Gaels responded a few innings later with some hits of their own to open up the game. Although the Blue & Gold were making good contact at bat, a solid infield from the opponents didn't let another run score for the remainder of the game.

Women's Softball Open Season with a Pair of Wins

Windsor, ON – The St. Clair College Women's Softball team opened their 2023 OCAA season with a pair of mercy shortened wins at their SportsPark diamond Saturday afternoon. The Saints rolled to a decisive 16-0 victory over Lambton College (Sarnia) in three innings followed by a 10-0 verdict over Conestoga College (Kitchener) in six innings.

In the opener St. Clair managed 14 hits in just under an hour of play with centerfielder Sierra Baltzer (LaSalle, ON/Sandwich) leading the charge with three hits including a pair of triples that drove in three runs and scored each time. Shortstop Shae-Lyn Murphy (Windsor, ON/Holy Names) also had three hits including two doubles that drove in a pair of runs and scored three times. Bryanna Kressler (Kitchener, ON) joined the club with three hits including a double, three RBI's and two runs scored. Rookie Alivia Peterson (Windsor, ON/St. Anne) cleared the left field fence for a 2-run homer as part of her two-hit performance introducing herself to the Saints faithful. Mckenna Copley (Dover Centre) took the pitching win and with Amy Claydon (Cambridge, ON) sharing the duty in the final inning with neither surrendering a hit.

The Saints continued to get on base in the Conestoga win with 13 hits led by Claydon and Judy Lafleur (Essex, ON/Essex) who had three apiece to go with a pair of RBIs each. Copley collected another pitching win in four innings of work and gave up just two hits while striking out five batters. Kressler also had five strikeouts in the final two innings to shut the door.

St. Clair boarded the bus for Toronto following the doubleheader for two games on Sunday at Connorvale Park in Etobicoke against round robin host Humber College and Sheridan College (Brampton).

Drizzle Doesn't Slow St. Clair College Women's Softball

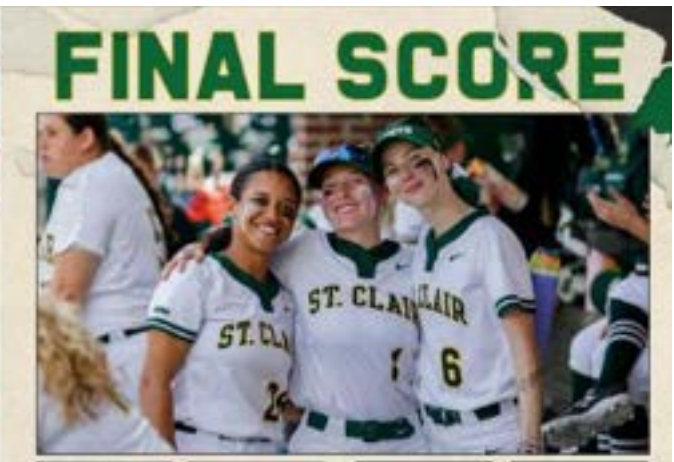

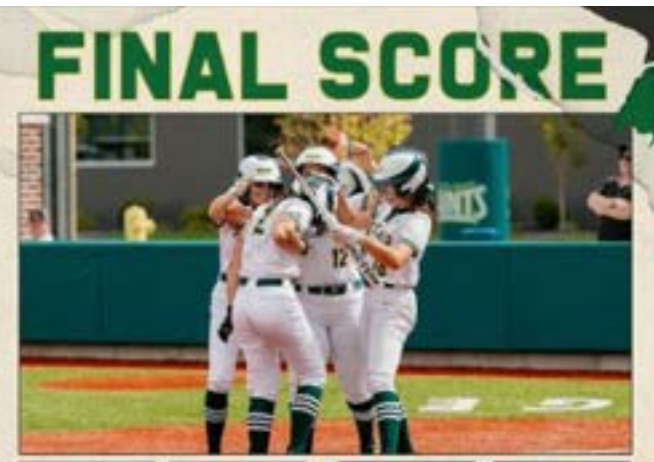

Windsor, ON – The St. Clair College Women's Softball team did not let a few sprinkles get in the way of a doubleheader sweep of Fanshawe College (London) Wednesday evening at the SportsPark diamond winning by scores of 11-1 and 15-5. The Saints (16-0) now hold a streak of 43 consecutive games without a loss against OCAA competition when combined with their 27-0 regular and post-season record from 2022.

