|-------------|------------------------------|
| March 2-6 | Dr. Seuss Week |
| March 9-13 | 5 Senses |
| March 16-20 | Green Week/St. Patrick's Day |
| March 23-27 | Spring Season |

We are asking everyone to wear green the week of Mar. 16-20.

Special Guest

Dr. Richard Ribarevski will be coming on March 3 @ 10am to talk to our preschool classes about healthy dental practices.

The preschool classes are always working on writing and recognizing their name, numbers, and letters. Some students that are developmentally ready have moved on to sight words. Our teachers are always adapting our lessons to the needs of the children.

SAVE THE DATE

Picture Day

We will be using Life Touch Photography for our spring pictures.

March 18- Infant, Toddler, and Pre-K Counts Picture Day

March 19- Lower Building Classes Picture Day

If your child cannot attend and no one can bring them on the day that is assigned to their class, please come to the office so that arrangements can be made to have their picture taken.

All children will be photographed.

Once they have been photographed, you will be given a printout to preview some of the pictures, and it will give you information on how to order the pictures if you want to.

Sibling Pictures

Please choose one day that all your children will be having their picture taken and let the office know.

Preschoolers Graduating to Kindergarten

All preschoolers going to kindergarten next year will also be photographed in their cap and gown. We will also be having a special graduation gift made with these cap and gown pictures. Please make every effort to have your child's picture taken.

Pre-K Counts Enrollment

We are taking applications for the Pre-K Counts classroom for the 2020-2021 school year. The Pre-K Counts program provides quality full-day learning for 9am-3:30pm Monday-Friday to eligible children that are 3 years old by Sept. 1, 2020. Pre-K Counts is designed for children who are between the age 3 up to the entry age for kindergarten. It is a free program to families that live in PA earning up to 300% of the federal poverty level.

If you are interested or have any questions, please come to the office and speak to Miss Shannon.

Up Coming Field Trip

Where: Marburger Dairy Farm

When: May 12

All Preschool Classes

Cost: \$11

Leaving Pre-K Kids at 9:30

Returning at 12:15

The tour begins with a guided explanation about the cows and an opportunity to pet one. In the milking parlor you will learn how a cow is milked and where the milk goes. The tour also includes a stop at the calf barn and an opportunity to learn how a calf grows.

We will have more information and a permission slip closer to the field trip date.
