Dan 2:32-35

- 32 This image's head was of fine gold, his breast and his arms of silver, his belly and his thighs of brass,
- 33 His legs of iron, his feet part of iron and part of clay.
- 34 Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces.
- 35 Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshing floors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.
