WE EDUCATE AND INSPIRE THROUGH THE JOY OF LAUGHTER.

Peetz, Colorado

At a one-day Student Council Summit, we led a 90-minute, laugh-filled session on *Leadership & Laughter*. The students were terrific!

They were from the following schools:

Briggsdale, Fleming, Lone Star, Pawnee, Peetz, Prairie and Weldon Valley.

The day was covered by a local newspaper. Excerpts are below.

"The concepts of leadership and communication got quite a workout in the Peetz High School Gymnasium on Monday. More than 70 students from six schools gathered at the gym to participate in the annual North Central League Student Council Summit."

"After lunch, the group met Bob Wells and Dave Johnson of the World Humor Organization, also known as Chicken Lips. The comedic duo use humor to teach about working together to a common goal.

The WHO duo instructed students that, when collaborating in the sketches, it was important for them to listen, respect what the other person had just said, and try to make each other look good."
