2 Team Tie: head to head results

If teams did not play each other fewest runs allowed.

3 Team Tie: Fewest runs allowed in games involving the teams that are tied; 2nd place determined by head to head results between two teams remaining.

If two teams tie for fewest runs allowed, then third team is out and winner is determined by head to head results between the two remaining teams.

If a 3 team ties remains based upon fewest runs allowed, then it goes to Run Differential (runs scored minus runs allowed in two games).
