

ESPRESSO MARTINI

2 oz	Vodka (Vanilla preferred)
1 oz	Espresso (freshly pressed)
¾ oz	Mr. Black coffee liqueur
¾ oz	Simple Syrup
½ oz	Milk
1/8 oz	French Vanilla Syrup

Chill the glass well.

Add all ingredients to a shaker filled with ice and shake. Shake it up, you want the milk to make a nice foam floater in the glass.

Fine-strain into an ice cold cocktail glass, and garnish with 3 coffee beans.
