

Welcome
To
Odyssia Learning™
~Empower Your Future~

"One child, one teacher, one book, one pen... can change the world".

~Malala Yousafzai~

The Mission and Vision of Odyssia Learning

The Mission of Odyssia Learning is...

"To improve the quality of education in low under-privileged regions throughout the world, and to help students strategically achieve transformative growth in a dynamic digital community".

The Vision of Odyssia Learning is...

"To level the playing field for all; the privileged and low under-privileged, and for all to have access to a world-class education via the new digital medium".

The Odyssia Learning Education Platform & e-Learning

The delivery system of the education leading to *the student's transformative growth* is through a *dynamic digital platform and community* that **Odyssia Learning** has strategically created over the past several years. Technology has made it possible for the Odyssia Learning team to research online education platforms thoroughly, and to develop their own platform that enables access to global markets.

Understanding the e-Learning Market

The **e-Learning market** is now more than 20 years old. (*The word "e-learning" was coined in 1998*). Since then, e-Learning has continued its rapid evolution and has radically changed the education/training industry. Within many organizations, e-Learning has become one of the *most critical training* tools, with benefits coming in the form of *reduced operational costs, increased flexibility and greater accessibility*.

The Odyssia Learning Educational Platform & Courses

Odyssia Learning is honored to offer premier Education Courses:

- **Brigham Young University (BYU)** Independent Study Program
- **BYU** with Scholarship & other **BYU** Vocational categories
- **BYU** High School Suite with approved US curriculum
- **BYU** High School Diploma (*Fully Accredited in USA*)
- Holistic Wellness, Self-esteem and Women's Empowerment
- Higher Learning Degrees From Ukraine: *Computer Science, Aeronautics, Engineering, Business, MBAA*

**** USA ranks (3) BYU Grad Programs in Top 50 and (8) more in Top 100.**

Odyssia Learning is a progressive online education platform that offers customized courses and consulting in an individualized approach. Our students have access to over 1000 courses. These courses include:

- English as Second Language (ESL), (ESL) with Spoken & Business Presentation, Vocational with English

Odyssia Learning™

IXL... Personalized Learning

IXL is an Award-winning personalized learning program that motivates more than 12 million students to explore new concepts, master foundational skills and build confidence.

Odyssia Learning, together with IXL is making educational experiences better for Everyone!

Odyssia Learning is honored to collaborate with **IXL Learning**... *Applying Technology in thoughtful and innovative ways to unlock students' innate curiosity, creativity and desire for knowledge.*

IXL... *Personalized Learning*

Rich Instructional Resources - *IXL's instructional resources provide the guidance students need to learn with confidence!*

Empowers Learners - *IXL's recommendations give students the tools to learn independently, empowering them to make smart choices about what to learn next and how to help themselves improve.*

Odyssia Learning and Elite Level Education

Odyssia Learning is honored to collaborate with IXL in **Language Art and Math**.

The Mission of **IXL** is in synergy with that of **Odyssia Learning**... *"Passionate about improving learning for all. To apply technology in thoughtful and innovative ways to unlock students' innate curiosity, creativity and desire for knowledge"*.

IXL Learning Empowers...

IXL **empowers** students, teachers, administrators and parents to achieve more and do things that they never could have imagined, by creating *high-quality learning resources and use of technology*; to make learning more efficient and *unearth insights* that help educators make a bigger impact for their students.

IXL Learning *significantly helps the Child perform better and provides parents with a proven way to see that their children can achieve more than they could have ever imagined!*

Among the numerous Features of IXL are:

- ❖ Personalized Learning that Inspires students!
- ❖ Used in all of the *Top 100 U.S. school districts*
- ❖ IXL is used in all *50 U.S. states, and in 190 countries*
- ❖ Greater than *3,700 distinct Math topics*
- ❖ Personalized action plans & on-going Assessment
- ❖ Positive student experience
- ❖ Real-time Diagnostics
- ❖ More than *8500 Adaptive Skill Sets*
- ❖ Very affordable
- ❖ IXL is used by more than *12 million students and more than 800,000 teachers, as well as at home by families, worldwide.*
- ❖ Global impact

IXL is Personalized Learning...

