

Dear Fairfield Farms Residents,

November, 2025

As the year comes to a close and the holidays begin, I'm reflecting on the many moments that shaped our community in 2025. This has been a year of growth and connection for Fairfield Farms.

We faced several challenges, from learning about the Oxford House, addressing a loose and aggressive Rottweiler in the neighborhood, to spreading the word about a person of concern on a nearby street. Through these concerns, neighbors supported one another and worked together to keep our community safe.

We also celebrated many positives. We welcomed new residents, enjoyed our first *National Neighborhood Day Block Party* in years, and thanks to everyone who helped make it possible—especially Monica Harrison, Illiana Ishewood, Seth and Sarah Braunstein, Kelly Patterson, Roger Hollopeter, Dani and Mike LeNoir. *Our Spring and Fall Community Yard Sales* grew stronger with the help of Susan McMullen, and our *Sunday Evening Stroll, 4th of July "Flags Out for Freedom,"* and *Meet & Greet Meetings* continued to bring neighbors together. **Our next Meet & Greet at Troop 3 is scheduled for 6:30 PM Thursday, March 26th, 2026.**

Our Fairfield Farms Civic Association Mission:

To create a safe, welcoming community and build a strong civic association where neighbors connect, solve challenges, and enjoy life together.

I truly believe we're fulfilling this mission, and I'm grateful to be part of such a caring community.
