

DONATE NOW

The Victoria Curling Club (VCC) is in urgent need of upgrading and modernization. Since opening in 1952, the club's facilities have only undergone minor renovations and many building systems have now reached or are approaching their end of life and must be replaced.

We have partnered with the **BC Amateur Sport Fund** to raise funds to benefit the Club's **Rebuild Our House Project**. The BC Amateur Sport Fund is the BC chapter of the Canadian Council of Provincial & Territorial Sport Federations, a Registered Canadian Amateur Athletics Association with charitable status, you may receive a tax receipt for your donation.
