## FAQ

### WHY DOES ALEV COSMETICS EMPHASIZE USING ORGANIC INGREDIENTS?

USDA Certified  
Organic Ingredients

At Alev Cosmetics, we are committed to developing products made from ingredients that are pure, free of harmful chemicals such as pesticides, herbicides, and other chemicals harmful to health and the environment. We believe we can only achieve this by using certified organic ingredients sourced from reliable vendors. Personal care products made with organic ingredients help you look beautiful naturally.

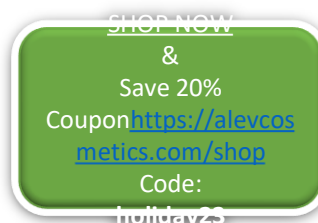

### IS WATER ESSENTIAL FOR LIFE?

USDA Certified Organic Ingredients

**Carefully Selected Organic Ingredients**

We are committed to bringing you pure and clean products made with **USDA Certified Organic Ingredients**. You can use our products with confidence.

**Plant Based Products**

Our company is creating eco-friendly products and packaging for our customers who love them and also care about the environment. Our plant-based products are more sustainable than traditional products because of their sourcing, manufacturing, and packaging. By using natural, organic products like ours, you avoid many of the toxic elements found in popular brands that are damaging to the environment and to our health. Choosing natural, plant-based beauty products is a great way to reduce our carbon footprint and become more ecologically aware.

**We only use recyclable packaging materials for our products.**

Having the ability to recycle packaging materials reduces our carbon footprint and also allows us to create economic and industrial infrastructure around it.