IXL's *Real-Time Diagnostic* pinpoints each student's grade-level proficiency in **Math and English Language Arts**. Built on top of IXL's comprehensive curriculum, the *Real-Time Diagnostic* is able to assess students at a deep level across every concept in the K–12 curriculum.

Based on each student's diagnostic results, the *Real-Time Diagnostic* generates *Targeted Action Plans* that show the teacher how to help the student grow. These recommendations link seamlessly to specific IXL skills, providing a simple way to differentiate instruction and help students make meaningful progress. Students' diagnostic results and recommendations will stay updated with minimum diagnostic questions each week. This means that you can get reliable assessment data when you need it.

Odyssia Learning™

Odyssia Learning Holistic Health & Wellness

The Wellness LifeStylist Holistic Health Platform... *Healing of Body, Mind, and Spirit.*

Odyssia Learning is honored to collaborate with **The Wellness LifeStylist Holistic Health Platform...**
Together, helping raise awareness and share knowledge that allows for healing of Body, Mind Spirit... and Lives!

The Wellness LifeStylist... Teachings

Understanding the Infinite Healing of Body, Mind, Spirit Connection

The teachings on The Wellness LifeStylist Platform provide substantial insight on how our emotional health and well-being is directly related to our physical health and well-being.

Flourishing in our physical body and having vibrant health is much more complex than simply having a so-called perfect diet and/or exercise routine.

Having Vibrant Health...

Genuine understanding of the Body, Mind, Spirit connection, heightened consciousness, and allowing these areas to be re-connected, are a necessary part of one's journey to vibrant health, happiness and inner-peace.

Good Health Is No Coincidence!

Among the numerous Benefits you'll receive from The Wellness LifeStylist Platform...

- ❖ *Understanding "why diets have and will always fail you".*
- ❖ *Learning how to "listen to your body" and what is it desperately trying to tell you.*
- ❖ *Learning what your "symptoms" mean and how to empower your innate "self-healing".*
- ❖ *Make sense of what doesn't appear to make sense.*
- ❖ *Understanding Body-types & how to begin working with your body, instead of against it.*
- ❖ *Understanding proper diet detox, weight loss/release.*
- ❖ *Understanding proper digestion and enzyme supplementation.*
- ❖ *Understanding trapped stagnate energy in the body and how to release it.*
- ❖ *Understanding what 'synthetic' vitamins are and how they harm you. Learn the solutions.*
- ❖ *Learning about the importance of proper pH and how it pertains to your weight and health.*
- ❖ *Learning about the importance of the lymph system and your health.*

“Transformation” ... The Journey of Weight “Release”

The *Transformation Teachings* guide you on a journey of healing that encompasses the necessary areas that must be addressed for authentic healing, health and complete wellness to transpire.

Why Understanding Your Body Type is Key To Your Health!

The Transformation teachings are for individuals who genuinely desire to learn what to do for themselves and for their Loved Ones in order to have and to maintain good health, which in turn provides them getting to, and then maintaining their ideal weight!

These Teachings are for those who have come to understand that there is no-one better than themselves to have the knowledge for what is going on with their body and health.

The Transformation teachings are for those who are ready to accept the fact that the only way to have and maintain good health is to take responsibility for doing so.

The First Step in taking responsibility for your health is to learn...

“What Your Body Type is”.

Among the numerous Benefits you'll receive from Understanding Your Body Type are...

- ❖ *You know how to restore your balance & heal yourself*
- ❖ *You can work with your body instead of against it*
- ❖ *Your appetite is naturally controlled*
- ❖ *Why you store fat where you do on your body*
- ❖ *Why you crave certain foods*
- ❖ *You can identify potential health risks*
- ❖ *What foods work best for you and what one's work against you*
- ❖ *How to exercise most effectively for your unique Body Type*
- ❖ *You have more natural energy*
- ❖ *You look and feel better*
- ❖ *You feel more peaceful*
- ❖ *You improve your health & longevity*
- ❖ *You naturally heal your body, mind, and spirit*

Work With Your Body, Instead of Against it!

