THE PASTOR'S EPISTLE

"ARE YOU REALLY THANKFUL?"

"Talk with each other much about the Lord, quoting psalms and hymns and singing sacred songs, making music in your hearts to the Lord. Always give thanks for everything to our God and Father in the name of our Lord Jesus Christ." Ephesians 5:19-20 L.B.

I can just taste it now, that delicious Thanksgiving turkey with all the trimmings! Yes, my friends we truly are a people who have been blessed by Almighty God! In the old favorite song, the Doxology we sing, "Praise God from Whom All Blessings Flow."

My question to you today is this, "Are You Really Thankful?" Let's take a look at some of the different areas in which God has blessed us.

1. **Are You Thankful for Our Country?** The price of freedom has always been high. Thousands of Americans gave their life for freedom's call. Why not write to a Soldier, Sailor, Airman or Marine who is stationed away from home.
2. **Are You Thankful for Your Material Blessings?** Most Americans are well fed, clothed and housed. Why not sponsor a child through Compassion International or assist some other Christian organization as a sign of your thankfulness?
3. **Are You Thankful for Your Family?** How often we take each other for granted. There is an old saying which states, "You hurt the ones you love." How sad, but true! Remember that children are a blessing from God, and they will be home for only a short time. Children, remember to obey and respect your parents. The rules they set might seem old fashioned or foolish, but they are for your own good.
4. **Are You Thankful for Your Health?** I remember visiting another minister in the hospital who was stricken with brain cancer. He said to me, "Scott, never take for granted a day of good health. If you can rise up in the morning and clothe, feed and bathe yourself, then don't forget to Thank the Lord."
5. **Are You Thankful for Jesus Christ?** Are you really thankful that God's son took your place and died on a cross for your sins? Have you ever truly experienced God in a personal way? Why not rededicate yourself to serving God and His Church? Considering all that God has done for us, is it asking too much for us to worship regularly and contribute generously with our time, talent and resources?

Have a Happy Thanksgiving Holiday
May the Lord Bless You! Pastor Shay

Thanksgiving Prayer

Dear Lord,

Today we give you thanks

For our many blessings,

As we pray for those in need,

We give you thanks

For our family and friends

As we pray for those who are lonely

We give you thanks for our freedom.

As we pray for those who are oppressed

We give you thanks for our good health

As we pray for those who are ill

We give you thanks for our comfort and prosperity

As we share our blessings with others.

On this day of Thanksgiving, may the love of God

Enfold us, the peace of God dwell within us and the

Joy of God uplift us. Amen

CHRISTMAS CARD EXCHANGE 2019

Beginning Sunday, December 1st and ending Sunday, December 22nd.

Jacob's Church will again have a Christmas Card Exchange. Mailboxes will be set up in the West Vestibule. This is an excellent way of saving postage for the cards you would send to your friends, neighbors and relatives in the Jacob's Church Family.

Please take note to the following:

1. When addressing your envelopes, please also put **your name on the top left**-hand side of the envelope. This will be one way we can be sure that all the cards will be delivered in time for Christmas.
2. **Please put all your envelopes in alphabetical order by last name.** This will make it easier to sort the envelopes faster.
3. Also, when leaving Worship Service, please stop and **check the table in the parlor area (see note below)** for any cards that were not delivered earlier.

After the cards are sorted, they will be distributed to the congregation before Church starts at 10:15 am. If the cards are not all distributed before church starts, please take **note:** After the Worship Service---check the table in the parlor area for any cards that are addressed to you.

**Thank You So Much For Your Help In Making
The Christmas Card Exchange So Successful!**

Jefferson's
DesignPhiladelphia exhibit

EveryPhilly.School

October 2019

What do you hope for your neighborhood?

Jefferson's exhibit at the DesignPhiladelphia festival asked citizens what they loved and what they hoped would be true about our city. Answers were displayed on a screen. Looking at the various responses, there was little difference between those of diverse beliefs and world views. For the large, intractable problems of our city, we all want the same thing. Whoever gets the credit for making a measurable change, whether that is Islam, Christianity, a policy, or people group, will earn the right to be heard among our city. That is one reason we look for Christ's Church to collectively address opioid addiction and the educational needs of our youth.

There are many churches and Christian non-profits doing amazing work with those with opioid addiction. Unfortunately, churches outside Kensington often do not know how they and their members can get involved. Earlier this week, I (Dave) brought together faith leaders across the city to help shape an event where the regional Church can understand and learn how to get involved. Topics they would like to highlight are the science of addiction, understanding trauma, how this needs to

be seen as a regional issue, and repentance about how differently we treated the crack epidemic. After presentations, they suggested the event feature discussions in small groups of people we don't already know and tables for non-profits to onboard new volunteers.

As for education, I assist the Philadelphia Gospel Movement to encourage church/school partnership and to develop a mechanism for sharing best practices. In order to develop a church school partnership, we believe 2 activities can nudge churches to that destination:

- Prayer walks at a local school
- Learning about the school from the principal or volunteer coordinator, and asking how their church could serve

To encourage Christians and churches to adopt these steps towards a partnership, I created the site www.EveryPhilly.School. It's just the beginning, but am excited about the connections and resource sharing that this portal could become.
