Additional Information

- NJDOH MMP Website

Welcome to the New Jersey Medicinal Marijuana Registry Homepage!

For All Patients and Caregivers

- Select **New Patient Registration** if you wish to begin your enrollment into the MMP.
- Click **New Patient/Caregiver Payment** if you have received a [payment confirmation email](#) from the MMP.
- Click **Replacement Card payment** if you have received a [payment confirmation email](#) from the MMP to replace your lost, stolen, damaged card; or if you have changed your address.

For Patient and Caregiver ID card renewal

- If you have received an [ID card renewal email](#) for your expired MMP identification card, select **Renew your identification card** to begin the process.
- If you have received a notification email to pay for your renewed identification card, select **Pay for your renewed card**.

Step 2: Now select New Patient Registration, you will need the reference number provided to you on your attending physician statement.

- Before entering the registry, be sure to you read all instructions and have all required documentation ready to upload so you can expedite registration and approval.
- You will be contacted by the MMP if additional documentation is needed. If your application is validated by the MMP, you will receive a payment confirmation (via email) notifying you that your registration is complete and you may pay for your card.

Step 3: Payment

When you receive an email from the program that clears you for payment, you must return to <http://njmmp.nj.gov> and select the New Patient/Caregiver Payment option.
