Clues & Dates:

- There will be **16 Clues plus a reveal (Clue #17) – 17 total clues**
- **The Clues, providing construction steps, will be posted weekly on Friday, from May 17th through September 20th.** Announced through my weekly newsletter or blog.
- I built in one “Bye” week and I will do my best to post every Friday, but sometimes life happens, so I want to state up front, there could be a travel week, illness or a family emergency. Life happens. So, I will strive for Friday and plan on posting on Friday 99.9% of the time.

- **The clues will provide the construction task for the week,** with step-by-step instructions.
 - Each week, you will make either (1) 12” Block or (4) 6” Blocks.
 - Each week, you will see more and more of the blocks -- just enough to keep you guessing!
 - On the last week, and in Clue #17, you will get the final construction steps and the mystery will be revealed.
- **The clues are for personal use only and are not to be shared.**
- **The clues will only be up for one week. You will be responsible to view or download/print your clue each week.** If you missed any clues, you will be able to purchase the series at the end of the Mystery for a nominal fee.

Let me state this up front. Mystery Quilts are not for everyone. If you are a person who needs to know what the quilt is going to look upfront, this may not be the project for you.