St. Clair opened the scoring in the bottom of the second inning of game one with a pair of runs but exploded for a 9-run third that put the contest out of reach. Fanshawe managed a run in the fourth inning, but the Saints closed out the game in the fifth of the mercy shortened affair. Sierra Baltzer (LaSalle, ON/Sandwich), Amy Claydon (Cambridge, ON) and Ashley Ventura (Fergus, ON) all homered for the St. Clair in that deciding third inning peppering the parking lot at different moments. Each also had two hits in the game with Kressler and Baltzer also collecting doubles. Claydon and Baltzer each drove in three RBI accounting for much of the St. Clair run the production. Saints' starter Mckenna Copley (Dover Centre) threw three innings and only allowed a hit and walk while striking out three batters.

In game two St. Clair took a 5-0 lead after the first inning, but Fanshawe answered with two runs in the top of the second. The Saints added three more in bottom half, but a pesky Falcons group notched three more in the third and only trailed 8-5. St. Clair scored two runs in the bottom of the third and had the bases loaded when heavier rains halted play before resuming after a five-minute delay.

The rally ended quickly after play continued in friendlier conditions which only deferred the inevitable as the Saints scored two runs in the fourth and walked off 2-runs on a Shae-Lyn Murphy (Windsor, ON/Holy Names) double in the fifth that secured the mercy shortened result. Murphy finished with two doubles and three hits while scoring three times. Baltzer and Madison Barber (Caledon, ON) had three hits apiece for St. Clair, but all were outdone by Bryanna Kressler (Kitchener, ON) who was 3-for-4 with five RBI including a triple and a homerun. Copley threw two innings of relief to win her 10th decision of the season for the Saints.

St. Clair goes on the road this weekend to face Durham College (Oshawa) on Saturday and finish their GTA swing trip on Sunday at Seneca College (North York).

Women's Softball Take Two in London

London, ON – The St. Clair College Women's Softball team pushed past rival Durham College (Oshawa) by a score of 6-2 in a round robin event Saturday afternoon and then topped host Fanshawe College (London) by a 5-3 margin.

In the Durham win the Saints enjoyed another fine performance from Bryanna Kressler (Kitchener) who was 3-for-4 including a homerun and three RBI go to with three runs scored. St. Clair overcame a 2-1 deficit to score twice in the third inning and put the game away with three runs in the fourth inning. Amy Claydon (Cambridge, ON) contributed three hits and an RBI helping Mckenna Copley (Dover Centre) to her seventh win who didn't give up an earned run on five hits while striking out five Durham batters.

Claydon (4.1 IP, 3 HA, 3 ER, 1 BB, 5 K) pitched her way to the win in game two over Fanshawe but Copley (2.2 IP, 1 HA, 0 R, 1 BB) secured her first save of the season in relief. Windsor Lady Expos Fastball Association

August 29

Last evening at our banquet 2 players were selected to receive the Tom Shaw Sportsmanship Award! Congratulations to Emily Allen of our U19 team and Erica Derush of our U17 team! Well deserved ladies! 🍊🏆❤️ Here's the criteria for this great award.....

Criteria:

Upbeat – Always positive, never put your head down, always proud as long as you played you best even if the end result wasn't what you wanted

Fair – Never cheat, never knock another player or opponent regardless of the situation

Honest- Would put team before self

Hardworking – Always trying their best, gives 110%

Proud – Always plays for the name on the front, you won't always have a jersey to wear, so while you do make the best of it and be proud of your team and yourself

Thankful – Playing minor sports is a privilege not a right

Team Player – Understands the phrase “there is no I in team”, we win as a team and lose as a team, no single person is responsible for either result

On July 2nd of 2016 the Windsor Lady Expos lost an amazing Board Member, supporter, friend, father and husband. Tom Shaw was a part of this organization since his daughter Hannah came to play for us 7 years ago. Tom was a permanent fixture in the outfield whether the games were played in the United States or here in Canada, whether his daughter's team was playing, or he was showing support to other Expo teams or to St. Clair or the University of Windsor. If there was a game to be watched and girls to cheer on you only had to look to the outfield to see Tom sitting, there with his blue umbrella.

Tom was the biggest supporter of the girls who were not his own – sometimes cheering them on more than their own parents. He was always positive and kept the girls putting their best effort forward even when they were not getting the result that they wanted. If you needed someone to keep a level head and to remind you that we “win as a team or lose as a team” you need look no further than Tom Shaw.

To honour Tom's years of service to our league working Bingos as well as being a long-time board member, we have created an award to always remember his commitment to Fairness, Honesty and being a Team Member.

