MYSTERY SERIES BY MICHELLE RENEE HIATT

QUILT SIZE:

- Throw Size

TOOL NEEDED:

- [Star 60](#)

FABRIC REQUIREMENTS:

- **Will Release early October**

FABRIC RECOMMENDATIONS:

- **For my main selection, I am partnering with Island Batik** and using a line that is releasing shortly. I will have pre-order information shortly for those that want to use the same fabric.
- **Throughout October, I will feature a Blog Post helping you with your fabric selection should you want to procure your own.**

SERIES INFO:

This is a Mystery Quilt series is intended for my followers. This Mystery series will basically **be a Technique Building Series of the Star 60 tool**. Each week will take you **step-by-step through all the fabulous units and blocks** you can make with this tool. There will be over 24 techniques shared throughout the length of the series.

Given how much work and time goes into my Mystery series, I've decided to charge for this series. The earlier you enroll in the series, the lower the price. Since there are a lot of new techniques with this Mystery, I've decided to offer several levels of membership.

As always, each week, the Blog will feature a mini-pictorial and tips for each week's block(s), however the Blog will not have the detailed measurements. The Blog post will remain on the Blog, but the Clues will only be available through a membership.

For those wanting additional help, there will be an Online Class Membership Option

CLUES & DATES:

- **The Clues, providing construction steps, will be released weekly on Friday afternoon. The estimated start date is November 11th.** This may be delayed a week, depending on when the fabric is delivered to the Quilt Shops. As the date gets closer, Island Batik will have a better idea when the line will ship to Quilt Shops, and therefore, I will be able to confirm the start date.

BEST OF THE 60'S

MYSTERY SERIES BY MICHELLE RENEE HIATT

- There will be **24 Clues including the reveal**. The series will run for 24 active weeks. 26 calendar weeks.
- There will be two “Bye” weeks; one for the Christmas holiday, as my secret testers and I will be spending time with our family and a second week for when “life happens” and I need a week off. I will do my best to release a Clue, by 4pm Eastern, on Friday, but sometimes life happens, so I want to state up front, there could be a travel week, illness or a family emergency. Life happens. So, I will strive for Friday and plan on releasing the Clues on Friday 99.9% of the time.
- **The Clues will provide the construction task for the week**, with step-by-step instructions.
 - Each week, the Clue should take the average quilter 2-3 hours.
 - Each week, you will see more and more of the units -- just enough to keep you guessing!
 - On the last week, and in Clue #24, you will get the final construction steps and the mystery will be revealed.
- **The clues are for personal use only and are not to be shared.**

Let me state this up front. Mystery Quilts are not for everyone. If you are a person who needs to know how the quilt is going to look upfront, this may not be the project for you.
