

THOMPSON

# Luxe Sample Set

YOUR RESOURCE FOR TAILOR-MADE  
FINISHES AND TEXTURES

## Design at your fingertips

Use this beautiful set to help your client select the perfect finish for their Tailor-Made by Thompson product.

This set includes 20 Finish chips, each measuring 5.5" x 5.5", that feature all our Tailor-Made finishes and the most popular textures.

Some finishes in our assortment are not included (stainless steel, for example) because they are not part of the Tailor-Made program. These finishes are available in smaller 2"x2" sample chips. Some textures are not featured as samples. Contact us for details.