*Knowing what your **Body Type** is can open-up a whole new world for you in understanding how to 'Work with your body, instead of against it'.*

Even of more importance is knowing 'What foods you need to be eating; How often to eat those foods, and What foods to currently stay away from'.

In having this knowledge, you'll experience an array of positive life-changing benefits...

Odyssia Learning™

Odyssia Learning Women's Empowerment

The Wellness LifeStylist... A Light on the Path of Emotional Healing & Finding True-Being

Odyssia Learning is honored to collaborate with **The Wellness LifeStylist...**
Together, helping 'Empower Women'.

The Wellness LifeStylist... *'Women Empowerment' Teachings*

"Illumination"... *The Journey of Emotional Healing*

&

"Metamorphosis"... *The Journey to True-Being*

Benefits from these Teachings...

- ❖ *Recapture Hope*
- ❖ *Healing of Body, Mind & Spirit*
- ❖ *Empowerment*
- ❖ *Healthy-Boundaries*
- ❖ *Non-Bullying*
- ❖ *Victim to Victorious*
- ❖ *Character Building*
- ❖ *Be Inspired & Inspire*
- ❖ *Self-Value*
- ❖ *Self-Esteem*
- ❖ *Heightened Confidence*
- ❖ *Heightened Understanding*
- ❖ *Heightened Consciousness*

...And much more!

“Illumination”... *The Journey of Emotional Healing*

The ‘Illumination’ Teachings... *are for individuals who currently are living or who in the past have lived/survived in a toxic/abusive environment/relationship. These teachings are particularly for you if you have experienced a person who has a **narcissistic personality** in your life, whether it be in your personal or business life.*

The Illumination teachings actually walk you through the journey of healing from narcissistic abuse. This training is also greatly beneficial for those who have experienced a difficult or toxic environment during their childhood.

The “Illumination” teachings, provide significant insight into vast depths and multiple areas that must be addressed during one’s journey of emotional healing.

“Illumination”... *The Journey of Emotional Healing*

The Illumination Training addresses questions, (that most likely if you are on the receivership-side; (currently a victim or in a victim-state subconscious mindset from narcissistic abuse and just haven't totally realized it yet), that you've probably already been asking/telling yourself, such as:

- ❖ **Am I crazy, or are they?**
- ❖ **Am I too sensitive?**
- ❖ **Is it normal to live in fear?**
- ❖ **Am I stupid?**
- ❖ **Will he/she change one day and everything then be ok?**
- ❖ **But...they treat me nicely sometimes so they must really love me.**
- ❖ **How could it be possible to change my life from what it is now?**
- ❖ **I just somehow need to make it through this for my children.**
- ❖ **What is a narcissist?**
- ❖ **What is narcissistic abuse?**
- ❖ **Could it really be possible that I'm being abused? Surely that's not what this is. There must be some other explanation.**
- ❖ **I'm too old or it's too late to change my life now" or "No one can know, or no one will believe me about what my world really looks like behind closed doors".**

The “Illumination” teachings, provide significant insight into vast depths and multiple areas that must be addressed during one’s journey of emotional healing.

Recapturing Hope & Healing Your Life

Connecting the Dots... *“Placing the missing puzzle pieces”*

*In the journey of emotional healing, areas where “dots-are-not-yet-connected” are vital to understand in order to gain answers to questions that you most likely have if you’ve ever had a person with a **narcissistic personality** in your life. Among some of the other many questions that can make someone feel as if ‘they’re crazy’ are...*

The ‘Illumination’ Teachings will provide you with understanding to the following questions & many...

Q: How did my relationship/marriage become this?

