ABOUT ME

Kelly Sirois

SAG-ELIGIBLE ACTRESS (SAG-E) | FORMATION TALENT |
ATLANTA HOLLYWOOD ACTING STUDIO (AHAS) OWNER

I'm Kelly Sirois — a working SAG-Eligible actress (SAG-E), acting studio founder, and certified storytelling coach, UGC Creator over 40. I don't create content. I craft stories — the kind that make people feel something, stop scrolling, and take action. My background in film and television means I bring professional performance craft to every frame. Brands who work with me don't get an ad. They get a weekly cliffhanger — emotionally driven, cinematic, and built to convert.

Usage Rights & Add-Ons

Kelly Sirois — UGC Creator

À la carte pricing for one-off projects, plus the add-ons brands most often negotiate on top of a retainer.

À LA CARTE RATES

Single video (15–30 sec)	\$250 – \$350
Single video (60 sec+)	\$400 – \$550
3-video starter bundle	\$800 – \$1,000
Static / photo content	\$150 – \$200

ADD-ONS

Paid usage / whitelisting <i>Spark Ads, Partnership Ads — per 3-mo. term</i>	+50–75%
Category exclusivity <i>No competitor content</i>	+\$300–500/mo
Rush delivery <i>48-hour turnaround</i>	+25%
Raw footage / hook variations <i>Per set of 3, for A/B testing</i>	+\$75–150

HOW TO USE THIS PAGE

Start with the retainer tier that fits your content volume, then layer on add-ons as your campaign scope grows — paid usage and exclusivity are the two most common upgrades once a partnership proves out. À la carte rates are best for a first project before committing to a monthly cadence.

All rates include organic usage rights. Paid/whitelisted usage, exclusivity, and rush turnaround are negotiated on top of the base project or retainer fee.
