Alexandra Bareaño Park, Principal Engineer, Married to Andrew for 12 Years

"Andrew's compassion and character are what made me fall in love with him years ago. Andrew's ability to bring people together and inspire others are rare qualities that could strongly benefit City Hall. He is not a career politician or a celebrity, but he is someone who cares deeply for people AND someone who gets things done."

Angela Louie Howard, Executive Director, Lotus Bloom Child & Family Resource Center

"Andrew Park is an inspirational leader who is collaborative and strategic. He has the know-how of engaging communities deeply and brings solutions to the complex problems. Andrew will bring the on-the-ground experience to city hall and be a strong and true voice for neighborhoods."

"It is impressive to watch Andrew combine policy expertise on transportation and community and small business development with an ability to engage residents and merchants when decisions are made. Andrew has deep neighborhood roots in Oakland and understands how to transform communities for a better quality of life."

Dave Campbell, Advocacy Director, Bike East Bay

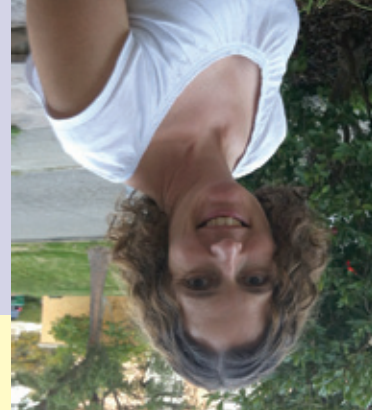

## ANDREW PARK

OAKLAND CITY COUNCIL

"Andrew Park will bring the rare combination of policy experience, community development and understanding neighborhood priorities to the City Council. In addition, Andrew's commitment to our public schools ranges from organizing safe after school programs to tutoring sessions that prepare high school students for post-secondary opportunities."

Lucy Streett, Active Parent at Crocker Highlands Elementary

Lisa Awrey, Co-Chair, 17Y Neighborhood Crime Prevention Council

"I've co-chaired the NCP meetings with Andrew Park and watched residents, once reluctant to come out of their homes, gather and engage, sometimes by the hundreds, for a peace walk and other community-building events. Andrew has been the catalyst and engine behind this change and innovative solutions to prevent and reduce crime. I can't think of anyone who believes more strongly in Oakland."

Gus Newport, Oakland Resident (Former Mayor of Berkeley)

"Andrew knows and loves District 2 - you won't find a harder working City Councilmember."