Q: What happened to me and to my life?

Q: Why do I allow myself to be treated this way?

Q: Why do I seem to always draw toxic/abusive people/relationships to myself?

Q: What’s wrong with me, I shouldn’t feel this bad?

Q: Am I crazy or are they?

Q: When did I become lost in my own life?

Q: Why do I keep repeating the same thing over and over?

Q: I feel fear, and I feel like I’m walking on egg-shells.... what’s wrong and what can I do?

Q: I feel paralyzed in my own life, is there an answer?

Visit www.OdyssiaLearning.com to learn more about The Wellness LifeStylist **‘Women’s Empowerment’** Teachings!

“Metamorphosis” ... The Journey to True-Being

The ‘Metamorphosis’ Teachings...

The “Metamorphosis” teachings are for those who feel a deep inner-calling guiding them. Guiding them with an innate knowledge that ‘Now’ is the time to journey deeper inside themselves to gain greater understanding and clarity about who they are and who they are not. To gain deeper understanding about their life journey and their higher purpose.

*These teachings are for those that have come to the point in their life journey where they genuinely desire **to gain insight into the root cause behind ‘unrest’ within them.** It is for those who want to journey down the path that is necessary to **heal their body, mind and spirit** in order to **gain freedom from suffering** so they can **live empowered and joy-filled lives.***

“Metamorphosis” ... The Journey to True-Being

The “Metamorphosis” teachings provide significant in-depth insight into the areas that are necessary to address, as to assist an individual in moving forward and reclaim who they truly are. These areas include, but are not limited to:

- ❖ **Understanding why 'and how your story' was created... and that it does not, and should not define you**
- ❖ **Understanding what your 'Inner-child is' and what your (probably unbeknownst to you)...'Mask' is**
- ❖ **How to release 'energetic blocks**
- ❖ **Transcending restrictive barriers that fear is holding us captive in**
- ❖ **Understanding the 'trauma vortex' and the associated response systems and filters that are created, and more importantly, how we can release them**

... All of these, and more which are necessary to “Find our True-Being”.

The “Illumination” teachings, provide significant insight into vast depths and multiple areas that must be addressed during one’s journey of emotional healing.

“Metamorphosis” ... *The Journey to True-Being*

The ‘Metamorphosis’ Teachings...

The “Metamorphosis” teachings are for those who feel a deep inner-calling guiding them. Guiding them with an innate knowledge that ‘Now’ is the time to journey deeper inside themselves to gain greater understanding and clarity about who they are and who they are not. To gain deeper understanding about their life journey and their higher purpose.

*These teachings are for those that have come to the point in their life journey where they genuinely desire **to gain insight into the root cause behind ‘unrest’ within them.** It is for those who want to journey down the path that is necessary to **heal their body, mind and spirit** in order to **gain freedom from suffering** so they can **live empowered and joy-filled lives.***

“Metamorphosis” ... The Journey to True-Being

The Journey to 'True-Being' can be a difficult journey to travel... however, the consequences of not traveling it and never re-claiming your "TRUE-BEING", I believe, are far more painful and ultimately a greater price is paid for not "Stepping Into Your True-being".

~ You don't need to travel this journey alone, we are here for you~

*Always in Peace, Grace and Gratitude,
Kathleen S. McGowan

Blended Learning and Virtual Classroom

Individualized Distance Learning offered by Outstanding U.S. Trained Experts

Blended Learning and Virtual Classroom

The **Odyssia Learning** model is vastly different from other companies. **Odyssia Learning** offers “*solution-based education to current global issues*”. An example of this uniqueness is in **Odyssia’s Offering of: Self-Learning and Blended-Learning**, (*Tutors assign course assignments and subsequently follow-up online with students, as needed*); This in addition to ***Virtual Classrooms***, utilizing Zoom® Technology in our ***Blended*** and ***Virtual*** classroom learning methodology.

