The Gospel According to Luke concludes where **Acts begins, namely, with Christ's Ascension into heaven.** Acts was apparently written in Rome, perhaps between **70** and 90 ce, though some think a slightly earlier date is also possible.

If it is true that Christ will rule over Israel in the 1000 years, millions of Israelites will be converted and millions of the converted will die natural causes.

But there is only 1 resurrection which happens when Christ returned before the Millenium.

The Bible speaks of only 1 resurrection! Is there no resurrection for the righteous dead of the Millenium?

EU Bishops call for nations to protect work-free Sunday

The Bishops of the European Union and the European Sunday Alliance are urging EU leaders to protect synchronized free-time, which most nations traditionally observe on Sunday.

By Lisa Zengarini

Synchronised free time should be a priority in the EU social-policy agenda, according to European Bishops and other organizations.

Efforts are also under way to ramp up action within the global Catholic Church. Next month, the Vatican's Dicastery for Promoting Integral Human Development is expected to launch its [Laudato Si' Action Platform](#), which aims to catalyze Catholic parishes, dioceses, schools, hospitals and religious orders to put into action the messages of Francis' 2015 encyclical "*Laudato Si'*, on Care for Our Common Home."

Churches and congregations across the British Isles are invited to hold a local Climate Sunday on any Sunday before the 26th Conference of the Parties (COP26). Christians are called to participate through prayer, reflection, and climate initiatives.

Wide base of support

Climate Sunday forms part of the liturgical period known as the "Time for Creation", which runs from 1 September to 4 October
