Monthly Classroom Requests

This month we are asking the parents of our preschool room to work with their children on counting objects.

Pre-K Counts Enrollment

We are working on becoming at least a Star 3 before the start of the school year. Our goal is to have a Pre-K Counts program for this 2026/2027 school year. We are taking applications for the Pre-K Counts classroom for the 2026-2027 school year. Children must be 3 years old by Sept. 1, 2026 and be able to attend their school's kindergarten when they turn 5. It is a 2-year program. It is free to families that live in PA earning up to 300% of the federal poverty level. Our Pre-K Counts program is from 9 AM until 3 PM, during the school year. If you are interested or have any questions, please call or stop by the office.