By addressing what is most needed in contemporary global society... *Creativity, Cognitive flexibility, Problem-solving, High-level communication skills, Inventiveness, Holistic wellness, Women’s empowerment, and more*; Odyssia Learning students will be confident and prepared to thrive.

Some of among the multiple examples to the vital importance in having a *solution-based online education platform*; such as the Odyssia Learning model, include, but are not limited to the following:

- English as Second Language (ESL) and (ESL) with Spoken & Business Presentation
- Social-media marketing skills, which are crucial in today’s world of constant communication
- Holistic Wellness, Self-esteem and Women’s Empowerment, all being in today’s world more vital that ever before
- High learning solutions with GMAT, SAT and IXL practice, and BYU collaboration

Blended Learning and Virtual Classroom *(continued)*

Blended Learning is an approach to education that combines *online educational materials and opportunities* for interaction online with traditional *place-based classroom* methods. It requires the physical presence of both teacher and student, with some elements of student control over... *time, place, path or place.*

However, when it comes to *e-Learning*, the “*place-based classroom methods*” can be replaced by; *i.e.*, webinars; making the learning even more accessible and convenient.

At Odyssia Learning, we believe that “*Blended Learning*” encourages personalization of the e-Learning experience by combining the best aspects of *in-person* teaching with *technology-based e-Learning* methods. Blended Learning broadens the experience of the student by supporting... *anytime, anywhere* learning, and reshapes the role of the instructor.