Women's Softball Regain Winning Ways

North York, ON – The St. Clair College Women’s Softball team moved their record to 18-2 after taking a doubleheader from Seneca College in North York on Sunday while holding them scoreless posting 11-0 and 7-0 results.

In game one St. Clair was up 6-0 after four innings but used a 5-run fifth to secure the mercy differential and then closed out the home team in the bottom half for the shut-out win. Amy Claydon (Cambridge, ON) claimed the pitching victory in four innings of work allowing only a single hit to go with three strikeouts but helped her cause with a pair of doubles at the plate and drove in a pair of runs. Shae-Lyn Murphy (Windsor, ON/Holy Names) had four RBI from a single and double with Sierra Baltzer (LaSalle, ON/Sandwich) clubbing three hits including a triple while adding two RBI for the Saints. Julia Brusseau (Lakeshore, ON/St. Anne) and Bryanna Kressler (Kitchener, ON) each also tripled as part of their two hits apiece.

Game two went the scheduled seven innings but with a similar result that saw the Saints take a 2-0 lead after the second but a 5-run fifth completed the scoring. Mckenna Copley (Dover Centre) pitched five strong innings for the win only giving up a hit and a walk while fanning seven Seneca batters. Murphy had another strong game offensively with three hits including a homerun and two RBI. Jacklyn Yewchyn (Windsor, ON/St. Thomas of Villanova) had two hits as did Ireland Toohey (Windsor, ON/Holy Names) for St. Clair.

The Saints will look to defend their CCSA National Championship this coming weekend in Victoria, BC beginning their round robin play against Humber College (Etobicoke) on Friday.

St. Clair Women's Softball are Back-to-Back National Champions

Victoria, BC – The St. Clair College Women's Softball team successfully defended their Canadian Collegiate Softball Association National Championship this weekend with a perfect 5-0 record that was capped by a 9-2 win over Durham College (Oshawa) Sunday afternoon.

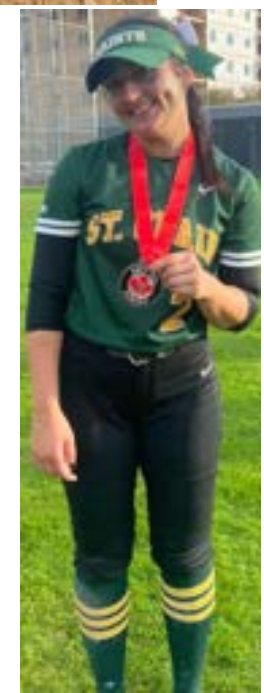

The Saints started pool play Friday morning with a 4-0 win over Humber College (Etobicoke) sparked by the pitching of Mckenna Copley (Dover Centre, ON) who went the distance while spreading out five hits and two walks to go with seven strikeouts. The offense used the long ball courtesy of a solo homerun by Shae-Lyn Murphy (Windsor, ON/Holy Names) and a 2-run dinger by Amy Claydon (Cambridge, ON).

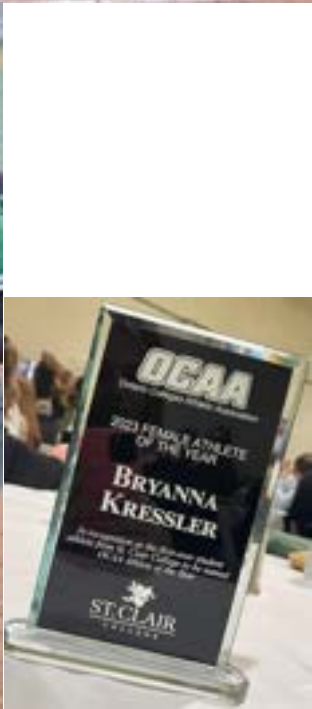

Friday afternoon St. Clair topped the University of British Columbia (Okanagan) by a score of 4-2 in comeback fashion. After spotting UBCO two runs in the third inning the Saints put together a 4-run rally in the sixth to turn the tables. Another game with lots of firepower saw St. Clair get homeruns from Julia Brusseau (Lakeshore, ON/St. Anne) and Bryanna Kressler (Kitchener, ON). A solo shot by Kressler got the rally started with Brusseau chasing home Alivia Peterson (Windsor, ON/St. Anne) who had earlier doubled home a run. Kressler took the pitching strip win in relief working the final three innings in shutout fashion giving up just a single hit while striking out four.

