ALL PROCEEDS TO SUPPORT JONATHAN RODRIGUEZ AND FAMILY

### JONATHAN'S STORY

In June of 2020, Officer Rodriguez was paralyzed from the chest down after his team's SWAT van was struck by a drunk driver, injuring his spinal cord and forcing him to retire at the young age of 30. He is cared for, around the clock, by his wife and nurses with his two young children by his side. Jonathan is scheduled to undergo a costly procedure that is expected to increase his quality of life. The Rodriguez family has exhausted all Bureau of Workers Compensation and medical insurance options, and the expense of this procedure will fall entirely on the family.
