

WELCOME TO THE INFANT ROOM

Hi, my name is **Ms. Laurie**. I have been working here since 1991. I am married and have 2 children who both are married and have 6 grandchildren. I have my infant/toddler credentials, my CPR certification and enjoy many new learning experiences when I get the chance.

I love working outside in my garden/yard, walking/running, cooking/baking and being creative. My favorite times are spending time with family and friends.

I like working in the infant room because I get to see so many changes that the babies go through such as smiling, laughing, sitting, crawling and walking. It is very rewarding to be a part of that growth and I could not imagine working anywhere else.

My name is **Ms. Mary**. I have been at The Wee Welcome Inn since 1983. I have my associate's degree in Early Childhood and my bachelor's degree in Education. I have 4 children, one who is married and 2 grandchildren. I like to scrapbook when I have time, spending time with my family, and camping with friends and family.

I like working with the infants because I like to see the developments that take place in their first year. It is fun to experience the infant's different personalities. I enjoy coming to work to see them.

My name is **Ms. Sandy**. I have been at The Wee Welcome Inn since September 2020. I retired from the Hamilton School District after 24 years. I have 2 children and 5 grandchildren. I have my infant/toddler credential and am CPR certified.

I enjoy spending time with family and friends, and traveling.

I enjoy working here with children of all ages and look forward to spending time with your child.
