# Andrew Park • Oakland Raised • Proven Community Leader

Dear Voter,

Although I've knocked on over 3,000 doors talking to voters like you, this might be the first time you've heard from me.

I am a father and husband, deeply rooted in Oakland—from attending public schools as a child to giving back to my community as an adult. Now my children are enrolled at our local public school.

I understand neighborhood priorities and plan to work WITH the community, not just FOR the community on improving public safety, creating opportunities for youth and helping communities and business districts thrive.

Fifteen years ago, I founded Trybe, a youth focused non-profit, and now also co-chair my local Neighborhood Crime Prevention Council. We've created internships for youth with local businesses and made community policing more effective through ongoing partnerships with residents, merchants, Oakland Police and Councilmember Pat Kernighan. As your councilmember, I'll work to use City resources to serve our neighborhoods.

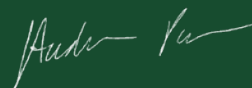

I've earned the trust of many neighbors and community and business leaders. I would be honored to earn your vote.

**This year, you have a real choice between a candidate with a deep understanding of neighborhood priorities and candidates who recently moved to Oakland and the District to run for office.**

I ask for your **first choice vote**.

Thank you for your consideration

Andrew Park

## Valuing Public Education and Opportunities for Youth

<< “As a City Council member, Andrew Park will apply his experience connecting youth to life-changing internships to make smart decisions about the kind of youth programs that should receive city support. Creating opportunities for youth is really at the heart of crime reduction and inclusive economic development for Oakland.”

– **Greg Cluster**, Learning Through Internship Coordinator, MetWest High School, OUSD

“I am a bit jaded about >> politicians. Meeting Andrew changed all that. I was immediately taken with his sense of community and desire to make our city a better place. He cares about neighborhoods and kids who grow up without the necessary skills to make it. He is a great mentor for our youth and young adults. ANDREW PARK IS THE REAL DEAL!”

– **Richelle Lieberman**, long-time Haddon Hill resident and Oakland small business owner

<< “I have had the good fortune to work with Andrew Park for the past 15 years at UC Berkeley. Andrew administers our department and makes it work synergistically in a difficult climate of budget and personnel cuts and consolidation. His skills as a respected community leader and problem solver at UC Berkeley are just what we need on the city council.”

– **Sue Li-Jue**, Lecturer, UC Berkeley, Crocker Highlands Resident

## Improving Public Safety & Helping Business Districts Thrive

<< “As a long-time business owner and Oakland resident, I decided to endorse Andrew because we have worked together for many years to improve public safety and help businesses to thrive in the Eastlake area. I strongly believe Andrew is a great advocate for grassroots businesses and a worthy representative for our district.”

– **Steve Ma**, Co-Owner of Woody's Cafe & Laundromat, President of Lake Merritt Business Association

<< “I have watched Andrew Park lead on many fronts over the years. From founding Trybe Inc., a non-profit dedicated to providing opportunities to youth, to chairing my Neighborhood Crime Prevention Council, to serving on community and business development boards—Andrew Park brought positive change to my community and helped make my neighborhood a safer place.”

– **Jackie Mallory**, Clinton Neighborhood Leader

“Andrew Park is a quiet, solid person and that plays well at City Council. >> He has a wonderful background of working at grassroots levels in Oakland. He plans to work for unity, the only way to get things done, rather than as a shooting star that leaves a trail of dust.”

– **Barbara Newcombe**, Oakland Mother of the Year and Friends of Cleveland Cascade volunteer

<< Andrew's dedication to community-building and the extent to which he has made his own Bella Vista neighborhood safer, as Chair of their Crime Prevention Council, provide a worthy role model for us all.”

– **Ken Katz**, Founder, Splash Pad Neighborhood Forum
