THE PASTOR'S EPISTLE

G'day, mates! We had an awesome time at VBS this past year!

For those of you that couldn't be a part of VBS this week, we learned about the value of life. That all lives matter in the eyes of God. That it isn't about the color of your skin, whether your healthy or sick, whether your old, young, or preborn. We all have value because we were all made in the image of God.

We are reminded this in Psalm 139 beginning at verse 13. We read: **For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful; I know that full well. My frame was not hidden from you when I was made in the secret place, when I was woven together in the depths of the earth. Your eyes saw my unformed body; all the days ordained for me were written in your book before one of them came to be.**

What does it mean to be fearfully and wonderfully made?

It means you're a special, one-of-a-kind creation. God took great care in creating each of us and we can see the evidence of that in the way he put our bodies together. From our skeletons to our individual DNA to our eyes, nose, and mouth. Each part of our bodies is laid out carefully and remarkably. That when we look at God's handiwork, we can do nothing but be in awe of his creation.

God values each and every one of us greatly. As we are his precious creation. So, if you ever find yourself feeling worthless or broken. Remember that you were made by God, which makes you a priceless treasure.

God Bless You, Pastor Schlegel

MISSIONS!

Hi dear friends in America. Thank you for your patience waiting for this long update. I did not write and send it to you in May because I was waiting for some graduate's graduation pictures.

Last month, as usual, I took a long-distance bus to Xichang and met the students there. Since the students could not come out so I went to their school and did the activity. We sang few worship songs and one student called A Guo, she taught them a popular dancing. After that, I briefly told them the plan about the fall activities. It was our last time seeing each other of Spring semester because all of the TTS students had to do their teaching practicing program at different schools.

We have five college graduates this summer. They are Liao Jiaxiang, An Liangfen, Bao Wenxing, Jibu Awu, and Ma Xiaoying. One of the students already found a good job right after he graduated from his college, and he works in Chengdu for a technology company. Below are the graduates graduation pictures.

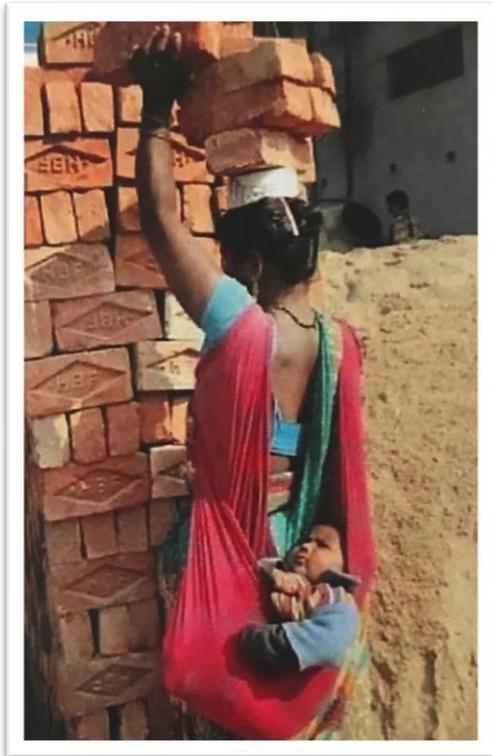

Next month, I am going to Chengdu and visiting a couple of students. I invited them for a graduation dinner.

Sorry for the late reply. I wish you all a relaxing and safe summer. Take care.

Stay blessed.

Zoe

Thank you to the folks at Jacob's Church for their generous gift to the Barnabas Benefit, Inc. Enclosed are some pictures of their rebuilding and drilling for water. Thank you again for your support and prayers. Blessings, John Teufel

Get Screened for Stroke and Cardiovascular Disease Risks

This Screening Package Now Includes a FREE A1c Diabetes Screening!

[Schedule a Screening](#)

About Us:

Life Line Screening assesses nearly 1 million people each year for risks of stroke and cardiovascular disease.

Why Get Screened?

Get peace of mind or early detection for stroke and cardiovascular disease risk. Screenings are easy, painless and non-invasive.