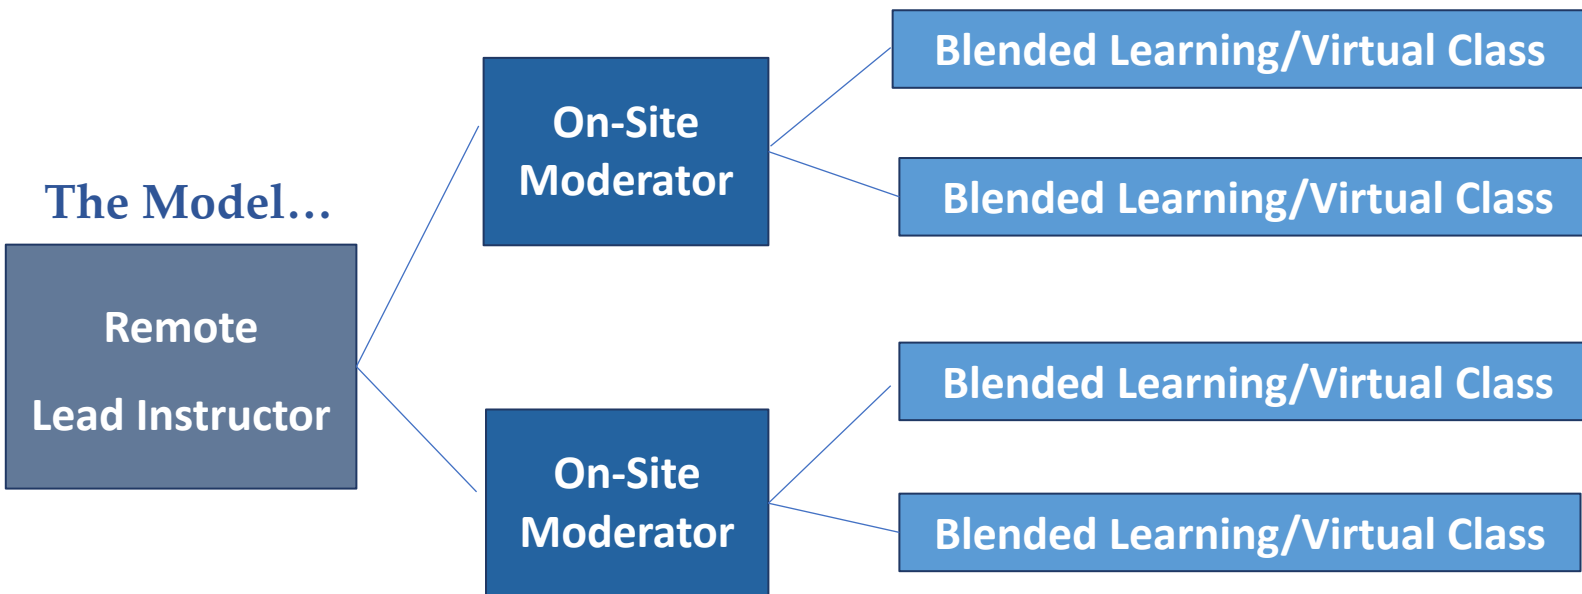

Virtual Classroom and Blended Learning

Virtual Classroom and Blended Learning:

- Is easily scalable at no extra cost.
- Provides the benefits of classroom environment.
- Provides the benefits of online education.
- Provides a flexible platform.

Target Markets of Odyssia Learning

USA:

Secondary education *brick and mortar system* is going through changes due to budget cuts, technology evolution and limited resources.

- Inequality is rising against a background of low social mobility.
- Family income increased by an average of 37 percent between 1975 and 2011, while family incomes declined for the poorest third of children.
- Family resources available to less well-off children are falling behind those available to their higher-income peers.
- Improving the quality of, and access to education, has the potential to increase equality of opportunity for all Americans.

Pakistan/Afghanistan:

- A Population of over 200 million people. Approximately 150 million people in the region are between the ages of five to thirty.
- Pakistan's education eco-system has evolved beyond recognition into decadence over the past three decades. Afghanistan education is in chaos.
- Significant increase of private sector in education, however, it is not affordable.
- A significant burden on middle and lower income families in obtaining any quality education for their children.
- Quality gap is said to be the widest in the early stages of education.

Due to multiple factors in US demographics, some being: Ethnicity, religion, bullying, etc. More and more parents, globally, are adopting to home-schooling and online learning: *Combined Blended and Virtual Classroom.*

Today, approximately 20% of students are in Home-schooling; accelerated in it adaption with Covid 19.

Market Penetration in Karachi, Pakistan

Karachi is the largest city in Pakistan with a population of over 25 million. Odyssia Learning has visited 350+ schools to date.

There are currently twenty (20) schools in Karachi with 7000 students. *Five-hundred* (500) are taking the Odyssia Learning ESL program.

- In Karachi, more than 350 schools; 4 universities and 4 vocational schools have been visited and have interest in Odyssia Learning online programs & certifications.
- Odyssia Learning has given out certifications to more than 800 students.
- Currently, 20 schools, having a combined 7000 students are committed to taking Odyssia Learning courses in Karachi.
- With the Lahore JV launch, having 46 schools with more than 25,000 students, within the next 12 months it is expected to have between 5000-7000 students taking Odyssia courses.

Growth Trends

Worldwide ESL/ELL, A Cornerstone To Growth

- A working knowledge of English improves job prospects, globally.
- Integration within technology and education is rapidly expanding.
- ESL and ELL fluency is a must to achieving higher-learning skill sets.
- It has become easy to offer quality education globally, providing access to all.
- Online opportunities have achieved significant traction, especially at the post-secondary/adult level.

Within the USA:

- ELL's in the USA are currently 11% of the total Pre-K enrollment.
- In 2017, ELL enrollment reached 10 million, totaling approximately 19% of all students.
- It is estimated by 2025; *One* in every *Four* students nationwide will be an ELL student.

The Opportunity

Gartner, Inc.®, an independent market research firm, estimated that worldwide spending on hardware, internet services, information technology services and software in the Education industry was \$34.0 billion in 2003. Much has changed since then as the emerging countries have accelerated their internet access capabilities at an exponential growth rate.

We estimate that market access in education globally will continue and advance to be in the trillions of dollars.

