

Media Personnel (Videography & Photography)

Thank you for your interest in joining MartinX Builds through media personnel. This document outlines expectations, requirements and the application process. **Please read carefully.**

We are looking for a **high-level, creative media professional** to join our team and help document a journey that goes beyond the workshop. This is not just content creation this is **storytelling at a premium level** with the intention of building something that can evolve into **documentary level production**

Role Overview

You will be responsible for capturing and documenting our work across multiple environments from the workshop to travel, meetings, public engagements and special projects.

We are building something with long term vision. The goal is to create content that within time reaches a **cinematic and documentary standard**.

Key Responsibilities

- Capture high-quality **video and photography content** across all projects
- Document the full journey, workshop builds, travel, meetings and behind the scenes moments
- Create content suitable for both **social media and long-form storytelling**
- Contribute creatively with **ideas, concepts and storytelling direction**
- Work closely with the team to ensure key moments are never missed
- Maintain a **premium visual standard** across all content
- Edit and deliver polished, high-quality visuals consistently
- Help shape the overall **media identity and narrative** of the brand

Requirements

- Proven experience in **videography and/or photography**
- A strong **portfolio or social media presence** (this is essential)
- Experience in documenting projects, events or ongoing processes
- Ability to think creatively and contribute ideas not just execute
- Strong understanding of storytelling, composition and visual flow
- Ability to work in different environments (workshop, outdoor, travel, public settings)
- Professionalism, reliability, and consistency

Additional Requirement (Important)

- Must have a **valid passport and be able to travel**
(This role will involve travel for projects, meetings and external work beyond the workshop)
-

Preferred (Bonus)

- Experience in **automotive or lifestyle content**
- Experience in **cinematic or documentary-style filming**
- Drone operation skills
- Strong editing skills (video + photo)
- Understanding of social media storytelling (Instagram, TikTok, YouTube)

What We're Looking For

We are looking for someone who:

- Thinks beyond basic content, someone who understands **vision and storytelling**
- Has a creative mindset and can **bring ideas to the table**
- Is serious about growth and building something long-term
- Can help take this journey to a level that over time can match **documentary standards**

To apply please submit your **portfolio / previous work** (website or social media), a short introduction about yourself and any relevant projects you've worked on to **info@links2europe.com**

Please include the position you are applying for in the subject line (**Media Personnel**)

Only shortlisted candidates will be contacted for further discussion or interview. This opportunity is for individuals serious about learning and developing real skills.

All the best, Good Luck
