Viewing your Portrait for the first time

It is difficult to properly view a portrait session on a home computer screen. We feel it is best to arrange an appointment to visit the studio and view the images from your session. We will schedule your design appointment at the same time your session is scheduled.

Warranty

It is the policy of Bill Goode Photography to replace any prints or canvas portraits for any defect or damage at no charge for one year from the date of purchase. After the warranty period we will replace any portrait print or canvas for 20% of the current price.

It is agreed that the rights to exclusive use and ownership of image files are reserved by Bill Goode Photography LLC for display online, publicity in publications or otherwise. If you do not wish us to use your images simply let us know and we will honor your request.
