Our Mission

The Christian Life Institute was established for the purpose of providing educational programs to grow Christians in living Christ – the sanctified life. At the Christian Life Institute our method is based on a psychologically oriented medical model for cultivating, developing, and growing all aspects of one's self into a healthy vessel available for God's purpose.

The Sanctified Life

The Christian Life Institute is focused on the process that begins once you have embraced Christ as your personal Lord and Savior.

Restoration to deeply rooted spiritual health

Heal me, O Lord, and I shall be healed; save me, and I shall be saved, for you are my praise. Jeremiah 17:14

Renewal of a right spirit within; renewed in the spirit of your mind and a cleansed heart.

They who wait for the Lord shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint. Isaiah 40:31

Refreshment for the soul in the presence of the Lord - Breath, Space, Rest.

For I will satisfy the weary soul, and every languishing soul I will replenish. Jeremiah 31:25

In our world today many who say they are Christians are confused about the foundational truths of the faith and are not growing in their personal relationship with Jesus Christ.

At the Christian Life Institute, we have a burden, a calling, and a passion for transformative growth in Christ Jesus. Our mission is to provide a roadmap for spiritual formation and development for those who profess faith in Jesus Christ.

Consider these statistics:

- Almost half of all Christians (45%) never share their story of how they came to Christ.
- 93% of practicing Christians aren't comfortable having a conversation about the Lord with their own grandchildren.
- 69% of churchgoers believe that all people will go to heaven.
- Almost one-third of Evangelicals attend church out of obligation.
- One in four Evangelicals are not certain that the physical resurrection of Jesus was a real historical event.
- 51% of Americans say the Bible was written for each person to interpret as he or she chooses.
- More than 30% churchgoers say they have never felt God's Presence during a service.

We are reaching out to you to share the vision and mission and ask you to prayerfully consider joining with us and contributing to help us: lease office space, purchase equipment for Podcasts and Vlogging, Develop the Curricula, and launch programs in 2020. Thank you for your support.

It is our hope that by joining together we can reach those who are struggling in their personal walk in Christ, those who are stuck in their faith, and those who feel trapped in a lifeless cycle of simply going through the motions – individuals trying to live the Christian life in their own strength, and who feel disconnected from the eternally existent One, who is Christ Jesus, the Lord.

At the Christian Life Institute our mission is to develop and disciple Christ-followers through spiritual formation, drawing on the models and best practices of psychology and functional medicine. Our hope is that through educational workshops, programs, seminars, and retreats we can as God's vessels, through the transformative work of the Holy Spirit in us, grow into intimate maturity in Christ.

The Christian Life Institute is in its pre-launch phase. It has been formed as a Texas non-profit corporation, has received its 501(c)(3) status from the Internal Revenue Service. The Institute is overseen by an Advisory Board dedicated to ensuring doctrinally sound programming and responsible, God-honoring stewardship of the resources entrusted to us.

The Christian Life Institute is developing its curricula for the launch of its programs in September 2020, which can be viewed at www.christianlifeinstitute.com

Summary of our Statement of Faith:

- We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
- We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His Ascension to the right hand of the Father, and in His personal return in power and glory.
- We believe that for the salvation of lost and sinful people regeneration by the Holy Spirit is essential.
- We believe in the present ministry of the Holy Spirit whose indwelling in the Christian is enabled to live a godly life.
- We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