The Global English Language Learning (ELL) Market... *(Press Return for graph)*

Gartner, Inc.® Independent Market Research

Global Market Segment	2012 Market Value US\$ (In Billions)	Forecast CAGR 2012-2017	2017 Forecast Market Size US\$ (In Billions)
Global English Language Learning	\$63.30	25%	\$193.20
Higher Ed e-Learning	\$48.80	25%	\$149.00
K-12 e-Learning	\$16.60	33%	\$69.00
Edu-Gaming	\$2.00	30%	\$7.40
Social Learning/Communities	\$1.00	40%	\$5.60

The Global English Language Learning (ELL) Market... *(Please Press 'Return key' for graph)*

U.S. ELL vs. International ELL: Market Segments

Gartner, Inc.® Independent Market Research

U.S. ELL	International ELL
<p>PreK-5: Public school market. 60% of ELLs at PreK-5. 85% of ELLs born in U.S. start school at K-1.</p>	<p>Institutional: PreK-12, tertiary; state and privately funded. Easily the largest and most accessible segment.</p>
<p>Secondary: Long-term ELLs; high failure/dropout rate, especially Hispanics.</p>	<p>Supplementary/Tutoring: Private lessons/tutoring a growing global phenomenon; small groups, tutoring/cram schools; organized online options, such as sites offering online tutoring for public tests (e.g., TOEFL).</p>
<p>Adults: Community colleges, adult schools, vocational and technical schools. Growing need for immigrants to learn English; severe shortage of adult ESL programs.</p>	<p>Consumer/B2C: Potential for online and blended programs. Limited to date by lack of access and competition from other options.</p>

The Global English Language Learning (ELL) Market... *(Please Press 'Return key' for graph)*

Gartner, Inc.® Independent Market Research

Characteristics	U.S. ELLs vs. ELT
Instructional Setting	<p>U.S. - Typically taught in English-only setting, increasingly in mainstream classrooms. ELLs with diverse language, skill levels in one class.</p> <p>ELT: Taught in a local language environment. ELLs usually grouped according to English proficiency level.</p>
Objectives of ELL Instruction	<p>U.S. - Academic and career success; academic language/content.</p> <p>ELT: 4 skill-focused- similar to foreign language learning.</p>
Funding	<p>U.S. - District purchase and funding; Title I, Title III. State adoption for ESL.</p> <p>ELT - Most schools do not have central purchasing budgets; parents/students buy materials.</p>
Families	<p>U.S. - Students with mixed culture/language/educational backgrounds, 80% Latino. Families may not speak English; may not be literate in native language.</p> <p>ELT - Students well educated in their native language generally come from wealthier backgrounds.</p>
Teachers	<p>U.S. - 75% of classroom teachers have ELLs; 30% have no ELL training.</p> <p>ELT - Most teachers not native English speakers; not well trained.</p>
Technology	<p>U.S. - Growing need. In 2012, eight out of ten top technology products used with ELLs in schools were not designed especially for this student population.</p> <p>ELT - Only the interactive whiteboard is common in ELT classrooms.</p>
Standards/Assessment	<p>U.S. - ELLs must meet academic standards, English standards, demonstrate progress on English tests; NAEP, state academic achievement tests. CASAS for adults.</p> <p>ELT - Common European Frame of Reference (CEFR) standards; IELTS, TOEFL, TOEIC tests.</p>

Odyssia Learning™

Odyssia Learning...

We invite you to collaborate with us in "Positively Impacting Lives Worldwide!"

Odyssia Learning™

Odyssia Learning, Inc. was formed in 2011. The Company is based in Los Angeles, California, USA. The Company purpose is to *"Help students achieve academic development through e-Learning"*.

*We are honored to have positively impacted thousands of lives through our **on-line education platform**, and we will continue to positively impact and transform lives for decades to come!*

At Odyssia Learning, we believe that good high-quality education shouldn't be difficult to attain.

Our goal is to make it simple for everyone to have access to it!

We invite you to learn more about Odyssia Learning and how lives are positively being impacted, worldwide!

We also invite you contact us to learn about the different ways you can be involved in making a genuine positive impact on lives around the world with us!

Thank you.
