Ingredients

2 oz	Bourbon
2 oz	Diplomatico gran reserve rum
6 dashes	AZBL mi casa bitters
rinse	Laphroaig whisky

Lemon peel garnish

Saw this on the menu and loved it. The amounts are a trial and error best guess. I settled on basically equal parts bourbon and rum but definitely needed more than a simple dash of Arizona Bitters Lab mi casa bitters to get it right. Sun Devil Liquors in Mesa was the only place that carried AZ Bitters Lab bitters. The aromatic bitters and Diplomatico rum make this drink.