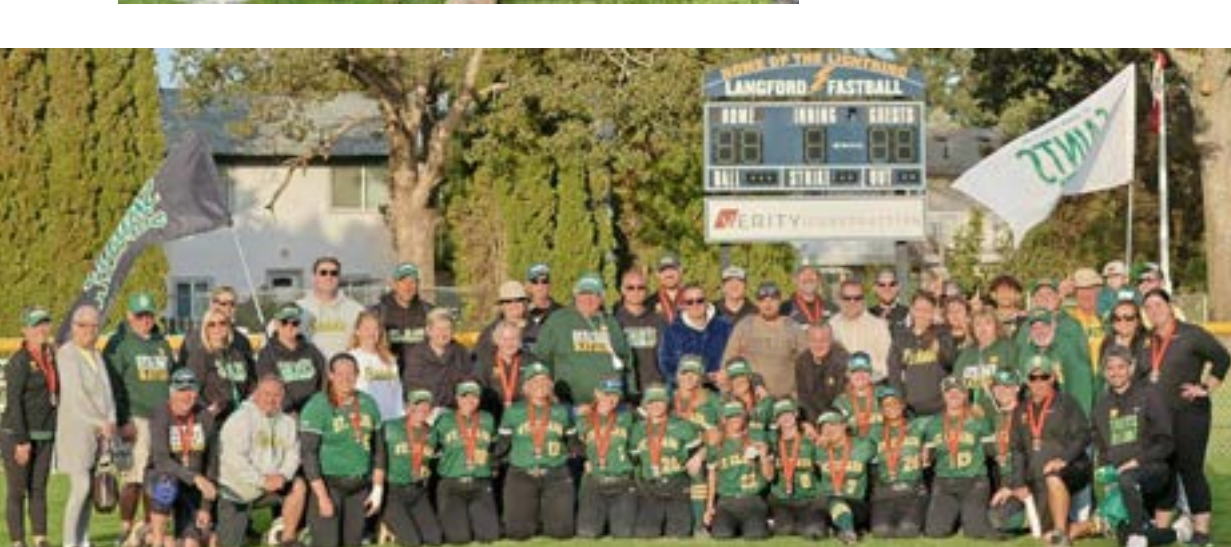

Saturday morning the Saints finished pool play with a mercy shortened 5-inning 9-0 win over Queen's University (Kingston) advancing them directly to the semi-final round on Sunday. Shae-Lyn Murphy (Windsor, ON/Holy Names), Amy Claydon (Cambridge, ON) and Jacklyn Yewchyn (Windsor, ON/Kennedy) each finished with two hits and two RBI in the game. Copley (1.0 IP) gave way to Claydon (4.0 IP) who earned the win on the pitching rubber who collectively did not allow a Queen's baserunner securing the combined perfect game.

Sunday morning's semi-final was a rematch with Humber College and St. Clair asserted further dominance with starter Bryanna Kressler (Kitchener, ON) tossing a 7-inning no hitter as she surrendered only two walks while striking out eight batters. The 5-0 win propelled the Saints to the championship final helped offensively by Sierra Baltzer (LaSalle, ON/Sandwich) who homered as part of her 2-hit game while teammate Amy Claydon (Cambridge, ON) had three hits including a double.

The Gold Medal came courtesy of a mercy shortened 9-2 verdict over Durham College (Oshawa) Sunday afternoon. The Lords opened with a run in the top of the first inning, but St. Clair answered quickly with four runs in the bottom half to seize control using a lead-off solo homerun by Shae-Lyn Murphy (Windsor, ON/Holy Names) followed by a 3-run round tripper by Bryanna Kressler (Kitchener, ON). Sierra Baltzer (LaSalle, ON/Sandwich) had a 3-run wallop of her own to put the Saints up 7-1 in the second inning as part of her 2-hit game. Durham got a run back on a homer of their own in the third inning to make it 7-2 but that was as close as they would get as Amy Claydon (Cambridge, ON) clubbed a 2-run shot in the bottom of the fourth to close out the scoring. St. Clair starter Kressler gave up two runs on three hits and a walk but struck out five through five

Seventh heaven for Lozinski in final season

At 24-years of age Megan Lozinski is the old lady on the Windsor Lancers softball team. "This is my last year finally." said the LaSalle native. "I know I've said it before but year seven is when I tap out."

During her evolution as a student-athlete Lozinski has included coaching (LaSalle Athletics 2010 team) to her resume. "Pass things along that we've learned over the years. I really enjoy doing that."