Get Our Screening Package For Only \$149

(Special package pricing 50% off)

5 Preventive Health Screenings Offered by Life Line Screening

1 Carotid Artery Disease:

an ultrasound is performed to screen the carotid arteries (a pair of blood vessels in the neck that deliver blood to your brain) for buildup of fatty plaque. This buildup, called atherosclerosis, is one of the leading causes of stroke.

2 Peripheral Arterial Disease (PAD):

an Ankle-Brachial Index (ABI) test is performed using blood pressure cuffs on the arms and legs. It is important to screen for PAD because it increases the risk of coronary artery disease, heart attack, or stroke.¹

3 Abdominal Aortic Aneurysm (AAA):

an ultrasound is performed to screen the abdominal aorta for the presence of an enlargement or aneurysm. AAA can lead to a ruptured aortic artery, which is a serious medical emergency.

4 Atrial Fibrillation (AFib):

a 6-lead electrocardiogram (EKG) is performed by placing sensors on the arms and legs to screen for Atrial Fibrillation. AFib can lead to blood clots, stroke, and heart failure, and other heart-related complications.²

5 A1c Screening (FREE For a Limited Time):

a quick and easy blood test that measures the average blood glucose level over the previous 2-3 months. The American Diabetes Association recommends that the A1c test be the primary screening tool used to diagnose prediabetes, type 1 diabetes, and type 2 diabetes. Diabetes is serious and not managed properly can cause damage to kidneys, poor circulation in the legs and feet and can also cause vision loss.

ACTIVITIES IN THE COMMUNITY

**FOR WHERE TWO
OR THREE ARE
GATHERED IN
MY NAME,
THERE AM I
AMONG THEM.
MATTHEW 18:20**

Dear Friend,

It's no secret that our country is struggling. So many people are living far from God—adrift without real hope, lasting peace, or purpose in life.

That's why this fall, I'm partnering with believers like you to bring the Gospel of Jesus Christ to six cities across five states with the God Loves You Tour 2022.

Only Jesus Christ can change hearts, and He alone has the power to transform our families, cities, and entire nation. Together, we'll share the Good News with hurting and lost people in your community.

These free, one-night events will feature live music and are the perfect opportunity to invite your friends and family members to hear the Gospel.

SEPT. 24, ALLENTOWN | PA – 7:00PM – 302 N 17th Street
SEPT. 25, YORK | PA
SEPT. 27, YOUNGSTOWN | OH
SEPT. 29, FLINT | MI
OCT. 01, WAUKESHA | WI
OCT. 02, ROCHESTER | MN

It's our prayer that God will do a mighty work in this nation—and that He will use your efforts now to draw many people to Himself.

Will you prayerfully consider serving before or during the events this fall?

When you sign up, we'll send you practical resources to help you invite others to the God Loves You Tour in your community.

Thank you for your heart to see people discover the lasting hope and peace found only in Jesus Christ.

May God richly bless you,

Franklin Graham

SAVE THE DATE ANNUAL FUNDRAISING BANQUET

Thursday, October 6, 2022

Mark your calendars for our annual fundraising banquet! Join us at **Stone Spring Farm in Hamburg, PA on Thursday, October 6th.**

This year we're excited to welcome the executive director of ProLove Ministries Pam Whitehead as our banquet speaker.

ABOUT OUR SPEAKER

Pam Whitehead

Pam Whitehead is the Executive Director of ProLove Ministries, founded by Abby Johnson. Pam has an intense desire to see women collide with their destiny. She calls herself a "hope dealer." She decided long ago that instead of focusing on what someone didn't do for her, she would offer what she didn't have to other women to see them empowered to prosper.

Pam's life is a miracle. After years of abandonment, abuse, and addiction, she found herself facing a crisis pregnancy with only one option: abortion. The details and devastation following this decision are horrific. There was no relief, and facing down her darkest hour while wondering what purpose she served, she began seeking truth. She found the truth in Jesus Christ. Her conversion is radical and so is her love for other women facing crisis like she did.

We hope you'll join us this October to hear Pam's powerful story!
