## 2026 is going to be an exciting year!

As we come to the end of February, I find myself reflecting on this winter – with all the snow and ice it brought. What truly warmed my heart were the many stories of neighbors helping neighbors: plowing driveways, checking in on our older resident, and simply lending a hand whenever needed. It’s been beautiful to see how much closer our community is becoming.

As we begin looking forward to warmer days, 2026 is shaping up to be an exciting year. We’re just coming off an incredible Winter Olympic season, where Team USA brought home 33 medals,

surpassing the previous U.S. record set during the 2002 Salt Lake City Games.

This year will also bring the FIFA World Cup back to the United States for the first time since 1994, with matches held across 11 U.S. cities. And history lovers may note that this year marks the Route 66 Centennial as well!

Closer to home, Delaware is preparing for the 250th Anniversary celebrations. You can find event details at [DE250.org](http://DE250.org) and [Lewes250.com](http://Lewes250.com)

Here in Fairfield Farms, we’re also planning for a busy and exciting season ahead.

## Annual Dues Reminder

Our \$25 annual dues are due by April 2. Your dues are essential in helping us cover operational expenses, neighborhood communications, and ongoing initiatives that keep Fairfield Farms strong and connected.

You can pay by cash or check payable to Fairfield Farms Civic Association at our March 26<sup>th</sup> Meet and Greet. Monies will be given to our Treasurer Joe Hutter or contact any of the board members.