Lozinski has made it to the playoffs twice times in her career, once as a rookie and the other last year. She earned a save and a win as the Lancers swept the Waterloo Warriors during a doubleheader Saturday at Mic Mac Park 8-6 and 13-3. The victories give the Lancers a 13-5 record which is second in the West Division behind 18-0 Western. "Our goal this year has been to win or tie every inning and I think if we keep going with that goal then we can be very successful in playoffs, and I really believe in this team and I think we can go far."

Saints' softball repeats as national champs

The St. Clair softball team went 5-0 this weekend to repeat as Canadian Collegiate Softball Association national champs. "Our team feeling was very gratifying as the expectations are set high at tryouts each season." said head coach Doug Wiseman.

The Saints mercied Durham 9-2 in the final Sunday afternoon. Grace Hearn opened the game with a triple for the Lords and was brought home by Jacelyn Shelton. St. Clair responded in their half of the first as Shae-Lyn Murphy led off going yard to tie it. Bryanna Kressler then followed that up with a three-run dinger. Sierra Baltzer cracked a 3-run shot in the second as the Saints built a 7-1 lead. Amy Claydon hit a 2-run shot in the 4th to close out the scoring. Kressler gave up two runs on three hits and struck out five leading the Saints to their second consecutive title.

The win over Durham comes a week after The Lords swept St. Clair in a doubleheader ending a 43-game unbeaten streak. "We have much respect for the OCAA conference as both Durham and Humber medaled this weekend as well." Wiseman said. "Our energy might have been at its all-time high throughout the tournament. Each game we played with focus from the first pitch to the last out of every game."

The Saints travelled home Thanksgiving Day and will take a few days off before returning to practice Thursday. St. Clair hosts a pair of doubleheaders next weekend with Humber visiting the Sports Park Saturday and Sheridan closing out the regular season Sunday.

Many people have been asking about the status of the Ray Lafleur Jr statue project. This statue is intended to commemorate Ray's spectacular work broadcasting Saints softball games over the past three seasons, and we all know that he is once again in line to win the OCAA Softball Broadcaster of the Year award again this year.

I attended the most recent committee meeting on this project and was able to come away with a good idea as to where we are. Two locations were discussed for the statue. The first location was a prominent location between the football stadium and the highway running by the college. The statue was to be a 20-foot-high bronze situated on top of a 20-ton block of the best French granite. It would feature Ray with the camera to one side while generally pointing the way to the softball diamond with his other hand for visitors for generations to come. This statue was to be surrounded by a large bank of spotlights that would be visible by the orbiting space station. Unfortunately, this location was dropped because of cost issues and the fact that the sponsor for the idea ... someone with the initials RLJ was not there to defend the proposal. The second location discussed was the center field bern where Ray typically sets up to broadcast home games. Four local artists who work with bronze were asked to present their designs. These designs have been provided to a focus group to determine which was best. Unfortunately, the only one to be accepted by the focus group was one where Ray's face was virtually 100% covered by the camera. We asked Laurie why this might have happened, but she just smiled and said, " No comment ". That is all the update I have at this time.

Kressler becomes first Saints' player in school history to earn OCAA player of the year

A dominating season by the St. Clair College Saints' softball team continues to be recognized.

On Wednesday, the Saints' Bryanna Kressler was named the OCAA's female athlete of the year. It marks the first time in school history a St. Clair male or female athlete has earned the award since its inception in 1996-97.

"That's really cool to hear," Kressler said.

Kressler's award comes just two days after St. Clair head coach Doug Wiseman was named the inaugural recipient of the OCAA's coach of the year award. Both will be recognized at the OCAA Hall of Fame ceremony, which will be held May 1 in Windsor.

"We had a remarkable year," said Wiseman, who has guided the program since 2013. "It's the best team I've ever been part of since I've been here and (Kressler) answered the call."

Kressler is originally from Kitchener, but her parents (Ryan and Steph) moved to Windsor in 2019 to stay closer to their children. She was attending Wayne State University on a scholarship while her brother Braeden Kressler, who has signed with the NHL's Toronto Maple Leafs, was playing with the Flint Firebirds in the Ontario Hockey League.

"They wanted to be closer and it was easier to pay a mortgage than hotels," the 24-year-old Kressler said.

An honour student at Wayne State University, Kressler still had playing eligibility remaining when she graduated early and returned to Windsor.

"It was hard because I was trying to find something in the NCAA for my last year of eligibility and I couldn't find anything that was a fit for me," the five-foot-two Kressler said. "Doug reached out to me. I lived in Windsor already and he said, 'Do you want to see what our program's about?' It's been a ride since then."

