Partnership Updates

MARYLAND FOOD BANK

After data collection from SY 23-24, I have submitted another intake form on behalf of Midtown Academy to hopefully start our food pantry. This is the first step of many to get pantry up and running but we officially have the data to back us!

SCOUTING AMERICA

Formerly known as Boy Scouts of America, Scouting America came to our school last week with talks of us beginning a scout unit for our Middle Schoolers. Seeking the financial support for us to get a unit of approx 20 students.

MICA

Slated to have at least 1 Community Site Leader from MICA to assist with our arts programming at Midtown for the school year. MICA will also be using Midtown as a Day of Service site this year.

School Store

MIDTOWN MERCH

Our school store is available until Sept 22nd. All items are shipped to Midtown Academy by the beginning of October.
