## Verónica Volani-Inza Upstairs Loggia

Interior designer Verónica Volani-Inza wanted to create a romantic, upbeat space that would “encourage guests to relax, have a cup of coffee, and read a book while taking in the intercoastal views.” Sunbrella sheers whisper in a breeze punctuated by bright yellow-and-brown fabric designed by Trina Turk. The statement fabric was used to construct fashionable pillows for the love seat and cushions for the lacy gold-painted iron chairs. Adding pizzazz is an outdoor candlelight fixture by Elayna Toby Singer that descends from the covered loggia’s weathered wood.