Kressler was part of a dominant St. Clair program that posted a perfect 34-0 record during the season, which included a 24-0 record in regular-season play. The club went unbeaten in capturing the OCAA title where Kressler was named tournament MVP. In conference post-season awards, she was named a first-team all-star, provincial player of the year and pitcher of the year. She was also OCAA all-academic.

For the season, Kressler finished second behind teammate Amy Claydon in the OCAA in hitting with a .529 average while scoring a conference record 45 runs. She was a perfect 6-0 when pitching with a league-leading .21 earned-run average after allowing just one run in 34 innings of work and striking out 48.

"She got on the same page right away," Wiseman said. "We knew she was coming in with a lot of status. Coming in and being that team player, she bought in quickly. She took the lead with a lot of great players around her."

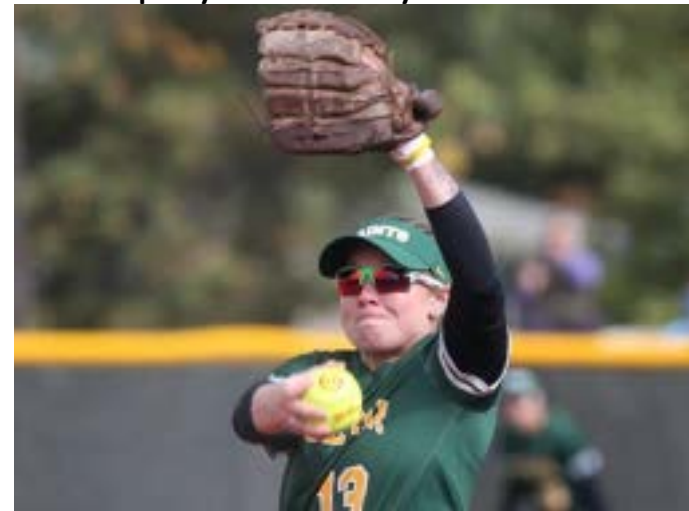

With the Saints again unbeaten at the CCSA national championship, Kressler was named top pitcher and tournament MVP.

"Here, everyone's here for both school and to play," Kressler said. "It's way more fun for me. It's not like a job. It's something I get to do and have fun doing and I've met a lot of lifelong friends."

The scary part for the rest of the OCAA is that Kressler will return for another season.

"This program's been amazing," Kressler said. "I love being able to hangout with friends and play."

"I'm most proud of the two gold medals. Winning gold medals are better than any personal awards and it was an awesome time. I don't know how we can top this year, but maybe do the exact same thing. We're working hard and hopefully what we did this year, we can do next year."

Rain Delays St. Clair College Women's Softball Sweep of Humber

Windsor, ON – The St. Clair College Women's Softball team had to wait four hours in a rain delay before starting a doubleheader with Humber College (Etobicoke) Saturday afternoon but eventually completed a sweep winning by scores of 6-5 (8 INN) and 12-1. With the wins the Saints (20-2) are in position to secure 2nd place in the standings which includes a bye to the final four of the OCAA Championship being hosted by Humber Oct. 19-21.

Game one on Saturday was a back-and-forth affair as St. Clair fell behind 2-0 in the third inning but took a 3-2 lead after the fifth. Humber tied it up in the sixth before taking a 5-3 lead in the seventh. The Saints were down to their last out until Shae-Lyn Murphy (Windsor, ON/Holy Names) singled and then Sierra Baltzer (LaSalle, ON/Sandwich) seized the moment with a dramatic homerun to force extra innings. St. Clair held Humber scoreless in the eighth inning and were again down to their last out but worked the bases loaded which allowed Bryanna Kressler (Kitchener, ON) to scamper home on a pass ball. Baltzer finished with two hits in the contest and drove in four RBI with Murphy also collecting a pair of hits including a double. Alivia Peterson (Windsor, ON/St. Anne) had a perfect day at the plate for the Saints with four singles in four at-bats. St. Clair starter McKenna Copley (Dover Centre, ON) pitched all eight innings for the win spreading out nine hits and three walks but struck out seven Hawks.

