*When we create a portrait session the amount paid after the session is **\$250**. This is a general deposit that will apply toward the total order. Part of it will cover the session charge and the remaining amount will apply as credit toward your images.*

*Order Appointment. An order appointment to review the portrait images will be scheduled at the same time the portrait appointment is set.*

*Session Fees*

*Due to the custom nature of our product, we ask that you be prepared to pay 50% of the balance as a deposit to begin processing the order. The balance is required within 10 days after being notified that your order is completed.*

**Viewing your Portrait for the first time**

**It is difficult to properly view a portrait session on a home computer screen. We feel it is best to arrange an appointment to visit the studio and view the images from your session. We will schedule your design appointment at the same time your session is scheduled.**
