## EMPOWERING VULNERABLE ADULTS WITH VISUAL THINKING!

As the SkillVista project approaches its final phase, we are proud to present the tools, insights, and learning resources developed over the past months – and we warmly invite you to join our Final Online Conference.

Throughout the project, our partnership developed innovative, evidence-informed resources to strengthen soft skills among vulnerable adults using visual thinking methodologies.

### Visual Methodology Mastery Kit

It includes:

- Visual explanations of core soft skills
- Practical facilitation guidance
- Ready-to-use exercises

## SkillVista Platform

- An interactive online platform featuring:
- Scenario-Based Simulations
- “Sort It OUT!” Challenges
- “We SHOULD / We SHOULD NOT” Behaviour Mapping
- SkillBuilder Modules
- Quizzes and reflective activities
- The platform enables learners to practice communication, teamwork, emotional intelligence, adaptability, and problem-solving in structured real-life contexts.

## Join Our Final Online Conference

We are now bringing together educators, NGOs, adult education providers, policymakers, and stakeholders from across Europe.

### Conference Theme:

- **Empowering Vulnerable Adults Through Visual Learning: Strategies for Effective Soft Skills Development**

## EMPOWERING VULNERABLE ADULTS WITH VISUAL THINKING!

The SkillVista Project is Concluding – But Our Resources Are Live and Accessible

Together with partners from Estonia, Croatia, and the Netherlands, we developed innovative tools that combine:

- Visual thinking methodologies
- Scenario-based learning
- Structured soft skills development
- Inclusive adult education practices

Our aim was clear:

To make soft skills learning more accessible for vulnerable adult learners.

In line with Erasmus+ principles:

- All project outputs are freely accessible
- Materials are available online
- Resources can be adapted and reused
- No registration fees or restricted access

We strongly encourage educators, NGOs, VET providers, and institutions to integrate these tools into their programmes.
