

## EATONVILLE MEMORIAL GARDENS

600 Wymore Road, Maitland, Florida

Eatonville Community Cemetery Association, Inc.

### GRAVESITE ASSIGNMENT AND CONSUMER INFORMATION

The Eatonville Community Cemetery Association, Inc. is a Florida Not for Profit Corporation, which owns and operates the Eatonville Memorial Gardens Cemetery in Maitland, Florida. Eatonville Community Cemetery Association, Inc. is managed by a board of voluntary directors, non-paid trustees of the corporation and of the cemetery.

The Eatonville Community Cemetery Association, Inc. is regulated by the Florida Funeral and Cemetery Act through the Florida Department of Banking and Finance, on matters of funeral and cemetery services to the consumer. It is also regulated by the Florida Department of Agriculture and Division of Consumer Services for consumer services. The telephone number for each of these agencies is listed at the bottom of this advisory.

These instructions are intended to explain to the consumer the following (A) Eatonville Community Cemetery Association, Inc. gravesite assignment procedures, (B) Eatonville Community Cemetery Association Standards for Constructing a Grave and (C) the consumer right of the person or persons agreeing to accept a gravesite assignment from Eatonville Community Cemetery Association, Inc.

#### **A. Eatonville Community Cemetery Association Gravesite Assignment Procedures**

1. Without regards to race or color, Eatonville Community Cemetery Association, Inc. may agree to a gravesite assignment to inter the remains of a then deceased human being in the Eatonville Memorial Gardens Cemetery.
2. At any time prior to the beginning of the excavation of the grave, Eatonville Community Cemetery Association, Inc. will make a refund of the opening and closing fees on the requested withdrawal of the application for the opening and closing.
3. The opening and closing fee is a single, onetime fee for the current and future care and maintenance by the Eatonville Community Cemetery Association, Inc., of the entire cemetery, which include the ground area around and up to each individual gravesite.
4. Any person or agency representing the right to a proper burial interest or legal rights of the deceased may apply for a gravesite assignment.

#### **B. Eatonville Community Cemetery Association Standards for Constructing a Grave**

1. A professional gravedigger must be employed to evacuate the gravesite and handle the opening and closing of the grave.
2. The grave must meet the minimum standard prescribed by law in length, width and depth of each of the following and meet the minimum standards appropriate for inner placement,
  - i) Grave for vault,
  - ii) Vault for Casket,
  - iii) Casket for deceased's remains.
3. Each grave must contain a vault, a casket and a vault cover with interlocking and/or sealable construction. All vaults will be placed below ground in the Eatonville Memorial Gardens.
4. Each grave must bear a stone monument of upright or ground level placement. The verification of a "single" headstone stone monument must be presented before deceased can be interred. The monument must be inscribed with:
  - i) the full name, middle initial and last name,
  - ii) the month, date and year of birth,
  - iii) the month, date and year of death of the interred deceased.

5. No inscription made upon the grave or affixed to the grave can be substituted for the monument marker identifying the deceased and the grave.
6. DISCLAIMER: Eatonville Community Cemetery Association, Inc. does not provide, nor does it accept any responsibility for the grave construction activities of opening and closing and monument construction and/or placement. Independent companies shall provide these services.
7. CEMETERY ACCESS: Eatonville Community Cemetery Association, Inc., will work with the sponsoring funeral Service Company and/or authorized vendors to insure they have open and full access to the cemetery to perform any authorized burial related function or service.