The Saints were more dominant in the second game scoring a pair of runs in the first and third innings before allowing an unearned run in the fourth to Humber. St. Clair responded with a 5-run bottom half and ended the mercy shortened game with three runs in the fifth which included a 2-run walk-off homerun by Baltzer. She finished the game with two hits and scored four times to go with three RBI. Kressler homered as part of her two hits and picked up the pitching win surrendering only two hits and a walk to go with seven strikeouts. Amy Claydon (Cambridge, ON) had two hits as did Madison Barber (Caledon, ON) who slapped a double with Ashley Ventura (Fergus, ON) pounding a triple included in her pair of hits. Kressler and Baltzer are now tied with six homeruns which leads the OCAA in that category.

St. Clair finishes their weekend homestand on Sunday against Sheridan College (Brampton) with a doubleheader starting at 1:00pm. Before the opening game St. Clair will be recognizing their graduating players with a brief ceremony.

Women's Softball Split on Day 1 at OCAA's

Etobicoke, ON – The St. Clair College Women's Softball team opened with a 5-3 win over host Humber College (Etobicoke) at Connorvale Park Friday afternoon at the OCAA Championship but fell 7-4 to Durham College (Oshawa) in the evening. The loss forces the Saints into another matchup with Humber in a sudden death game. The winner will advance to the gold medal round and the loser will exit the championship with the bronze medal.

Tied 1-1 with Humber after two innings in the opening game St. Clair used a 3-run third inning to take control and added a run in the fifth for a comfortable lead. Humber scored two runs in the sixth inning, but the Saints shut them out in the seventh for the win.

Bryanna Kressler (Kitchener, ON) had a solid outing on the pitching strip for the win going the distance scattering four hits and four walks but struck out seven Hawks. Amy Claydon (Cambridge, ON) was the difference maker for St. Clair at the plate hitting a double and a homerun that drove in four runs to earn Player of the Game honours. Sierra Baltzer (LaSalle, ON/Sandwich) had a pair of singles and scored a run for the Saints while providing strong play in the field.

In the Durham loss St. Clair fell behind 2-0 after the first inning and answered with a run in the second. However, Durham had a 4-run third that was a decisive blow. St. Clair added two runs in the fifth before they traded runs in the sixth and seventh to complete the scoring.

Mckenna Copley (Dover Centre) took the loss for the Saints working the first three innings giving up four earned runs on seven hits to go with four strikeouts. Kressler was named Player of the Game for St. Clair after a strong showing at the plate recording two RBI on a triple and a homerun with Claydon contributing two singles.

Women's Softball Win Second Consecutive OCAA Gold

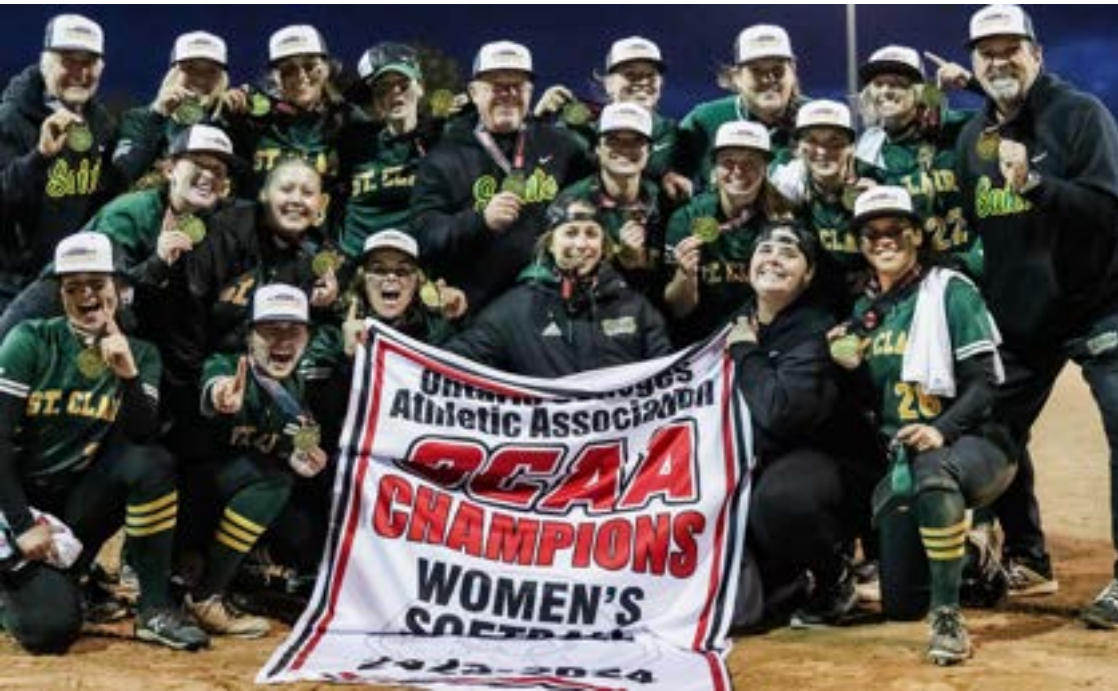

Etobicoke, ON – The St. Clair College Women’s Softball team had to sweep three games on Saturday at Connorvale Park in Etobicoke to earn their second consecutive OCAA Championship Gold Medal hosted by Humber College. The Saints started with an 11-0 mercy shortened win over Humber before dropping Durham College (Oshawa) twice by scores of 17-3 and 8-3.

