The December meeting of the AACA Sunshine Region included our annual gift exchange. There were about 40 members in attendance. Please don't hold me to the number, because I can't count. We had a brief business meeting and discussed several items which can be read in the minutes. Before exchanging gifts, it was noted that our friend Jimmy Mayne had fallen off a ladder injuring his back while doing some home repairs. X-rays revealed a fractured lumbar vertebrae. I suspect that hurt and still does. Wishing you a quick recovery Jimmy.

Jack Knuese was in attendance with the hard luck trophy in hopes of passing it on. However, the intended recipient was not in attendance. Try again next month Jack, he can't hide forever.

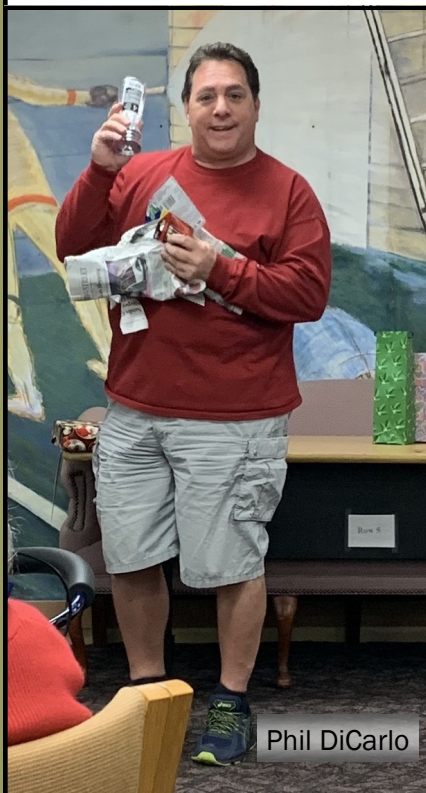

There were a lot of fun gifts to pass around, and some were exchanged two or three times. There was

Steve Hall

Phil DiCarlo

Joe Malaney

Ed Smith

a jackknife that was very much in demand. We had a lot of goodies to eat. Thanks to all who worked to set things up and brought the treats. By the way it is obvious which members like chocolate. Lots of fun was had by all.

P.S. Linda & Steve Hall were there and were quite concerned because there was a shirt worn by Frank Bowles which said "Deck the Halls".

Several people decided to take others gifts tonight including some of the following:

- Phil DiCarlo had to give up his toy hanging Christmas car to Jack Knuese.
- I had to give up my gingerbread making kit to Bruce Skaggs.
- Joe Malaney took a neat Hess Truck.
- Alex Huppé had to give up a nice pocket knife, but ended up with an even better gift of an ash tray surrounded by a small tire... looked like something you would have found in a Goodyear store back in the sixties.
- Jacki had to give up a neat scale model truck and ended up with a screwdriver set. So, I took a picture of Jackie & Linda who also ended up with a screwdriver set.
- Doris Goese eyed a food chopper from Karen Knuese.
- Unfortunately, Gene Cohen had no success in trying to unload his travel coffee mug and heater plate.

All in all, a fun evening with the group.

## January President's Message

Happy New Year tourists,  
For those of you who didn't notice, another year has escaped. I remember when I was young hearing my Mom say, "the older you get, the faster time passes", how true. Do you remember being a kid and wanting to be older so you could do this or that, and adding a half year to your age? Recently, I have been looking for the slow down switch.

I have been informed by the Fire Department that we will not be able to use their meeting room on our assigned Wednesday every month, so they have substituted Monday for those months. A complete list of our 2020 regular monthly meeting dates is contained in this issue.

Linda Langenegger announced that the long anticipated tour to Feld Entertainment is scheduled for January 24th. Details are elsewhere in the Newsletter.

Jim Wilson has offered to coordinate an antique shop tour to Arcadia with lunch at one of his recommended eateries. The date is January 11th. See calendar below for details.

Gerry Shapiro has retired as Treasurer after many years of service to the Sunshine Region. Our sincere thanks. Gerry, does that mean that you are getting ready to run for president?

Bill Swanton has agreed to be the new Treasurer for the club, many thanks Bill.

Happy touring,

~~~Bob

### Editor Comments

Happy New Year! It is 2020, so the "Roaring 20's" have returned. And so have most of our Northern friends.

Thanks to all who have inquired about my personal health status. (1) Adjusting to the cochlear implant is progressing well ahead of doctors' expectations (that's great news). (2) Back injury is healing, however it's a slow & painful process (but it could have been much worse). So enough said about me.

I was unable to attend our December meeting, so I will report the year end Newsletter Financials here. The 2019 budget was \$2500. Actual expenses for the year were \$2379.80. Thus, I will assume a carryover budget for 2020 unless informed otherwise by the Board. If there are any changes, in terms of content that you

would like to see, please let me know.

I am still in need of someone to help coordinate articles for the SnS. Not a lot of work is required, but it would help me immensely. Their primary function would be to keep an eye out for upcoming events, and finding out who might be attending that would be willing to provide photos & comments from the event. I have a few other thoughts, but I don't have the time to pursue them on my own. For example, an occasional member profile or tech "how to" article would be great.. Please give this request serious consideration.
