

EXCLUSIVELY FROM NUTRALAND

Somato™

Whole Food Derived Phytomelatonin from Tomato

Frequently Asked Questions

What is it?

Somato™ is a **patent-pending, whole-food derived & SA-GRAS Affirmed** Phytomelatonin from tomato fruits, standardized to 5% Phytomelatonin and rich in other tomato-derived nutrients (such as Lycopene & GABA).

What are the health benefits of Somato?

o Sleep health o Skin & Hair health o Gut health o Hormone health o Heart health o Bone health o Immune health

What about safety?

Somato™ is derived from the most popular fruit in the world, tomato, which is associated with a long history of safe use and various health benefits.

Somato™ is SA-GRAS Affirmed.

What tests have been performed on Somato?

Somato™ has been vigorously tested at 3rd party labs for potency, purity and safety including but not limited to the following:
ID (Radiocarbon) - verified to be 100% bio-based (no synthetic Melatonin)
Assays (Melatonin & Lycopene) - verified to be in line with claimed assays.
Contaminants - verified for solvents/pesticides residues, heavy metals, micros & Lectin, etc.

Where and how is Somato sourced and manufactured?

Somato™ is sourced from upcycled tomatoes.

Somato™ is manufactured at Nutraland's **BRC Grade-A Certified & US FDA Inspected** facility utilizing a patent-pending process in compliance with 21 CFR 117.

Somato™ is produced using only fair and ethical trade and labor practices and complies with current governmental EHS (environmental, health & safety) regulations both domestically and internationally.

What is the difference between Somato and synthetic Melatonin?

Unlike most Melatonin ingredients in the market today, Somato™ is a source of Phytomelatonin naturally derived from a whole-food source, tomato.

In addition to Phytomelatonin, Somato™ also contains other nutrients from the whole tomato (such as Lycopene & GABA).

What are formulation options for Somato™?

o Tablets o Capsules o Softgels o Effervescent o Gummies o Melts o Powdered beverages o RTD's o Oral Strips

What is the regulatory compliance status of Somato™?

o Natural o Vegan o Kosher o Halal o Allergen-free o Whole-food derived o Non-GMO/BE o Prop-65 compliant
