A Chamber goal for 2024 will be to continue the revitalization efforts to “The HUB – Historic Uptown Businesses” district. The revitalization project is intended to attract visitors and residents as well as stimulate economic growth throughout the community. The Chamber is proud to work with the city and local merchants to bring changes such as new solar lighting added to historic poles, flower planters, themed signage with several additional improvements in the planning stage.

Throughout the year, members and businesses support Chamber social events as we raise funds for community projects, annual scholarship fund, back-to-school teacher breakfast, Santa’s Parade of Lights, co-sponsorship of other events within the community... just to name a few. **Your sponsorship generosity is greatly appreciated!!** In an effort to simplify the process and save valuable time, we’re offering sponsorship packages this year for upcoming events. We hope you’ll consider including a sponsor package with your membership; however, if now is not a good time, there will be opportunities for support throughout the year. See other side for opportunities.....

**Your membership is an investment in the present and future of the
OWENSVILLE COMMUNITY**
