### What are we doing to keep COVID-19 away?

- Encouraging face masks with children
- All staff must wear face masks
- Taking temperatures upon entry
- Limiting room ratios
- Using good ventilation
- Disinfecting everything throughout the day

## Permission and Agreement Forms

Since we have been out of school for a while, we have not been able to get parent signatures to update children's files. Please check with the office to see if you have any paperwork to sign when you come back. Thank you!

## Preschoolers Going to Kindergarten

We will not be holding a graduation celebration this year due to COVID-19.

We have made treat bags for the graduates!

Please feel free to take their gifts home with you when they come back.

If you are not planning on coming back, you may stop by the week of the 25<sup>th</sup> to pick it up!

The children will be greatly missed, but we know they will do great in Kindergarten!

## Schedules

Please remember to let us know when you will be returning!

If you are not returning, please e-mail Mrs. Miller at [prekkids@verizon.net](mailto:prekkids@verizon.net).

## Masks

We are very thankful our cook, Miss Lisa is partnering with Pre-K Kids Learning Center and families to distribute masks. They can be bought in the office for \$5 each. We have children and adult sizes.
