

MAKE EVERY CONNECTION COUNT

TURN EVERYDAY PROPERTIES INTO SMART, REVENUE GENERATING ASSETS

ABOUT US

SignaConnect deploys compact, discreet hardware— like data sensors and enhanced Wi-Fi nodes. In return, you unlock new revenue streams, gain insights into visitor behavior, and offer valuable amenities that attract tenants and customers.

KEY BENEFITS

- ✓ Sustainable Solutions aligned with ESG
- ✓ Actionable Data to drive leasing, marketing, and operations
- ✓ Increased Property Value with smart amenities
- ✓ New Revenue Streams

Whether you manage a retail center, office park, university campus, or parking lot, your property has untapped potential. SignaConnect helps you increase your property's value and enhance the experience for tenants, visitors, and partners. It's a smart, sustainable way to future-proof your assets while generating passive income

NEXT STEPS

1. **Site Assessment**– Share your property details and we'll evaluate the opportunity.
2. **Tailored Proposal**– You receive a custom deployment and revenue-sharing plan, no obligation required.
3. **Seamless Installation**– We handle everything: permits, equipment, install, and support. You start earning.
