Display Cabinet Program

The following Display Cabinet Program (“**Program**”) is offered by Kraus USA Plumbing, LLC (“**Kraus**”) and replaces all previous programs related to Kraus displays.

Kraus has created this Program to allow customers to purchase display cabinets and have some or all of the cost of those display cabinets credited to the customer’s account if certain sales criteria are met. By participating in this Program, you agree that you are responsible for the cost of the display cabinets as listed below, display sinks, and all associated shipping and handling charges. Display sinks will be made available for purchase at a multiplier of 0.25 of the list price. The cost of the display cabinets will be as follows (sinks not included):

Display Cabinet	Per Cabinet Cost	Quantity
3 Sink Cabinet (FD-2488)	\$1,115.00 + shipping & handling	
6 Sink Cabinet (FD-2470)	\$1,525.00 + shipping & handling	

If within 6 months of the display cabinet delivery date your account reaches (1) \$5,000 in sales if a single 3 sink display cabinet was purchased, or (2) \$8,000 in sales if a single 6 sink display cabinet was purchased, the cost of the display cabinet listed above (excluding any shipping, handling, or display sink costs) will be credited to your account. In the event multiple display cabinets are purchased, the parties will agree in advance on the sales thresholds needed to earn the reimbursement credit.

The display cabinets and sinks may not be altered without the prior written consent of Kraus. Any showroom remodeling costs necessary are the responsibility of each customer. You are responsible for the installation of the display and trash removal following installation, including all related costs. No reimbursement credit will be provided if you violate any term of this Program or any other Kraus marketing or sales policy, at Kraus’s sole discretion.

This Program represents the complete agreement between the parties regarding this subject matter and may only be modified by a document signed by both parties. This Program may be executed by the exchange of signature pages via facsimile or other electronic means and in any number of counterparts, each of which shall be deemed an original but all of which shall constitute one and the same document.
