

Apprenticeship & Volunteer Programme Information

Thank you for your interest in joining MartinX Builds through an apprenticeship or volunteer placement. This document outlines expectations, requirements and the application process. **Please read carefully.**

Programme Overview: This opportunity is for individuals seeking hands on experience in automotive restoration particularly classic builds such as BMW E30s. This is not a paid position but a chance to learn and develop skills in a real workshop environment.

What You Will Gain

- Hands-on experience on real builds
- Understanding workshop standards
- Guidance on proper techniques
- Exposure to welding, fabrication and restoration processes

Expectations

- This is a learning-based opportunity not employment
- Punctuality and respect are essential
- Must follow instructions and maintain standards
- Progress depends on consistency and attitude

Requirements

- Genuine interest in cars
- Willingness to learn
- Strong work ethic
- Attention to detail

Preferred (Optional)

- BMW E30 knowledge
- Basic hands-on experience
- Technical background Application Process
- Johannesburg based as the workshop address is in this city.

To apply please send your details, background and motivation to **info@links2europe.com**

Please include the position you are applying for in the subject line (**Apprenticeship & Volunteer Programme**)

Selection

Only shortlisted candidates will be contacted for further discussion or interview. This opportunity is for individuals serious about learning and developing real skills.

All the best, Good Luck