St. Clair took a 1-0 lead in the second inning of the Humber win before adding two runs in the third. Four runs in each of the next two innings secured the mercy shortened verdict and a trip to the gold medal round. Bryanna Kressler (Kitchener, ON) held Humber to just one hit and walk while striking out eight in the pitching win. The long ball propelled the offense as the Saints clubbed three homeruns courtesy of a solo shot from Player of the Game Julia Brusseau (Lakeshore, ON/St. Anne), a 2-run dinger from Sierra Baltzer (LaSalle, ON/Sandwich) and a 3-run whack from Amy Claydon (Cambridge, ON). Baltzer finished five RBI and two hits while Claydon had three hits and 3 RBI. Jacklyn Yewchyn (Windsor, ON/Kennedy) and Brusseau each had with two hits in the game that served Humber with the Bronze Medal.

In game one of the gold medal round with Durham, the Saints’ bats were unstoppable and led to 18 hits as a team led by Shae-Lyn Murphy (Windsor, ON/Holy Names) and Judy Lafleur (Essex, ON/Essex) who each had three apiece. Power hitting was displayed again with Claydon, Kressler, Yewchyn and Alivia Peterson (Windsor, ON/St. Anne) all clearing the fence for St. Clair. Claydon and Yewchyn each drove in three runs to top the Saints in run production. Kressler pitched the first four innings for the win striking out seven Lords while giving up three hits and three walks which led to a pair of earned runs. Mckenna Copley (Dover Centre) threw the final three innings in relief to help force the, if necessary, game.

In the deciding game St. Clair put a quick run on the board in the first inning thanks to another Claydon homerun but she outdid herself in the third inning with a 3-run clout to give her team a commanding lead. The advantage grew to 6-0 in the fifth inning when Kressler hit a 2-run homer of her own, but Durham cut the lead in half with a 3-run poke in the bottom half. The Saints added two more runs in the seventh inning and starting pitcher Kressler began the celebration after setting down the Lords in order to end the game. She finished the game with 14 strikeouts while giving up just three hits and a walk with only one earned run against which resulted in her recognition as the Player of the Game. All told she pitched 16 innings on the day in the three victories for St. Clair.

Murphy was named to the Championship All-Star team after batting .316 adding two RBI as was Kressler who batted .368 with nine RBI to go with three homeruns. Due to their impact on the weekend Claydon and Kressler were named Co-MVP’s for the Championship. Kressler added four pitching wins to her hitting prowess while Claydon was nearly perfect at the plate batting .800 and her five homeruns left an indelible impression not to mention 13 RBI.

I know that some of the St Clair fans attending last night's gold medal game win against the Durham Lords are score keeping purists and left the post game celebrations a little uneasy because they could not properly record the "official" game ending time on their score sheets. The confusion was caused because Amy Claydon's Ruthian home run over the second twenty-foot boundary fence in left field had not come down from the sky when the final Durham Lord out was recorded. I am glad to provide the necessary housekeeping here. We have three sources that Claydon's blast returned to earth at approximately 9:25 pm, over an hour after it was hit. The first source was NORAD that began tracking an unknown object in the skies the moment the ball was hit. Secondly the air traffic controllers at Pearson airport removed the restricted air space designation over the Connordale park at this time. Finally, our intrepid OCAA broadcaster of the year was monitoring NORAD reports in his earpiece and never left the park hoping to get the shot of the ball hitting the ground. I am not sure if Ray got the shot, but he reported that he heard the thud ... it was only at this time after all the rest of us were heading home that Ray shut down his broadcast and let Laurie carry all his equipment back to his vehicle.

For those of you who can not get enough Saints softball and who are in the Windsor area today there is an announcement going to be made at the Sportsplex at 1:00 pm. I have it from reliable sources that Bryanna Kressler will finally reveal her true identity .. that she is not of this planet and is actually Super Girl.
