

**RESOLUTION URGING THE FORMATION OF CLUB AMERICA CHAPTERS  
IN WYOMING HIGH SCHOOLS**

**Whereas**, July 4, 2026 is the semi quincentennial celebration of the founding of America.

**Whereas**, the founding fathers of these United States believed in principles such as life, liberty, equality, and the importance of a limited government that derives its power from the consent of the governed.

**Whereas**, it is of the utmost importance that each succeeding generation understands and is able to articulate these core principles and values that America was founded upon.

**Whereas**, Charlie Kirk founded Club America for high school students to facilitate peer led non-partisan education, respectful debate and civil discourse about these principles and values through panel discussions, speakers, debates and tabling activities that encourage critical thinking and build confidence in one's ability to speak about and defend one's understanding of these constitutional principles and values.

**Whereas**, it our desire to encourage and foster civil non-partisan discussions to better prepare the next generations of future leaders.

**Whereas**, Montana Governor Gianforte is working with Turning Point USA to establish a Club America Chapter in every Montana High School.

**Now, therefore be it resolved** that the Lincoln County Republican Party is urging Governor Gordon to form a partnership with Turning Point USA to establish Club America in high schools across Wyoming to deepen civic engagement and put the rights and responsibilities of citizenship into practice.

**Adopted by the Lincoln County Republican Party Convention, March 7, 2026.**

**Education**
