NOVEMBER 2020

If you will be ringing your child in earlier than your scheduled time please be sure to let someone know so we can be properly staffed as that child can make a difference in our ratio. Thank you

We will be closed Thursday November 28 and Friday November 29 for the Thanksgiving holiday. Enjoy time with your families and friends.

This Thanksgiving will look a lot different from pre-COVID-19 celebrations, however that doesn't mean your kids have to be bored at home. Below is a simple, fun turkey-themed Thanksgiving activities for you to do at home while celebrating this year.

Activity 1: Shake Your Tail Feather Like A Turkey

This first game is such a great way for your child to release all their energy. Plus it's an activity the whole family can play, and will surely bring about a ton of laughs. This game is all about shaking your butt aka tail feather like a turkey.

Supplies Needed For Tail Feather Thanksgiving Activity

- Empty Ziploc Sandwich Container (or empty tissue box)
- Feathers (or pom poms)
- Shoe string (or yarn)
- Scissors

How To Make And Play The Tail Feather Game

1. Open the lid of the sandwich container and take out the bags. Then cut or tear the opening more making the center wider and lower, otherwise it can be challenging for kids to empty the container. (See examples above)
2. Next using the scissors stab a hole into the side ends of the box, which will make it two holes (one on each side).
3. After that put the shoe string through both holes.
4. Finally add your feathers, or pom poms into the container.
5. Now tie the shoe string around the waist and began to shake your butt, jump, or dance to empty that box. This could also be a race to see who can empty their "tail" the fastest.
